What God Hath Joined Together Kevin Rhodes, 2009-11-01 Marriage was begun by God designed by God and leads to the greatest happiness when couples listen to God You will never find two perfect people which is why you must listen to a perfect God if you want the perfect marriage PRECEPTS Thoroughly biblical while addressing a variety of issues couples face in real life Illustrates how decisions before marriage greatly affect the marriage Provides a biblical perspective for often cited counseling approaches A balanced view of the responsibilities of husbands and wives PROMISE The reader will gain an appreciation for God s wisdom in His plan for marriage The reader will better understand his or her spouse s point of view The reader will understand intimacy in the greater context of marriage The reader will learn to respect God and his or her spouse more within the marriage Contents Chapter 1 Introduction Beginning with a discussion of the ground rules for husbands and wives to discuss their marriage this opening chapter is designed to introduce the biblical nature of marriage the practical implications of marriage how

expectations can be our enemy in marriage how and when to evaluate your marriage and then ultimately why everyone should want a happy marriage

Chapter 2 The Right Reasons for Marriage This chapter discusses the reasons provided in the Bible for marriage showing the importance of each one and then proceeds to illustrate why a marriage begun for the wrong reasons can lead to real problems later on

Chapter 3 Preparing for Marriage While many people spend months planning for a wedding they rarely spend much time preparing themselves for marriage However strong marriages begin with people who have prepared their character long before marriage people who had standards for whom they would marry and kept to them people who recognized that married life is different that many would change significantly and that the unexpected might become normal Most of all people must learn to prepare themselves for the commitment that marriage requires Without these things it is no wonder that couples have problems

Chapter 4 The Problem Free Marriage Part One While the nature of what two people might argue about or what might drive them apart will be different depending upon their background and circumstances we can be sure that problems arise in any marriage Therefore marriage is not about avoiding problems which is impossible but about confronting them properly The place to start of course is by knowing what potential problems lurk out there so that you can prepare to meet and overcome them together

Chapter 5 The Problem Free Marriage Part Two Unfortunately there are a LOT of potential problems which means additional discussion

Chapter 6 The Importance of Character in Marriage Young couples often approach marriage as if saying I do in front of people makes you grow up immediately Instead couples should know that marriage does not necessarily mature people but that only mature people should get married Marriage requires constancy on some things and flexibility on others Maturity helps you tell which one is needed when Marriage requires unselfishness and good communication skills as well as the right attitude when things do not go your way Marriage therefore works best when both husband and wife are faithful Christians submitting first to God s will so that they are prepared to work together to fashion their marriage according to God s will Since some people have trouble determining when they are truly prepared I suggest asking five specific questions whenever you are considering marriage

Chapter 7 Roles in Marriage While a discussion of the roles the Bible gives for husbands and wives is not necessarily politically correct it is essential for a strong marriage But more than this it is important for couples to understand these roles in a deeper way instead of believing the caricature

A 2020 Vision in a Christian Marriage Dr. Henry L. Townsend, Susan M. Townsend, 2021-04-23 This marriage series is focused on a 2020 vision of the past present and future ramifications of marriage and family in Christian living Faith is emphasized in order to help the readers gain a greater understanding of the precepts that lead to a stronger marriage The principles used in this outline are applied to make it real as it relates to the husband and wife siblings parents and children and how they all relate The authors bring nearly 50 years of experience living and participating in an active role of Christian development in marriage There are many discussions questions and activities which may or may not be gender specific that relate to scripture This series may lead to questions with contrasting

viewpoints that will contribute to a broader more insightful way of thinking of how we view ourselves as Christians in marriage The entire series is written with the understanding that prayer in all topics and issues presented is all encompassing and is the first and last option to the success of all elements of marriage and family

One Flesh Joe Fogle, 2007-05-05 On the sixth day of creation God formed Adam from the dust of the earth God then formed Eve from Adam's side From this day forward man was to leave his father and mother and cleave to his wife The two are joined together by God in a permanent one flesh relationship After man fell the sins of adultery fornication polygamy and divorce altered God's intention for marriage This was true of those both outside and inside God's covenant community By the time the Lord Jesus Christ came in the flesh the traditions of Judaism had either changed or nullified God's command for marriage The Lord Jesus Christ came and stated God's original intent for marriage

- 1 Permanence The husband and wife are one flesh They are permanently joined in a covenant relationship for life No person has the legal or moral authority to end what God has joined together No sin or legal document can dissolve the one flesh bond
- 2 Forgiveness This is Christ's emphasis in dealing with sin When one spouse fails the love of Christ compels the other to forgive Hardness of heart is the cause of unforgiveness and results in divorce Because of the biblical teachings of Jesus and Paul the early church held to the permanence of marriage Over the centuries Christ's commands on the permanence of marriage have been either changed or nullified They have been replaced with the traditions of men In theory Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them In practice many evangelical Christians are divorcing and remarrying for almost any reason The Lord Jesus Christ taught God's original intentions regarding forgiveness and divorce The Word of God has not changed What God has joined together let no man separate Mark 10:9

Christian Marriage and Family Michael G. Lawler, William P. Roberts, 1996 A definite shift in the Catholic Church's understanding of marriage took place at Vatican Council II Rather than perceiving marriage as a contract whose primary purpose was the procreation of children the council spoke of marriage as an intimate partnership of life and love Then recapturing an earlier tradition it went on to describe the family as a domestic church In this book seven theologians who have lectured and written extensively on marriage probe the rich theology of marriage and family that emerged from Vatican II and explore some of the implications that flow from this theology Part One reflects on the sacramentality of marriage and on the family as a church of the home Part Two examines the pastoral implications this has for marital and family ministry and spirituality
