Dictionary of African Biography Emmanuel Kwaku Akyeampong, Professor Henry Louis Gates, Jr., 2012-02-02 From the Pharaohs to Fanon Dictionary of African Biography provides a comprehensive overview of the lives of the men and women who shaped Africa s history Unprecedented in scale DAB covers the whole continent from Tunisia to South Africa from Sierra Leone to Somalia It also encompasses the full scope of history from Queen Hatsheput of Egypt 1490 1468 BC and Hannibal the military commander and strategist of Carthage 243 183 BC to Kwame Nkrumah of Ghana 1909 1972 Miriam Makeba and Nelson Mandela of South Africa 1918

The Lion and the Springbok Ronald Hyam, Peter Henshaw, 2003-05-15 The Lion and the Springbok presents an account of the dynamics and divergences of the uneasy special relationship of Britain and South Africa From the bruising experience of the South African War 1899 1902 to South Africa s withdrawal from the Commonwealth in 1961 the authors chart this relationship in all its political economic cultural and geostrategic aspects All the major disputes are discussed including the struggle for the High Commission Territories the crisis over Seretse Khama s marriage and the transfer of the Simon s Town

naval base These issues trace for the most part a continuing deterioration in relations as Afrikaner nationalist identity hardened and South African politics slid into the extremes of apartheid The perceptions each side had of the other after 1948 are examined through representations in the media and an epilogue considers the reasons for the return of the New South Africa to the Commonwealth in 1994

The New A-Z of Empire C. Brad Fought, 2011-05-30 The British Empire especially in its late Victorian heyday spanned the world and linked a quarter of world's population to Britain through a shared official allegiance to the Crown In the long history of empires the British imperial state was among the most powerful ever and a major global player A New A Z of Empire catches the current burgeoning interest in empires and covers over 400 years of British imperial history from the founding of the East India Company in 1600 to the First and Second British Empires the time of High Empire following the War of American Independence the unprecedented expansion of the Scramble for Africa the development of Dominion Status and the history often turbulent of decolonization and the growth of Commonwealth The 400 plus entries include a rich panoply of individuals territories treaties politics the law diplomacy war and peace administration business and commerce exploration literature art literature and scholarship Readers will find a mine of fascinating factual information in concise form with expert historical assessment cross referencing between entries and suggestions for further reading The valuable time line is essential to pick through the long period of complex history and links to key web resources are provided A New A Z of Empire is an indispensable tool for the scholar and student and for the general reader interested in the rich history of the British Empire a story of obscure foundation leading to dominance over a huge swathe of the globe now represented by mere pinpricks on the world map

Modern Representations of Sub-Saharan Africa Lori Maguire, Susan Ball, Sébastien Lefait, 2020-11-11 This book examines how representations of African in the Anglophone West have changed in the post imperial age The period since the Second World War has seen profound changes in sub Saharan Africa notably because of decolonization the creation of independent nation states and the transformation of the relationships with the West Using a range of case studies from news media maps popular culture film and TV the contributions assess how narrative and counter narratives have developed and been received by their audiences in light of these changes Examining the overlapping areas between media representations and historical events this book will be of interest to students and scholars of African Studies and Media and Cultural Studies

Empires of Religion H. Carey, 2008-11-13 A sparkling new collection on religion and imperialism covering Ireland and Britain Australia Canada the Cape Colony and New Zealand Botswana and Madagascar Bursting with accounts of lively characters and incidents from around the British world this collection is essential reading for all students of religious and imperial history

Media and the British Empire C. Kaul, 2006-03-28 The only true history of a country wrote Thomas Macaulay is to be found in its newspapers This book explores how the media shaped and defined the economic social political and cultural dynamics of the British Empire by viewing it from the perspective of the colonised as well as the colonisers

The Foundations of

Anti-Apartheid Rob Skinner, 2010-10-27 Anti apartheid was one of the most significant international causes of the late twentieth century The book provides the first detailed history of the emergence of anti apartheid activism in Britain and the USA tracing the network of individuals and groups who shaped the moral and political character of the movement **Ten African Heroes** Thomas Patrick Melady, Margaret Badum Melady, 2011 This title tells the story of the African leaders who ignited independence in black Africa during the 1960s through the eyes of two Americans who knew them well Patrick van Rensburg Kevin Shillington, 2020-07-01 This sensitive and compelling biography of Patrick van Rensburg does justice to a giant of a man controversial throughout his life but undeniably a hero Born in KwaZulu Natal into what he described as a very ordinary South African family that believed in the virtue of racism Patrick van Rensburg was to become a rebel with several causes In his case they were initially the fight against apartheid and later a unique contribution to education which as he would tell his audience when he accepted the prestigious Right Livelihood Award as I saw it then was a necessary tool of development Exiled from South Africa because of his involvement in the boycott campaign in London that gave birth to the Anti Apartheid Movement Van Rensburg went to Serowe in Botswana then Bechuanaland where he founded co operatives provided vocational training and was one of the earliest people to espouse the discipline of development studies Perhaps his best known legacies were Swaneng Hill School in which he involved his pupils in building their school running it providing their own food and making their own equipment and furniture and brigades to provide an educational home for primary school dropouts through a curriculum that combined theory and practice mental and manual labour This sensitive and compelling biography does justice to a giant of a man controversial throughout his life but undeniably a hero Africans in Britain David Killingray, 2012-12-06 This collection of essays looks at the history of African people in Britain mainly over the past 200 years *Developing Cultures* Lawrence E. Harrison, Peter Berger, 2006-01-13 *Developing Cultures Case Studies* is a collection of 27 essays by a group of leading international scholars on the role of culture and cultural change in the evolution of countries and regions around the world **Black Oxford** Pamela Roberts, 2014-12-02 Oxford University has attracted and produced many of the world's most original thinkers over the centuries It boasts heads of states academics writers actors scientists philosophers and many other luminaries among its alumni On any tour of the University and colleges famous ex students Tony Blair Bill Clinton Margaret Thatcher to name a few are often mentioned but what about its Black scholars The University has a long but little known history of attracting Black scholars from Africa the Caribbean America and even Australia since the matriculation in 1873 of Christian Fredrick Cole who became the first African to practise in an English court He was followed by other outstanding personalities Alain Locke the Father of the Harlem Renaissance and the first Black scholar to be awarded a Rhodes Scholarship in 1907 Kofoworola Moore the first African woman to graduate from the University in 1935 Eric Williams the great historian of the Caribbean who was elected Prime Minister of Trinidad and Tobago Oxford's Black alumni include statesmen lawyers and teachers More recently Oxford educated African American

