

A man and a woman are shown in profile, leaning over a table outdoors. They are both drinking from a single glass of pink smoothie using two separate straws. The man is on the left, wearing a light blue button-down shirt. The woman is on the right, wearing a white t-shirt. The background is a bright, out-of-focus green field under a clear sky. The image has a white border.

Copyright Office,1978 Family and Succession Law in Germany Saskia Lettmaier,Moritz-Philipp Schulz,2022-02-21 Derived from the renowned multi volume International Encyclopaedia of Laws this concise exposition and analysis of the essential elements of law with regard to family relations marital property and succession to estates in Germany covers the legal rules and customs pertaining to the intertwined civic status of persons the family and property After an informative general introduction the book proceeds to an in depth discussion of the sources and instruments of family and succession law the authorities that adjudicate and administer the laws and issues surrounding the person as a legal entity and the legal disposition of property among family members Such matters as nationality domicile and residence marriage divorce and cohabitation adoption and guardianship succession and inter vivos arrangements and the acquisition and administration of estates are all treated to a degree of depth that will prove useful in nearly any situation likely to arise in legal practice The book is primarily designed to assist lawyers who find themselves having to apply rules of international private law or otherwise handling cases connected with Germany It will also be of great value to students and practitioners as a quick guide and easy to use practical resource in the field and especially to academicians and researchers engaged in comparative studies by providing the necessary basic material of family and succession law *Honour Killings and Criminal Justice* Ferya Taş-Çifçi,2020-03-06 Despite recent reforms to the Turkish Penal Code the country retains a high level of honour based violence This book analyses the motives behind honour based violence in Turkey and examines the criminal justice system s approach to this type of crime The work takes a socio legal approach to explore the concepts of honour patriarchy and hierarchy along with the roles of culture and tradition It also examines how the legal system deals with this phenomenon focusing on the decisions of the criminal courts in honour killing cases and drawing on prisoner interviews These analyses show the extent to which the State follows a patriarchal approach when dealing with honour killings and inform recommendations for improving the legal and criminal justice system so as to deter crimes of this nature

Challenging Norms Heidi Hein-Kircher,Elisa-Maria Hiemer,Denisa Nešťáková,2025-06-01 Access to reproductive

healthcare including abortions and family planning services remains a deeply polarizing issue within contemporary Eastern Europe Originally a question reserved for couples this topic has since been elevated to the public realm through the emergence of modern nation states Challenging Norms offers a geographically wide ranging re examination of family planning in twentieth century Eastern Europe interrogating the relationship between social attitudes to family planning and the forces of social economic and political modernization In doing so this volume highlights how these changes provide invaluable insights into ever evolving societal norms and values

Designing Ubiquitous Information Environments: Socio-Technical Issues and Challenges Carsten Sørensen, Youngjin Yoo, Kalle Lyytinen, Janice I. DeGross, 2006-01-17 This book records one of the continuous attempts of the IFIP Working Group 8.2 studying the interaction of information systems and the organization to explore and understand the shifting boundaries and dependencies between organizational activities and their computer support The book marks the result of the IFIP WG 8.2 conference on Designing Ubiquitous Information Environments Socio Technical Issues and Challenges Since its inception in the late 1970s IFIP WG 8.2 has sought to understand how computer based information systems interact and must be designed as an integrated part of the organizational design At that time information systems handled repetitive and remote back office functions and the main concern was work task design for repetitive input tasks and the potential impact of improved information support on organizational decision making and structure The focus of the information system design shifted in the 1980s when computers became part of the furniture and moved into the office Reflecting this significant change IFIP WG 8.2 in 1989 organized a conference dedicated to the design and impact of desktop technology in order to examine how organizational processes and the locus of action changed when the computer was moved into the office Sixteen years later we are experiencing another significant change Computers are now becoming part of our body and sensory system and will move out of the traditional office locations and into the wilderness Again IFIP WG 8
