ARTHUR KROCK

Marse Henry

Work Projects Administration

Marse Henry:

"Marse Henry": I Am Born and Begin to Take Notice Henry Watterson, 1919 *Marse Henry: An Autobiography (Complete)*

Henry Watterson, I am asked to jot down a few autobiographic odds and ends from such data of record and memory as I may retain I have been something of a student of life an observer of men and women and affairs an appraiser of their character their conduct and on occasion of their motives Thus a kind of instinct which bred a tendency and grew to a habit has led me into many and diverse companies the lowest not always the meanest Circumstance has rather favored than hindered this bent I was born in a party camp and grew to manhood on a political battlefield I have lived through stirring times and in the thick of events In a vein colloquial and reminiscential not ambitious let me recall some impressions which these have left upon the mind of one who long ago reached and turned the corner of the Scriptural limitation who approaching fourscore does not yet feel painfully the frost of age beneath the ravage of time s defacing waves Assuredly they have not obliterated his sense either of vision or vista Mindful of the adjuration of Burns Keep something to yourself Ye scarcely tell to only I shall yet hold little in reserve having no state secrets or mysteries of the soul to reveal It is not my purpose to be or to seem oracular I shall not write after the manner of Rousseau whose Confessions had been better honored in the breach than the observance and in any event whose sincerity will bear question nor have I tales to tell after the manner of Paul Barras whose Memoirs have earned him an immortality of infamy Neither shall I emulate the grandiose volubility and self complacent posing of Metternich and Talleyrand whose pretentious volumes rest for the most part unopened upon dusty shelves I aspire to none of the honors of the historian It shall be my aim as far as may be to avoid the garrulity of the raconteur and to restrain the exaggerations of the ego But neither fear of the charge of self exploitation nor the specter of a modesty oft too obtrusive to be real shall deter me from a proper freedom of narration where though in the main but a humble chronicler I must needs appear upon the scene and speak of myself for I at least have not always been a dummy and have sometimes in a way helped to make history In my early life as it were my salad days I aspired to becoming what old Simon Cameron called one of those damned literary fellows and Thomas Carlyle less profanely described as a leeterary celeebriety But some malign fate always sat upon my ambitions in this regard It was easy to become The National Gambler in Nast s cartoons and yet easier The National Drunkard through the medium of the everlasting mint julep joke but the phantom of the laurel crown would never linger upon my fair young brow Though I wrote verses for the early issues of Harper s Weekly happily no one can now prove them on me for even at that jejune period I had the prudence to use an anonym the Harpers luckily for me declined to publish a volume of my poems I went to London carrying with me the great American novel It was actually accepted by my ever too partial friend Alexander Macmillan But rest his dear old soul he died and his successors refused to see the transcendent merit of that performance a view which my own maturing sense of belles lettres values subsequently came to verify When George Harvey arrived at the front I ad opes But Lord that cast iron man

had never any bookish bowels of compassion or political either for the matter of that so that finally I gave up fiction and resigned myself to the humble category of the crushed tragi comedians of literature who inevitably drift into journalism Thus my destiny has been casual A great man of letters quite thwarted I became a newspaper reporter a voluminous space writer for the press now and again an editor and managing editor until when I was nearly thirty years of age I hit the Kentucky trail and set up for a journalist I did this however with a big J nursing for a while some faint ambitions of statesmanship even office but in the end discarding everything that might obstruct my entire freedom for I came into the world an insurgent or as I have sometimes described myself in the Kentucky vernacular a free nigger and not a slave nigger **Marse Henry** Henry Watterson,1974 *Marse Henry* Henry Watterson,2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Marse Henry, Complete** Henry Watterson,2022-09-05 DigiCat Publishing presents to you this special edition of *Marse Henry Complete* An Autobiography by Henry Watterson DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature "*Marse Henry*" Henry Watterson,1919 **Marse Henry** Henry Watterson,Roy J Friedman Mark Twain Collection (L,2018-02-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Marse Henry* Henry Watterson,2010-01 [Dem Days Was Hell - Recorded Testimonies of Former Slaves from 17 U.S. States](#) Work Projects Administration,2024-01-15 In *Dem Days Was Hell Recorded Testimonies of Former Slaves from 17 U S States* the Work Projects Administration presents a poignant anthology of firsthand accounts that illuminate the harrowing realities faced by former slaves in the United States This seminal work is characterized by its raw authenticity and compelling narrative style

blending oral histories with social commentary The testimonies collected during the tumultuous era of the Great Depression offer insights into the lived experiences of African Americans and serve not only as a historical documentation but also as a platform for the voices that have long been silenced The WPA s efforts reflect a broader literary trend toward the preservation of folk narratives allowing readers to engage with a past that deeply informs the present sociopolitical landscape The Work Projects Administration a New Deal agency established to alleviate unemployment during the 1930s embarked on ambitious projects capturing the oral histories of marginalized communities By assembling these narratives the WPA aimed to document the harsh realities of American life while employing those in the arts and humanities The initiative reflects the organization s commitment to social justice and the preservation of cultural heritage which undoubtedly influenced the curation of this impactful compilation *Dem Days Was Hell* is highly recommended for scholars students and general readers eager to explore the intricate tapestry of American history through the eyes of its most affected individuals This book not only serves as an indispensable historical record but also as a reminder of the resilience of the human spirit in the face of systemic oppression Engaging with these narratives will enrich one s understanding of the complexities of race identity and memory in America

