Marriage Enrichment Philosophy Process And Program:

Marriage Enrichment Larry Hof, William Ross Miller, 1981 *Marriage Enrichment* Richard A. Hunt, Larry Hof, Rita DeMaria, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory **Marriage and Family Enrichment** Wallace Denton, 1986 A comprehensive overview of the history present status and future directions of the marriage and family enrichment movement *The SAGE Encyclopedia of Marriage, Family, and Couples Counseling* Jon Carlson, Shannon B. Dermer, 2016-09-15 The SAGE Encyclopedia of Marriage Family and Couples Counseling is a new all encompassing landmark work for researchers seeking to broaden their knowledge of this vast and diffuse field Marriage and family counseling programs are established at institutions worldwide yet there is no current work focused specifically on family therapy While other works have discussed various methodologies cases niche aspects of the field and some broader views of counseling in general this authoritative Encyclopedia provides readers with a fully comprehensive and accessible reference to aid in understanding the full scope and diversity of theories approaches and techniques and how they address various life events within the unique dynamics of families couples and related interpersonal relationships Key topics include Assessment Communication Coping Diversity Interventions and Techniques Life Events Transitions Sexuality Work Life Issues and more Key features include More than 500 signed articles written by key figures in the field span four comprehensive volumes Front matter includes a Reader's Guide that groups related entries thematically Back matter includes a history of the development of the field a Resource Guide to key associations websites and journals a selected Bibliography of classic publications and a detailed Index All entries conclude with Further Readings and Cross References to related entries to aid the reader in their research journey **Intimate Couple** Jon Carlson, Len Sperry, 2013-06-17 As important as intimacy is in our personal and professional lives intimacy as a theoretical and clinical factor still remains a phenomenon Contributors to this work examine the many definitions of intimacy putting forth a provocative discussion of the multi faceted topic and offering the best possible clinical methods of creating intimacy and addressing its challenges **Focused Genograms** Rita DeMaria, Gerald R. Weeks, Gerald Weeks, Larry Hof, 2013-06-17 The interpersonal relationships that make up family life are a complex web between many individuals spanning several generations at one time This web is further complicated by the influence of other factors such as culture and gender It can be a daunting task for a therapist to unravel this tangle and understand the specific dynamics and individual development within the family The Multifocused Family Genogram MFG is a powerful tool that allows the therapist to record and structure these different elements that make up the family system By combining the Basic Genogram the Family Map and several Focused Genograms the MFG provides a clear picture of dynamic family history that aids in individual and family assessment Focused Genograms provides a thorough account of the use of MFGs in family therapy and practice The authors present a clinically

useful method for collecting the information in key areas of individual and family functioning needed to create Focused Genograms In addition the authors carefully explain the diagnostic use and therapeutic applications of this tool The book is supplemented by extensive examples of Focused Genograms Family Maps and Time Lines used in MFG construction Suggested readings listed at the close of each chapter provide links between techniques fully described in the book and other therapeutic techniques beyond the scope of this work A thorough presentation of innovative methods for using Focused Genograms makes this an important text for students of marriage and family therapy as well as an indispensable resource for professionals

Christian Marital Counseling Everett L. Worthington, 2000-10-03 Everett Worthington provides a Christian perspective and biblically based theory of marriage and marriage counseling With an analysis of the individual the couple and the family Everett uses techniques drawn from several psychological schools of thought combined with solid biblical principles to help guide counselors through the process of intervention assessment and implementation of methods for change

Family Life Education Lane H. Powell, Dawn Cassidy, 2006-08-15 Contemporary family life educators must operate in a wide range of settings and with increasingly varied populations and families In the second edition of their successful Family Life Education Powell and Cassidy expertly expose readers to the diverse landscape of the field while laying a comprehensive practical foundation for future family life educators The authors both CFLE certified consider the Certified Family Life Educator certification requirements of the National Council on Family Relations throughout the text Their broad overview of the field features a blend of theory and practice with full chapters on sexuality education marriage education and parent education areas that have received evaluation and certification attention A new chapter on global trends builds awareness and appreciation of diversity through interactive classroom exercises Each chapter in the book concludes with discussion questions research problems independent study activities and case study suggestions all designed to challenge readers to think for themselves

