Marriage on the

Rock J. S. Parker, 2017-01-07 Do you often think about how incredible your relationship used to be and wish for a return to it Well look no further This is a book specifically written with the purpose of helping you reignite the FIRE in your relationship Once you've learned the 5 easy to follow steps and applied them to your relationship you'll discover how much it will transform your life in other areas as well You'll have more energy less stress greater confidence and a noticeable glow It's never too late to kick up the heat and create more intimacy and fun with your partner We'll show you how to use creative tools and loving strategies to transform your love life from boring to blockbuster It's an extreme make over but it doesn't come with a huge cost All it will cost you is a little effort and a lot of desire and the rewards will be well worth your time invested In fact the discoveries and practice will build a heat all their own for you and your partner to enjoy A whole new world of self discovery will open you up to new pleasures you may never have experienced and sharing these with your partner will keep the flame alive You'll be tempted to stop reading and start immediately applying them to your love life As a

tip you can practice each step as you continue to move to the next building the heat with every chapter When others comment on the changes in you just tell them you got some Key information that has changed your life Marriage on the Rock-Lg ,1996-08-01 *Marriage on the Rock* Ron Perry,2015-07-28 Marriage on the Rock is based on Psalm 127 verse one which says Unless the Lord builds the house its builders labor in vain It is a daily devotional providing guidance for most marital circumstances The book is based on Biblical principles ones that should serve Christians well However if the principles are true which I believe they are people need not be practicing Christians to improve their marriage Even the strongest marriages can benefit from periodic reminders of how they can demonstrate their love and respect for one another As a counselor I saw far too many couples who had been married for ten to forty years they had amassed such bitterness and unforgiveness that they could not move past the hurt and pain that they had inflicted on one another By the time couples came to see me they were usually certain their spouse was the primary cause They had little hope that things would change Some had even tried counseling at some point but failed to apply what they learned Each person needs to accept their contribution to the state of their marriage Each needs to be willing to change whether or not their spouse is willing for we can only change ourselves In most cases the culprit is self centeredness When we learn to die to self amazing things can happen
