Marlene Love:

Love's Destiny Ngozi M. Obi, 2010-08-27 Love's Destiny introduces Naeerah a somewhat naive young woman whose entire life's schedule is suddenly interrupted by a chance meeting with a Christian rock star named Luke. She's immediately thrown into the spotlight of being a rock star's girlfriend and all that lifestyle entails. Her father is not happy with their relationship because he fears it will take her off course. Defying her father, she moves to Luke's hometown for a chance to get to know him better, only to find out when she gets there that she doesn't fit the mold of what those closest to Luke would like to see him with. Through a whirlwind of dramatic circumstances, she's forced back home with her parents and is separated from the love of her life. Will divine destiny unfold in their lives when there seems to be no hope? *Billy Love's Secret Crusaders* Dr. Jean Wolf, 2018-12-26 It is 1950 and with World War II finally over, the world is calm, or is it? In this third book of the Billy Love Trilogy, the Wolf family evolves as new people enter the scene. Secrets and spies abound as the Cold War encompasses the world. This historical novel reveals the maturation of a family's commitment to the challenges of history. It features an unrelenting motivation of a determined and remarkable group of women. **Billy Love's Forsaken Children** Jean Wolf, 2018-04-19 The connection of four women exquisitely intertwined and their commitment to each other leads them on a journey of hope and healing for the forsaken children. In a time when the American government seemingly turns its back on the plight of young German children, the wolfpack takes action. Four orphans are central to the story: Renata and Ursula, sisters in Munich; Ruthie, found in an orphanage in the Bronx; and Wolfgang, a young boy living in Frankenstein Castle. What will be their fate, and how can the women help them? **Billy Love's Wolfpack** Jean Wolf, 2017-10-23 It is 1928 in Oklahoma, and Billy Love Wolf is on the cusp of womanhood. Cousin Katerina Wolf and Aunt Elisabetha Wolf Braun reside in Germany. These three women are the voices of the Wolf clan; their complex relationships are exquisitely intertwined. The pre-war years reveal an America seemingly uninterested in what is happening during Hitler's rise to power, yet there are exceptions with the three women working against the dark regime. What are their secrets? **The Ambiance of Victoria** Doug Eiderzen Ph.D., 2014-12-30 A man. A woman. An eternal love. A war. A lifetime commitment to an oath. Though a fictional novel, *The Ambiance of Victoria* approaches situations of life given within the realm or domain of World War Two from the perspectives of two people. The book is a struggle for victory surrounded by an environment of defeat. There is the aftermath reality of war that not only must be accepted but risen above, surmounted, and overcome. *The Ambiance of Victory* revolves around two people resolved to survive for their history, their philosophy, and their religion. They endure and exist and continue to exist for each other. In a world of hate, they love. Not only do they greatly care for and love each other; they live for their one common denominator. They live for their disciplines of life, and only their love for their God trumps all else. Within *The Ambiance of Victoria*, there is the achievement to worth. For two people greatly in love, the eventual quality of triumph and achievement becomes reality. The above aspects are told from a unique perspective. The lives of two individuals are shaped by the times in

which they live and the commitments adhered to and moved toward There will be the views of many individuals which shape the two main personalities of character And the two main characters certainly shape each other as they themselves shape others As the years come and go they continue to greatly love one another *Could Angels be Blessed* Nancy Kiefer,1995