Preventive Approaches in Couples Therapy Rony Berger, Mo Therese Hannah, 2013-06-17 Preventive Approaches in Couples Therapy is the first thorough overview of the leading approaches to preventing marital distress and dissolution Written for professionals paraprofessionals and lay people involved in the development and implementation of preventive programs the editors have created a resource accessible to all those in the field of couples therapy The volume serves as an important resource for programs that the therapist may already use and as an insightful introduction into new programs that can strengthen and invigorate these existing therapeutic approaches

Sourcebook of Family Theories and Methods Pauline Boss, William J. Doherty, Ralph LaRossa, Walter R. Schumm, Suzanne K. Steinmetz, 1993-03-31 Origins We call this book on theoretical orientations and methodological strategies in family studies a sourcebook because it details the social and personal roots i e sources from which these orientations and strategies flow Thus an appropriate way to preface this book is to talk first of its roots its beginnings In the mid 1980s there emerged in some quarters the sense that it was time for family studies to take stock of itself A goal was thus set to write a book that like

Janus would face both backward and forward a book that would give readers both a perspective on the past and a map for the future There were precedents for such a project The Handbook of Marriage and the Family edited by Harold Christensen and published in 1964 the two Contemporary Theories about the Family volumes edited by Wesley Burr Reuben Hill F Ivan Nye and Ira Reiss published in 1979 and the Handbook of Marriage and the Family edited by Marvin Sussman and Suzanne Steinmetz then in production

Integrative Solutions Gerald R. Weeks, Larry Hoff, Martha with Turner, Bonnie Bellamy Howard, 2013-10-28 First published in 1996 This book presents a problem solving model of marriage and couples therapy called the Intersystem Model which assesses and treats couples problems from individual interactional and intergenerational perspectives The authors address problems of commitment intimacy anger and conflict and the complexities relating to the treatment of depression addictions and extramarital sexuality marital adjustments to aging and problems of inhibited sexual desire They suggest techniques therapists can use to resolve problems that may occur in couples therapy and ways couples can move toward a higher level of functioning and personal growth

Working with Couples for Marriage Enrichment Diana S. Richmond Garland, 1983

The Marital-Relationship Therapy Casebook Gerald Weeks, Larry Hof, 2013-08-21 The Marital Relationship Therapy Casebook is a volume of in depth cases that exemplify state of the art couple therapy It is based on the highly respected work of the Marriage Council of Philadelphia one of the oldest training and treatment centers in the U S that has been exclusively devoted to couple and marital therapy The book clearly demonstrates through 10 clinically rich case studies the Marriage Council's Intersystem Model Readers will benefit greatly from this model a multi level comprehensive integrative and contextual approach Its success stems from the belief that it is essential to fit the therapy to the client system rather than the client system to the therapy The model will allow readers to systematically add to techniques they already use providing a highly flexible system that offers the therapist varied ways to approach problems The case studies reflect the unique skills and therapeutic stance required for effective couple therapy The book describes how to conceptualize and treat couples and illustrates step by step the intricate process of doing couples work according to the Intersystem Model It repeatedly emphasizes the importance of not pathologizing one partner at the expense of the other and of being ever vigilant of the interlocking nature of each partner's personality interactional style intergenerational history and sometimes pathology in the relationship The Marital Relationship Therapy Casebook is a continuation of the theories of the Intersystem Model presented in Treating Couples and Couples in Treatment This current volume will continue to provide couples and marital therapists with the wisdom of some of the finest practitioners in the field

