Couples Kate Figes, 2010-01-21 These days many of us enjoy unrivalled freedom and equality when it comes to choosing and building a relationship Yet new myths about how to live and love compromise that happiness Kate Figes argues that whether married or cohabiting gay or straight remarried or a couple living apart the quality of our intimate relationship is fundamental to our long term health and happiness because our need for commitment and love hasn't changed This is not a handbook There are no easy Mars and Venus universal recipes for success because relationships are far too complicated individual and important for easy answers But learning how others sustain lifelong love and what really goes on in other people's lives can help us to understand our own partnerships and take responsibility for making them work *Couples* is an incisive and important look at how we can learn to make love endure

Questioning Evangelism 2nd ed Randy Newman, 2017-04-25 Sometimes the best answer is a question It's the way Jesus often talked with people as He led them into discussions about the issues that mattered most Campus Crusade for Christ veteran Randy Newman has been using a questioning style of evangelism for years In this provocative book he provides practical insights to help Christians engage others in meaningful spiritual conversations Asking questions Newman suggests doesn't tell unbelievers what to think but instead challenges how we think about people their questions and our message A perennial best seller the second edition includes a chapter in which the author reflects on the success of the book and what that has taught him as well as a new foreword by Lee Strobel Distilled out of twenty years of personal evangelism this book reflects both a deep grasp of biblical theology and a penetrating compassion for people and finds a way forward in wise probing questions How very much like the Master Himself D A Carson Trinity Evangelical Divinity School Questioning Evangelism steps outside the boundaries of evangelism as usual and tackles the tougher issues of our modern day Mitch Glaser Chosen People Ministries

Marriage, Writing, and Romanticism Eric C. Walker, 2009 Marriage Writing and Romanticism studies marriage in two sets of literary texts from the Regency decade the novels of Jane Austen who avoided marriage in her own life but seems to

have written about nothing else and a set of non canonical and generally unfamiliar poems by William Wordsworth who seems never to turn to the subject of his own marriage With other Romantic writers who also figure in this study Austen and Wordsworth confronted the impossibility of writing about anything other than marriage and the imperative either to celebrate or condemn it Thanks to the latest scholarly editions of Wordsworth Walker introduces previously undiscussed material Walker reads conjugality as the compulsory ground of modern identity an Enlightenment legacy we still grapple with today and offers new perspectives on literature through the writing of Austen and Wordsworth and theories of marriage in Godwin Wollstonecraft Hegel Kierkegaard and in our time Adam Phillips and Stanley Cavell **Wedding Toasts I'll**

of age on Park Avenue in the 1950s Anne Roiphe had an adolescence entrenched in privilege petticoats and social rules Young women at the time were expected to give up personal freedom for devotion to home and children Instead Roiphe chose Beckett Proust Sartre and Mann as her heroes and became one of the girls draped across the sofa at parties with George Plimpton Norman Mailer and William Styron sometimes with her young child in tow For a time she was satisfied to play the muse but at the age of twenty seven divorced and finally freed of the notion that any sacrifice was worth making for art she began to write Here in her clear sighted perceptive and unabashed memoir Roiphe shares with astonishing honesty the tumultuous adventure of self discovery that finally led to her redemption *What Women Want Next* Susan

Lugt,2024-04-30 An investigation of what it means to have children morally philosophically and emotionally Do you want to have children is a question we routinely ask each other But what does it mean to create a child Is this decision always justified Does anyone really have the moral right to create another person In Begetting Mara van der Lugt attempts to fill in the moral background of procreation Drawing on both philosophy and popular culture van der Lugt does not provide a definitive answer on the morality of having a child instead she helps us find the right questions to ask Most of the time when we talk about whether to have children what we are really talking about is whether we want to have children Van der Lugt shows why this is not enough To consider having children she argues is to interrogate our own responsibility and commitments morally and philosophically and also personally What does it mean to bring a new creature into the world to decide to perform an act of creation What does it mean to make the decision that life is worth living on behalf of a person who cannot be consulted These questions are part of a conversation we should have started long ago Van der Lugt does not ignore the problematic aspects of procreation ethical environmental and otherwise But she also acknowledges the depth and complexity of the intensely human desire to have a child of our own blood and our own making **Secrets of the City** Anne
