Marriage And Other Alternatives

G.E. Wiersma

Marriage And Other Alternatives:

Marriage and Its Alternatives Lucile Duberman, 1974 **The Morality of Marriage, and Other Essays on the Status and Destiny of Woman** Mona Caird, 1897 These essays examine marriage and the family and challenge the right of men to dominate women **Cohabitation, an alternative to marriage?** G.E. Wiersma, 2012-12-06 1 BACKGROUND In the last ten years there has been much popular discussion and also a great scholarly interest in the so called alternative lifestyles 1 ESpecially since the late 1960s a diversity of lifestyles other than the nuclear family began to emerge according to demographic changes in household compositions during the past decade US Bureau of Census 1979 Centraal Bureau voor de Statistiek 1930 One lifestyle non marital cohabitation has increased most dramatically during the last ten years and is the subject of this study The term cohabitation will be used exclusively throughout the remainder of this study to refer to heterosexual couples who are living together without being married legally Despite its recent rapid increase one should not overlook the fact that cohabitation in comparison with legal marriage remains an alternative practiced by a minority of the couples at any point in time For the Netherlands it is estimated that 7 percent of all couples are living together unmarried and 93 percent are married Straver 1981 This cohabitation rate is about twice as low when compared to rates in countries like Sweden and Denmark where they are 16 percent the highest rate in Europe and 13 percent Trost 1979 but still about twice as high when compared to the 3 percent estimate for the United States Macklin 1980 **The Psychology of Romantic Relationships** Ami Rokach, Erez Zverling, Ami Sha'ked, 2025-08-01 Psychology of Romantic Relationships delves into the myriad factors that contribute to successful relationships Starting with Intimacy in Romantic Relationships the book unveils new facets of the complex dynamics underpinning successful marriages From the pivotal role of communication and trust to the delicate balance of gratitude and forgiveness each chapter provides insightful knowledge to understand and enhance marital bonds Furthermore the book covers additional essential aspects such as the importance of mutual respect the role of shared activities in bonding and the impact of individual growth on relationship harmony It is a must read for psychologists therapists and anyone interested in the intricacies of love Combines theoretical insights with real world applications Reviews what constitutes a marriage including trust attitudes and control Outlines the key factors that contribute to the problems and obstacles in an intimate relationship **The Law of Marriage and Marital Alternatives** William J. O'Donnell, David Arthur Jones, 1982 **The Alternative Wedding Book** Alternatives Alternatives, Alternatives, 1995 Create a beautiful wedding that reflects your values and doesn't cost the earth *The Millennial Marriage* Brian Willoughby, 2020-11-29 This essential text explores the concept of Me Marriage a marital relationship that blends individualized life goals and interests and draws from research on the current benefits and costs of marriage to consider how to achieve success both individually and relationally Chapters explore the larger patterns at play and identify the trends about what a modern healthy marriage looks like for this new generation Brian J Willoughby combines a review of the latest social science research on the benefits and costs of

marriage with new quantitative and qualitative data from married and single adults The book explores how marriage has fundamentally shifted in the Western world due to the changing values and approaches to relationships by the Millennial generation that is now largely transitioning to marriage This book is an ideal text for clinicians and practitioners particularly those working with young married populations looking for guidance on how to understand the increasingly complex ways that adults are navigating their relationship landscape as well as students and scholars in the fields of psychology family studies and sociology and those interested in individual development relational development and demographic trends on the family

'Til Death Do Us Part Jeanette C. Lauer, Robert H. Lauer, 1986 Three couples happily ever after Is marriage obsolete Enduring is not enough 'Til death do us part the role of commitment To love and to honor The two become one dilemma or opportunity Conflict how to engage in good fighting Nowhere to somewhere avoiding the ruts What is more important

The Cambridge Handbook of Social Problems: Volume 1 A. Javier Treviño, 2018-03-22 The introduction of the Affordable Care Act in the United States the increasing use of prescription drugs and the alleged abuse of racial profiling by police are just some of the factors contributing to twenty first century social problems The Cambridge Handbook of Social Problems offers a wide ranging roster of the social problems currently pressing for attention and amelioration Unlike other works in this area it also gives great consideration to theoretical and methodological discussions This Handbook will benefit both undergraduate and graduate students eager to understand the sociology of social problems It is suitable for classes in social problems current events and social theory Featuring the most current research the Handbook provides an especially useful resource for sociologists and graduate students conducting research

Why Liberals and Conservatives Clash Bruce Edward Fleming, 2006 This book offers an explanation for the extreme polarization between liberal and conservative that is the hallmark of the American political landscape today

Legalizing Plural Marriage Mark Goldfeder, 2017-06-06 Offers a legal and historical context for reforming family law and legalizing plural marriage

Gay Marriage Jonathan Rauch, 2005-02 Argues that gay marriage is beneficial to the health of marriage as an institution and describes the reasons why marriage is vital to society how gay marriage would work in the real world and why the states should decide the issue of gay marriage

