*Marriage and Other Alternatives* Lucile Duberman, 1977      *American Husbands and Other Alternatives* Alexander Black, 1925      **Marriage and Other Alternatives** Lucile Duberman, 1977 About various forms of families and family relationships in the United States      **The Psychology of Romantic Relationships** Ami Rokach, Erez Zverling, Ami Sha'ked, 2025-08-01 Psychology of Romantic Relationships delves into the myriad factors that contribute to successful relationships Starting with Intimacy in Romantic Relationships the book unveils new facets of the complex dynamics underpinning successful marriages From the pivotal role of communication and trust to the delicate balance of gratitude and forgiveness each chapter provides insightful knowledge to understand and enhance marital bonds Furthermore the book covers additional essential aspects such as the importance of mutual respect the role of shared activities in bonding and the impact of individual growth on relationship harmony It is a must read for psychologists therapists and anyone interested in the intricacies of love Combines theoretical insights with real world applications Reviews what constitutes a marriage including trust attitudes and control Outlines the key factors that contribute to the problems and obstacles in an intimate relationship      *The Alternative Wedding Book* Alternatives Alternatives, 1995 Create a beautiful wedding that reflects your values and doesn't cost the earth      *Spaces of Tolerance* Luiza Bialasiewicz, Valentina Gentile, 2019-10-16 This book offers interdisciplinary and cross national perspectives on the challenges of negotiating the contours of religious tolerance in Europe In today's Europe religions and religious individuals are increasingly framed as both an internal and external security threat This is evident in controls over the activities of foreign preachers but also more broadly in EU states management of migration flows marked by questions regarding the religious background of migrating non European Others This book addresses such shifts directly by examining how understandings of religious freedom touch down in actual contexts places and practices across Europe offering multidisciplinary insights from leading thinkers from political theory political philosophy anthropology and geography The volume thus aims to ground ideal liberal democratic theory and at the same time to bring normative reflection to grounded ethnographic analyses of religious practices Such grounded understandings matter for they speak to how religions and religious difference are encountered in specific places They especially matter in a European context where religion and religious difference are increasingly not just securitised but made the object of violent attacks The book will be of interest to students and scholars of politics philosophy geography religious studies and the sociology and anthropology of religion      *'Til Death Do Us Part* Jeanette C. Lauer, Robert H. Lauer, 1986 Three couples happily ever after Is marriage obsolete Enduring is not enough 'Til death do us part the role of commitment To love and to honor The two become one dilemma or opportunity Conflict how to engage in good fighting Nowhere to somewhere avoiding the ruts What is more important      *Cases Decided in the Court of Session, Teind Court, Court of Exchequer and House of Lords* Scotland. Court of Session, 1865 Vols for 1847 48 1872 73 include cases decided in the Teind Court 1847 48 1858 59

