## **Married Womens Work:**

*Should Married Women Work?* Ruth Enalda Shallcross,1940      Married Women's Work Clementina Black,1915

**Women, Work, and Divorce** Richard R. Peterson,1989-03-09 This book considers how women cope with the economic hardship which accompanies divorce using national longitudinal data on a generation of women in the United States These women came of age at a time when they were expected to give priority to family roles over work roles Yet by the time many of them were divorced in the 1970s with the climate of changing perceptions of gender roles women were expected to work and were unprepared for the economic disruption caused by divorce Peterson analyzes the experiences of women drawing upon sociological and economic approaches to the study of labor market outcomes and of life cycle events He shows how over the long term most divorced women can make at least a partial recovery but divorced women with children have a more difficult time making work adjustments and experience greater economic deprivation Given the continuing high rates of divorce Peterson s findings highlight the importance of work rather than marriage for women s economic security

*Transforming Women's Work* Thomas L. Dublin,2018-07-05 I am not living upon my friends or doing housework for my board but am a factory girl asserted Anna Mason in the early 1850s Although many young women who worked in the textile mills found that the industrial revolution brought greater independence to their lives most working women in nineteenth century New England did not according to Thomas Dublin Sketching engaging portraits of women s experience in cottage industries factories domestic service and village schools Dublin demonstrates that the autonomy of working women actually diminished as growing numbers lived with their families and contributed their earnings to the household From diaries letters account books and censuses Dublin reconstructs employment patterns across the century as he shows how wage work increasingly came to serve the needs of families rather than of individual women He first examines the case of rural women engaged in the cottage industries of weaving and palm leaf hatmaking between 1820 and 1850 Next he compares the employment experiences of women in the textile mills of Lowell and the shoe factories of Lynn Following a discussion of Boston working women in the middle decades of the century particularly domestic servants and garment workers Dublin turns his attention to the lives of women teachers in three New Hampshire towns      *Women, Work and Family* Louise A.

Tilly,Joan W. Scott,2016-03-30 *Women Work and Family* is a classic of women s history and is still the only text on the history of women s work in England and France providing an excellent introduction to the changing status of women from 1750 to the present      **Women Working Longer** Claudia Goldin,Lawrence F. Katz,2018-04-19 Today more American women than

ever before stay in the workforce into their sixties and seventies This trend emerged in the 1980s and has persisted during the past three decades despite substantial changes in macroeconomic conditions Why is this so Today s older American women work full time jobs at greater rates than women in other developed countries In *Women Working Longer* editors Claudia Goldin and Lawrence F Katz assemble new research that presents fresh insights on the phenomenon of working

longer Their findings suggest that education and work experience earlier in life are connected to women s later in life work Other contributors to the volume investigate additional factors that may play a role in late life labor supply such as marital disruption household finances and access to retirement benefits A pioneering study of recent trends in older women s labor force participation this collection offers insights valuable to a wide array of social scientists employers and policy makers

*Women, Work, and Place* Audrey Lynn Kobayashi,1994 Comprises nine essays on the impact of age ethnic origin social class cultural and other experiential factors on the role of women as social agents in the late 19th and 20th century A

History of European Women's Work Deborah Simonton,2002-09-11 The work patterns of European women from 1700 onwards fluctuate in relation to ideological demographic economic and familial changes In *A History of European Women s Work* Deborah Simonton draws together recent research and methodological developments to take an overview of trends in women s work across Europe from the so called pre industrial period to the present Taking the role of gender and class in defining women s labour as a central theme Deborah Simonton compares and contrasts the pace of change between European countries distinguishing between Europe wide issues and local developments *New York Jews and Great*