The Law and Economics of Marriage and Divorce Bob Rowthorn, 2002-03-04 What sort of contract is marriage What does it offer the parties What are the difficulties of enforcement and the result of failed effective enforcement This book takes an economic approach to marriage and divorce considering the key role of incentives in family law it highlights the possible adverse consequences emanating from faulty legal design while demonstrating that good family law should provide incentives for consistent and honest behavior Economists specialists in the economic analysis of law and academic lawyers discuss recent advances in specialist work on marriage cohabitation and divorce Chapters are grouped around four topics the contractual perspectives on marriage commitment the regulatory framework surrounding divorce bargaining and commitment issues relating to marriage and near marriage arrangements and finally empirical work which

focuses on the impact of more liberal divorce laws This important new study will be of considerable interest to lawyers policy makers and economists concerned with family law **A Selection of Leading Cases in Equity** Frederick Thomas White,Owen Davies Tudor,1910 **Family, State and Social Policy** Lorraine Fox Harding,1995-12-13 Family State and Social Policy brings together two important themes the changing nature of the family and the relationship between family and state as it is expressed in social policy The book explores and clarifies the significance both of family change for policy and of policy for families outlining models that can be used in order to understand the state s approach and response to families No-fault Divorce Allen M. Parkman,2019-03-04 Since 1970 all the states adopted no fault divorce statutes which have had the unexpected effect of producing dire financial conditions for many divorced women and their children In this important study economist and lawyer Allen Parkman shows how no fault divorce has systematically operated against the interests of these women and children With rare economic and legal insight Parkman argues that by changing the grounds for divorce without changing the laws that define and allocate property at divorce the legal system created substantial injustices The key mistake he suggests was in accepting a definition of property that did not include the income earning capacity human capital of the individuals involved Using human capital theory Parkman criticizes current divorce law and presents a framework for reform that would reduce the injustices introduced by no fault divorce He concludes that a thorough reform however may require the changing of the grounds for divorce to mutual consent This book is essential reading for scholars professionals and indeed for anyone interested in the health and future of the family and the well being of women in contemporary U S society Routledge Handbook of Family Law and Policy John Eekelaar,Rob George,2020-07-26 Changes in family structures demographics social attitudes and economic policies over the last 60 years have had a large impact on family lives and correspondingly on family law The Second Edition of this Handbook draws upon recent developments to provide a comprehensive and up to date global perspective on the policy challenges facing family law and policy round the world The chapters apply legal sociological demographic and social work research to explore the most significant issues that have been commanding the attention of family law policymakers in recent years Featuring contributions from renowned global experts the book draws on multiple jurisdictions and offers comparative analysis across a range of countries The book addresses a range of issues including the role of the state in supporting families and protecting the vulnerable children s rights and parental authority sexual orientation same sex unions and gender in family law and the status of marriage and other forms of adult relationships It also focuses on divorce and separation and their consequences the relationship between civil law and the law of minority groups refugees and migrants and the movement of family members between jurisdictions along with assisted conception surrogacy and adoption This advanced level reference work will be essential reading for students researchers and scholars of family law and social policy as well as policymakers in the field **A Selection of Leading Cases in Equity with Notes** Frederick Thomas White,Owen Davies Tudor,J. I. Clark

Hare,H. B. Wallace,2025-08-13 Reprint of the original first published in 1877 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Islam, Media and Education in the Digital Era Atie Rachmiate,Ike Junita Triwardhani,Alhamuddin,Cep Ubad Abdullah,2022-03-16 The proceedings of the Social and Humanities Research Symposium SoRes shares ideas either research results or literature review on islam media and education in the digital era Some recent issues consists of innovative education in the digital era new media and journalism islamic education human wellbeing marketing and fintech in terms of islamic perspective economic welfare law and ethics It is expected that the proceedings will give new insights to the knowledge and practice of social and humanities research Therefore such parties involved in social and humanities research as academics practitioners business leaders and others will acquire benefits from the contents of the proceedings **What is The Family of Law?** Alan Brown,2019-02-07 This book argues that the legal understanding of family in the UK continues to be underpinned by the idealised image of the nuclear family premised upon the traditional gendered roles of father as breadwinner and mother as homemaker This examination of the law s model of the family has been prompted by the substantial reforms that have taken place in family law in recent decades and the significant evolution in social attitudes and familial practices that has occurred in parallel Throughout the book the influence of the nuclear family is noted in several different contexts various specific legal definitions of family the legal regulation of adult conjugal relationships the attribution of legal parenthood and the construction of the role of the parent within the law Ultimately this book argues that while these reforms have resulted in additional categories of relationship coming to be situated within the nuclear family model there has not as yet been any fundamental alteration of the underpinning concept of the nuclear family itself This book concludes by considering the possibilities offered beyond the nuclear family exploring the reconceptualising of the legal understanding of family around alternative and potentially radical models of family

If you ally habit such a referred **Marriage And Other Alternatives** ebook that will have the funds for you worth, get the agreed best seller from us currently from several preferred authors. If you want to comical books, lots of novels, tale, jokes, and more fictions collections are as a consequence launched, from best seller to one of the most current released.