include cases decided in the Court of Exchequer 1850 51 included cases decided in the House of Lords 1873 74 include cases decided in the Court of Justiciary      *Respecting Toleration* Peter Balint,2017 The question of toleration matters more than ever The politics of the twenty first century is replete with both the successes and all too often the failures of toleration Yet a growing number of thinkers and practitioners have argued against toleration Some believe that liberal democracies are better served by different principles such as respect of or recognition for people s ways of life Others argue that because the liberal state should be entirely neutral or indifferent towards people s ways of life it can no longer be tolerant it has no grounds on which it can object and so there is nothing left to tolerate *Respecting Toleration* provides a new original and provocative take on the question of toleration and its application to the politics of contemporary diversity Peter Balint argues for both the conceptual coherence and normative desirability of toleration and neutrality He argues that it is these principles which best realise the basic liberal good of people living their lives as they see fit rather than appealing to principles of recognition or respect for difference While those who criticised liberalism s failings in dealing with the claims of diversity had justification it is the tenets of traditional liberalism that hold the answer *Respecting Toleration* argues that if one cares about people living divergent lives then it is liberal toleration that should be respected by legislators and policy makers and not people s differences      *The Everyday Lives of Gay Men in Hainan* James Cummings,2022-03-15 This book explores the everyday lives of gay men in Hainan an island province of the People s Republic of China Taking an ethnographic and phenomenological approach it asks how these men construct and experience ways of sexual being as gay homosexual tongzhi and or in the scene and what these mean for the ways of living they see as possible within a socio cultural political and material context characterised by pervasive heteronormativity It explores what it means for gay men in Hainan to come into the scene how internet and mobile technologies figure in their everyday processes of sexual categorisation and how these men negotiate orientations and disorientations towards the future in relation to dominant heterosexual life scripts of marriage and reproduction This book offers vital insights into the production and restriction of non heterosexual lives in diverse settings while addressing universal questions of how certain ways of living are enabled and curtailed in living together with others through powerful conditions of uncertainty and precarity This book will be of interest to scholars in LGBTQ studies particularly those with a focus on same sex intimacies and identities in China      *Psychology of Disability* EduGorilla Prep Experts,2024-09-20 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels      **Psychology of Disability** Carolyn L. Vash,Nancy M. Crewe,2003-11-06 The realities surrounding the psychological experience of disability plus the intervention techniques used to resolve some of the problems have changed dramatically since the publication of the first edition of this classic text This revised edition describes changes that have

come out of the Americans with Disabilities Act as well as technological advances new legislation and evolving health care systems It addresses the growing interest in racial and ethnic diversity and includes an exploration of spirituality and disability as well as a look at new partnerships such as within the community that have developed

**Commoners and Nobles** Heidi Fjeld,2005 This study explores how Tibetans manoeuvre within two contradictory value systems those of old Tibet and the new People s Republic of China balancing between ideals and pragmatism More specifically it asks how it is that the social categories of pre communist Lhasa persist and are relevant in daily life despite decades of Chinese rule and the comprehensive restructuring of Tibetan society

*Why Liberals and Conservatives Clash* Bruce Edward Fleming,2006 This book offers an explanation for the extreme polarization between liberal and conservative that is the hallmark of the American political landscape today

*The Declining birth-rate* National Council of Public Morals for Great and Greater Britain. Commission of Inquiry Into the Declining Birthrate,1917

**The Law Times** ,1858

**What is The Family of Law?** Alan Brown,2019-02-07 This book argues that the legal understanding of family in the UK continues to be underpinned by the idealised image of the nuclear family premised upon the traditional gendered roles of father as breadwinner and mother as homemaker This examination of the law s model of the family has been prompted by the substantial reforms that have taken place in family law in recent decades and the significant evolution in social attitudes and familial practices that has occurred in parallel Throughout the book the influence of the nuclear family is noted in several different contexts various specific legal definitions of family the legal regulation of adult conjugal relationships the attribution of legal parenthood and the construction of the role of the parent within the law Ultimately this book argues that while these reforms have resulted in additional categories of relationship coming to be situated within the nuclear family model there has not as yet been any fundamental alteration of the underpinning concept of the nuclear family itself This book concludes by considering the possibilities offered beyond the nuclear family exploring the reconceptualising of the legal understanding of family around alternative and potentially radical models of family

**The Great Transformation** Robert Marsh,2016-09-16 This study of the effects and directions of social change in Taiwan examines questions such as what was the society of Taiwan like before the current period of economic growth how has it changed and are there aspects that did not change despite the significant transformation in some spheres

The Palgrave Handbook of Sexual Ethics David Boonin,2022-02-08 The Palgrave Handbook of Sexual Ethics is a comprehensive collection of recent research on the ethics of sexual behavior representing a wide range of perspectives It addresses a number of traditional subjects in the area including questions about pre marital extra marital non heterosexual and non procreative sex and about the nature and significance of sexual consent sexual desire and sexual activity as well as a variety of more recent topics including sexual racism sexual ableism sex robots and the metoo response to sexual harassment Each chapter defends a substantive thesis about the topic it addresses and the handbook as a

whole thereby provides a strong foundation for future research in this important and growing field of inquiry
