The Grace Marriage Brad Rhoads,Marilyn Rhoads,2023-05-02 We live in a performance based world but happy and hope filled marriages thrive on grace Marriage was God s idea so we know He designed it to be very very good But why do most marriages look disengaged unappealing or at best a bit stagnant For Brad and Marilyn the honeymoon was over before the honeymoon was even over Both found themselves disillusioned and disappointed But a revelation of God s grace transformed their hearts and relationship Showing your spouse the same grace Christ has showed you liberates you to walk in freedom and fullness of joy If you want your marriage to reflect the vibrancy creativity and oneness God intends you must show proactive ongoing investment This book is an essential resource for couples who desire to thrive not just survive and who want a marriage that showcases the grace of God to the watching world On This Rock I Will Build My Temple Larry Jiracek,2017-08-24 Man s plans and God s plans seldom match up Example man wants to rebuild the original temple on the original site One problem something is occupying that location only the second holiest site in the Muslim faith Dome of the Rock By using the fog of war a top secret plan of the Israeli government can have this problem removed Plus give them the ordained right to reconstruct the temple Before this plan can be put in to action several things need to line up First the temple cannot be constructed until the priesthood has been established This would require someone to be selected as a high priest Second a large amount of gold will be required to reconstruct all the furnishings required to be placed in the temple This amount is so far above what the Israeli government has Third will the construction of the temple be justification to start a third world war The most important piece of all to make the temple real it needs to have the real Ark Not just a wooden box resembling the description of the Ark But it must be able to display the power that only the Ark can produce The ending of the first book the temple is built and the Ark is placed back in the Holy of Holies But now God s plan as a few changes to make Return to My Mountain is the command that the angel Metatron gives to the high priest To return the Ark back to the sacred mountain in man s mind is a simple command Now the rest the story he must also bring twelve leaders of the major

Trenkle,Doni L. Trenkle,2012-05-17 In these days it appears that evil is triumphant It seems as though the bad guy is even being rewarded for craftiness Decisions are no longer based upon biblical or moral principles but rather on personal benefit and profitability The effects of these decisions reach to the very core of our society causing divisions and grief in our families our relationships and our jobs This seems to be especially true in the world we live in today In *Abide in Me* we are taking AIM at the root of this calamity *Abide in Me* contains stories about the authors own life which left him wondering Why me The stories demonstrate how a person can turn or be turned 180 degrees from the path he was created to walk and find his way back We have all experienced trials Perhaps we have made personal or selfish decisions which seem to have had disastrous effects on ourselves and those around us At this point in your life you may even be thinking there is no hope because of what you have done Your past does not define you Hope for your future is possible but there are necessary steps you must be willing to take Joel Trenkle has gone from diving in dumpsters to doctor but not on his own strength You can find refreshing new meaning and purpose for your life in this book *Interpreter: A Journal of Mormon Scripture, Volume 25 (2017)* Mark J.
