Married to the Streets for Better for Worse Terry Moses,2002-11-01 This book is filled with the truth and the uncut reality of everyday life and death in the projects This book exposes the gangster lifestyle as it really is without the fake glamour it is popularized with Too many kids grow up being enticed into a criminal way of life because of the flash associated with the neighborhood gangsters pimps and hustlers they have the money for the fancy clothes cars and for food on the table at dinner while most other people in the neighborhood go around poor and underfed This book will let you see how a young child can be turned into a criminal minded thug before reaching his tenth birthday culminating in a marriage to the streets filled with heartache hatred and eventually murder *He Talk Like a White Boy* Joseph C. Phillips,2008-12-10 As a young student Joseph Phillips once overheard someone say of him He talk like a white boy The Denver native never thought that speaking correctly would cause others to question his authenticity as an African American Little did he know what lay in his future His choices in music politics faith and family have given rise to many accusations of his not being black enough As an actor Joseph has encountered even more pointing fingers this time for not being liberal enough for Hollywood With a frank voice and a loving heart this brilliant conservative and outspoken African American man presents a series of funny and thought provoking essays that speak to the simple fact that authenticity is far more complicated than one's choice of words or music *Père Goriot, The marriage contract v. 2.