Building Intimate Relationships Rita DeMaria, Mo Therese Hannah, 2013-08-21 The PAIRS course acts as a kind of bridge between marriage education and therapy working both with couples in healthy relationships hoping to improve intimacy and with distressed couples trying to save their marriages Building Intimate Relationships is an edited work with contributions from the creator of the PAIRS program and the most experienced PAIRS leaders It describes the elements of the PAIRS course and discusses

the application of the theories and techniques taught in the PAIRS program Chapters include discussions on intimacy communication conflict resolution emotional literacy sensuality and sexuality spirituality and gender issues Treating Couples Gerald R. Weeks,2013-05-24 In some ways the development of the theory and practice of marital therapy seems like a relative newcomer to those clinicians who practice systems therapy Most of the books in the field stress the total family as the unit of treatment in terms of understanding the dynamics of family interactions and intervention techniques For the past 15 or 20 years clinicians interested in systems work sought training in family therapy programs and at family therapy workshops This training led to a dramatic shift in the practice of psychotherapy away from the individual as the unit of treatment to the family Much less emphasis has been given to the marital dyad or couple as the unit of treatment

Integrating Sex And Marital Therapy Gerald R. Weeks,2013-06-20 The field of sex therapy has experienced tremendous growth in the last 20 years The use of the term sex therapy for most clinicians brings several well known therapists to mind and is associated with the treatment of a fairly limited number of sexual problems The view of sex therapy as a profession has had both positive and negative consequences The editor s state that the purpose in writing and editing this book was to build on the work of individually oriented sex therapy by adding the systems perspective This book then represents an attempt at the integration of sex and marital or systems therapy **Psychoeducational Approaches to Family Therapy and Counseling** Ronald F. Levant,1986 *Handbook of Family Therapy* Mike Robbins,Tom Sexton,Gerald Weeks,2004-03-01 This new Handbook of Family Therapy is the culmination of a decade of achievements within the field of family and couples therapy emerging from and celebrating the dynamic evolution of marriage and family theory practice and research The editors have unified the efforts of the profession s major players in bringing the most up to date and innovative information to the forefront of both educational and practice settings They review the major theoretical approaches and break new ground by identifying and describing the current era of evidence based models and contemporary areas of application The Handbook of Family Therapy is a comprehensive progressive and skillful presentation of the science and practice of family and couples therapy and a valuable resource for practitioners and students alike *Using Workbooks in Mental Health* Luciano L'Abate,2014-01-14 The use of workbooks in therapy might represent one of the biggest breakthroughs that has occurred in decades *Using Workbooks in Mental Health Resources in Prevention Psychotherapy and Rehabilitation for Clinicians and Researchers* examines the effectiveness of mental health workbooks designed to address problems ranging from dementia and depression to addiction spousal abuse eating disorders and more Compiled by Dr Luciano L Abate a leading authority on mental health workbooks this resource will help clinicians and researchers become aware of the supportive evidence for the use of workbooks *Using Workbooks in Mental Health* examines workbooks designed to specifically help clients affected by dementia or depression abused women gambling addicts women who have substance abuse addictions incarcerated felons couples preparing for marriage children with school refusal disorder and more An

essential reference for mental health professionals graduate students administrators and researchers Using Workbooks in Mental Health also explores the role of workbooks in psychological intervention over the past decade Although workbooks are not yet part of the mainstream of psychological intervention they are growing in popularity as their many advantages are recognized They are easy to use by almost any client they are cost effective to both therapist and client in terms of money and time they provide therapists with written assignments to use as homework for individuals couples and families and they can be used in any setting especially in computer assisted offline or online interventions In addition this book shows how workbooks can be used to administer therapy to previously unreachable clients such as people who are reluctant to talk to an authoritative figure or a stranger people who cannot afford face to face treatments incarcerated offenders who have not been helped by talk therapies Internet users who are searching for help via computer rather than in person The Handbook of Marriage and Marital Therapy G. Pirooz Sholevar,2013-11-11

Eventually, you will enormously discover a supplementary experience and skill by spending more cash. still when? accomplish you consent that you require to get those all needs with having significantly cash?