*Depression* Beth S. Wenger,1999-10-01 Chronicling the experience of New York City s Jewish families during the Great Depression this work tells the story of a generation of immigrants and their children as they faced an uncertain future in America **Education, Work, and Family Events in Women's Lives** Gwendolin Josephine Blossfeld,2022-03-07 Dieses Buch untersucht wie die Bildungsexpansion der Trend zur Dienstleistungsgesellschaft sowie die deutsche Wiedervereinigung die Lebensverläufe und das Familienleben ost und westdeutscher Frauen beeinflussen Es konzentriert sich auf die Bildungsbeteiligung das Bildungsniveau die Erwerbsbeteiligung die Karriereressourcen die soziale Herkunft den Bildungsmatch der Partner sowie die historischen Perioden und untersucht ihre Konsequenzen auf den Eintritt von Frauen in die erste Mutterschaft sowie Partnerschaftsbildungs und Scheidungsprozesse Auf Basis der Längsschnittdaten des Nationalen Bildungspanels NEPS wurden multivariate Methoden wie z B die Ereignisanalyse angewandt Die Ergebnisse deuten darauf hin dass der Eintritt der Frauen in Mutterschaft während der Vollzeitausbildung in hohem Maße von Frauenalter sozialer Herkunft und den politischen Maßnahmen in einem Land abhängig ist **Women and Work in Britain since 1840** Gerry

Holloway,2007-05-07 The first book of its kind to study this period Gerry Holloway s essential student resource works chronologically from the early 1840s to the end of the twentieth century and examines over 150 years of women s employment history With suggestions for research topics an annotated bibliography to aid further research and a chronology of important events which places the subject in a broader historical context Gerry Holloway considers how factors such as class age marital status race and locality along with wider economic and political issues have affected women s job opportunities and status Key themes and issues that run through the book include continuity and change the sexual division of labour women as a cheap labour force women s perceived primary role of motherhood women and trade unions equality

and difference education and training Students of women s studies gender studies and history will find this a fascinating and invaluable addition to their reading material

**Schooling for Women's Work** Rosemary Deem,2012 This collection of original papers shows how women in Britain are still being discriminated against during schooling despite the existence of legislation prohibiting such discrimination and despite apparent concern with promoting equality between the sexes in education Focusing on the current situation and experiences of women in education and their subsequent entry to and experiences of the labour market the book shows how the category of gender is made relevant in the education of women how it is influential in structuring their actions beliefs values and life chances and how it provides them with a set of contradictions about their role in society

**Women, Work and Care in the Asia-Pacific** Marian Baird,Michele Ford,Elizabeth Hill,2017-01-20 This book provides a comparative analysis of the social economic industrial and migration dynamics that structure women s paid work and unpaid care work experience in the Asia Pacific region Each country focused chapter examines the formal and informal ways in which work and care are managed the changing institutional landscape gender relations and fertility concerns employer and trade union responses and the challenges policy makers face and the consequences of their decisions for working women By covering the entire region including Australia and New Zealand the book highlights the way different national work and care regimes are linked through migration with wealthier countries looking to their poorer neighbours for alternative sources of labour In addition the book contributes to debates about the barriers to women s participation in the workforce the valuation of unpaid care the gender wage gap social protection and labour regulation for migrant workers and gender relations in developing Asia

*Women's Work in East and West: The Dual Burden of Employment and Family Life* Norman Stockman,Norman Bonney,Xuewen Sheng,2016-09-16 Unmasking Administrative Evil discusses the overlooked relationship between evil and public affairs as well as other fields and professions in public life

**Mother Jones Magazine** ,1977-07 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

**Family Economics Review** ,1982

**Feminism, Femininity and the Politics of Working Women** Gillian Scott,2005-08-11 This text discusses the development of the Women s Co operative Guild from the 1880s to World War II Charting the rise and fall of a feminist organization the author assesses its political significance and examines the causes of its demise

**Global Women's Work** Beth English,Mary E. Frederickson,Olga Sanmiguel-Valderrama,2018-12-07 This volume considers how women are shaping the global economic landscape through their labor activism and multiple discourses about work Bringing together an interdisciplinary group of international scholars the book offers a gendered examination of work in the global economy and analyses the effects of the 2008 downturn on women s labor force participation and workplace activism The book addresses three key themes exploitation versus opportunity women s agency within the context of changing economic options and women s negotiations and renegotiations of unpaid social reproductive labor This uniquely interdisciplinary and

comparative analysis will be crucial reading for anyone with an interest in gender and the post crisis world      Married  
Women's Work Clementina Black,1983      **Integrating Work and Family Life** Betty Beach,1989-01-01 What happens when  
work and family space are shared Beach examines the lives of home working families and describes the interaction of work  
and family life Detailed focus on the family system demonstrates how space and time are utilized how spouses and children  
respond and how the family may perceive home work as an adaptive effort to integrate work and family life Beach highlights  
the often overlooked role of children in contributing to this home work style
