Marriage Makeover:

Marriage Makeover Barbara Bartlein, 2011-10-07 Trying to put the spark back in your most important relationship Bartlein offers practical tips and insights into building a stronger relationship through everyday acts of love and kindness Couples often wonder how they can improve their marriages and may invest considerable time and effort in classes counseling and encounter weekends to find the answers More often though they do nothing They settle into a daily routine that is busy and demanding with little time to think about let alone implement improvements to their marriage Couples report We simply grew apart or We no longer enjoy the same things or We just did not have time for each other They drift through their busy lives putting marriage on the back burner They are then surprised when it fizzles out This is unfortunate because as Bartlein reveals with just a little effort you can create experiences that weave together to strengthen enhance and grow your marriage almost effortlessly *The Marriage Makeover* G. Michael Saunders, 2011-12 How is your marriage Is it everything you hoped it would be Is it the happy successful fulfilling relationship that God promises it will be in His Holy Scriptures If we are honest no matter how good our marriages are we have to admit that marriage did not live up to our expectations The good news truth though is that our marriages can be everything that God promises and that truth is based on these very promises of God There are things we need to know understand and act on in order for God's promises to come true in our lives and that is what this book is about helping you to know how to take your marriage and make it all that God promises your marriage can be in His Word **The Marriage Makeover** Philip Wagner, 2014-03-04 A 10 Day Plan to Turn Around Your Marriage Does the idea that you could have a complete marriage makeover in ten days seem simplistic to you Does it seem like an impossibility Do you think I'm overpromising or trivializing what you are facing You might be thinking Philip do you really think people can solve any marriage problem in ten days Give me a break Here is what I know in ten days you can radically change the environment of your marriage from hostile to trusting from cold to warm or from distant to embracing In ten days you can drastically change the tone of your relationship and you can create the environment in which any problem can be worked on in a safe and promising atmosphere Whether you are here because you have run a few red lights in your relationship or because it's a total wreck I want to welcome you and offer you this simple encouragement You can turn your marriage around You don't have to do something terrible to mess up your marriage you just have to do nothing Something as important as love left to itself can gravitate to the lowest level of passion In *The Marriage Makeover* I am going to give you ideas for refreshing ten different areas of your marriage relationship I've structured the book with ten short chapters so that you can read one each day This works It is simple the chapters are not long and the advice is not complicated But that does not mean it is easy Growth demands vulnerability and trust You will experience uncomfortable emotions You will face resistance You may even question if you are getting anything out of this process but if you give the biblically based truths in this book a chance I guarantee you will see a change Put your heart and soul into this and you will
