loved one This view recognizes the truth in the cliché love is blind but holds that love's blindness does not undermine the idea that love is guided by reason Reasons play an important role in love even if they rest on facts that are not themselves rationally justifiable Filled with illuminating examples from literature Love's Vision is an original examination of a subject of vital philosophical and human concern      **Of Life, Love and Family** John Tracy Wilson, 2013-06-27 In Of Life Love and Family John Tracy Wilson transparently bares his discoveries on building relationships that are life changing This book is for everyone who craves the richness that comes from knowing your life has meaning As John says Whether idyllic or defective relationships are the fabric of life We are the threads that determine how the pattern of that fabric will take shape      *The Literary World* ,1881