women have risen to high office in the United States Students from all parts of Africa the Caribbean and the Commonwealth have made significant contributions and left lasting legacies in the fields of politics literature science and the arts Uncovering the stories of prominent and lesser known Black students at Oxford Pamela Roberts reveals a hitherto undocumented strand in the University's history and its relationship with the wider world **Critical Approaches to African Cinema Discourse** Nwachukwu Frank Ukadike, 2014-02-27 Critical Approaches to African Cinema Discourse utilizes an interdisciplinary approach to lay bare the diversity and essence of African cinema discourse It is an anthology of historical reflections critical essays and interviews by film critics historians theorists and filmmakers that signifies a dialogue and engagement apropos the ideology and cultural politics of film production in Africa The contributors are extremely concerned not only with the history of African cinema but with its future and its potential This book then is not limited to the expansion of the discourse on African cinema but tries to approach the definition of the critical canon within the exigencies and manifestations of art and African sociopolitical practices The authors view these practices as an investment in a cultural imperative stemming from the quest to delineate how critical methodologies are derived from and shape contemporary historical and cultural practices Hence the contributions are less about the usual constrictive method of analysis and more about illustrating manifestations of an interrogative critical methodology that is certainly an offspring of an indigenous African critical cum cinematic culture and paradigms

Women and Missions: Past and Present Shirley Ardener, Fiona Bowie, Deborah Kirkwood, 2021-02-25 This collection of essays by eminent anthropologists missiologists and historians explores the hitherto neglected topic of women missionaries and the effect of Christian missionary activity upon women The book consists of two parts The first part looks at 19th century women missionaries as presented in literature at the backgrounds and experience of women in the mission field and at the attitudes of missionary societies towards their female workers Although they are traditionally presented as wives and support workers it becomes apparent that on the contrary women missionaries often played a culturally important role The second and longest section asks whether women missionaries are indeed a special case and provides some fascinating studies of the impact of Christian missions on women in both historical material and a wealth of contemporary material Of particular value is the perspective of those who were themselves objects of missionary activity and who reflected upon this experience Women actively absorbed and adapted the teachings of the Christian missionaries and Western models are seen to be utilized and developed in sometimes unexpected ways

Historical Dictionary of the British Empire Kenneth J. Panton, 2015-05-07 For much of the nineteenth and early twentieth centuries Britain was the dominant world power its strength based in large part on its command of an Empire that in the years immediately after World War I encompassed almost one quarter of the earth's land surface and one fifth of its population Writers boasted that the sun never set on British possessions which provided raw materials that processed in British factories could be re-exported as manufactured products to expanding colonial markets The commercial and political might was not based on any

grand strategic plan of territorial acquisition however The Empire grew piecemeal shaped by the diplomatic economic and military circumstances of the times and its speedy dismemberment in the mid twentieth century was similarly a reaction to the realities of geopolitics in post World War II conditions Today the Empire has gone but it has left a legacy that remains of great significance in the modern world The Historical Dictionary of the British Empire covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Britain

The Patriot Poets Stephen J. Adams, 2018-11-30 Since before the Declaration of Independence poets have shaped a collective imagination of nationhood at critical points in American history In The Patriot Poets Stephen Adams considers major odes and progress poems that address America's destiny in the face of slavery the Civil War imperialist expansion immigration repeated financial boom and bust gross social inequality racial and gendered oppression and the rise of the present day corporate oligarchy Adams elucidates how poets in the nineteenth and twentieth centuries addressed political crises from a position of patriotic idealism and how military interventions overseas in Cuba and in the Philippines increasingly caused poets to question the actions of those in power He traces competing loyalties through major works of writers at both extremes of the political spectrum from the radical Republican versus Confederate voices of the Civil War through New Deal liberalism versus the lost cause propaganda of the defeated South and the conservative isolationism of the 1930s and after the Second World War the renewed hope of Black leaders and the existential alienation of Allen Ginsberg's counter culture Blazing a new path of critical discourse Adams questions why America of all nations has appeared to rule out politics as a subject fit for poetry His answer draws connections between familiar touchstones of American poetry and significant yet neglected writing by Philip Freneau Sidney Lanier Archibald MacLeish William Vaughn Moody Muriel Rukeyser Genevieve Taggard Allen Tate Henry Timrod Melvin B Tolson and others An illuminating and pioneering work The Patriot Poets provides a rich understanding of the ambivalent relationship American poets and poems have had with nation genre and the public

New Ethnicities and Language Use R. Harris, 2006-08-04 The children and grandchildren of South Asian migrants to the UK are living out British identities which go largely unrecognized This book emphasizes their everyday low key Britishness albeit a Britishness with new inflections It is this sensibility that marks them as Brasians

General Hastings 'Pug' Ismay John Kiszely, 2024 A biography of the unsung general at Churchill's side throughout the Second World War instrumental in events from Indian independence to the founding of NATO