The Horrors of Slavery in America Work Projects Administration, 2022-11-13 In *The Horrors of Slavery in America* the Work Projects Administration presents a poignant and unflinching documentation of the brutal realities faced by enslaved individuals in the antebellum United States This comprehensive compilation encompasses firsthand narratives historical accounts and vivid testimonials skillfully employing a blend of oral histories and archival research to paint a harrowing picture of the inhumanity of slavery The literary style is grounded in realism utilizing rich evocative language that immerses readers in the lived experiences of those who endured servitude and oppression positioned within the broader socio political context of 20th century America The Work Projects Administration WPA established during the New Deal aimed to provide jobs and stimulate the economy through the arts and humanities Through this project American writers and historians compelled by the ethical urgency of documenting marginalized voices sought to confront the legacy of slavery and its lingering impact on American society Their commitment to preserving these stories reflects a crucial moment in American history and literature where rediscovered histories were brought to the fore This book is essential for readers interested in American history social justice and the complex narratives surrounding slavery It serves as both an educational resource and a powerful statement against the atrocities of the past encouraging a deep reflection on the enduring scars of slavery in contemporary society

When We Were Slaves Work Projects Administration, 2023-12-18 In the poignant anthology *When We Were Slaves* the Works Progress Administration WPA documents the harrowing narratives of formerly enslaved individuals in the United States This collection weaves together oral histories that vividly recount the brutality and dehumanization faced by enslaved people juxtaposed against their enduring resilience and culture Written in a direct yet evocative style the text serves as an invaluable record of American history reflecting the WPA s broader mission to

capture and preserve the voices of marginalized communities during the Great Depression The juxtaposition of personal testimonies with broader social commentary situates these narratives within a comprehensive examination of systemic injustice and human endurance The Works Progress Administration was an essential agency during the New Deal dedicated to providing jobs and fostering cultural projects The collection emerged from a vast initiative to document the legacies of slavery through interviews with individuals who experienced it first hand This endeavor was not only a means of preserving history but also aimed at acknowledging the cultural impact of slavery on American society When We Were Slaves is a crucial read for anyone seeking to understand the realities of slavery its lasting effects on American society and the importance of storytelling in seeking justice and healing This book offers a powerful connection to the past and challenges readers to confront the complexities of history

Partisans of the Southern Press Carl R. Osthaus, 2021-12-14 Carl R Osthaus examines the southern contribution to American Press history from Thomas Ritchie s mastery of sectional politics and the New Orleans Picayune s popular voice and use of local color to the emergence of progressive New South editors Henry Watterson Francis Dawson and Henry Grady who imitated as far as possible the New Journalism of the 1880s Unlike black and reform editors who spoke for minorities and the poor the South s mainstream editors of the nineteenth century advanced the interests of the elite and helped create the myth of southern unity The southern press diverged from national standards in the years of sectionalism Civil War and Reconstruction Addicted to editorial diatribes rather than to news gathering these southern editors of the middle period were violent partisan and vindictive They exemplified and defended freedom of the press but the South s press was free only because southern society was closed This work broadens our understanding of journalism of the South while making a valuable contribution to southern history

Collier's ,1917 **Harvey's Weekly** ,1919 **The Weekly** George Brinton McClellan Harvey,1919 *The Voices From The Past - Hundreds of Testimonies by Former Slaves In One Volume* Work Projects Administration,2023-12-11 In *The Voices From The Past Hundreds of Testimonies by Former Slaves In One Volume* the Work Projects Administration compiles a remarkable collection of firsthand accounts from former enslaved individuals shedding light on their experiences and the complexities of slavery in America The book s literary style is characterized by authentic vernacular and vivid personal narratives allowing readers to connect with the raw emotion and resilience underlying each testimony This compilation not only serves as a historical document but also positions itself within the tradition of oral history making an invaluable contribution to the understanding of African American experiences in the antebellum and postbellum periods The Work Projects Administration was established during the Great Depression as part of New Deal initiatives aiming to provide employment through public works programs In this context collecting slave narratives became a means to preserve an essential part of American history while simultaneously offering work opportunities to writers and historians This intersection of socio economic necessity and cultural preservation showcases the WPA s commitment to documenting the voices often silenced in mainstream narratives I highly recommend *The Voices From The*

Past to anyone interested in American history African American studies or oral history By engaging with these testimonies readers will gain profound insights into the lived realities of former slaves while encountering the broader implications of their stories which resonate with modern discussions on race identity and social justice North American Review's War Weekly ,1918 *The True Stories of American Slaves* Work Projects Administration,2022-11-13 In *The True Stories of American Slaves* the Work Projects Administration WPA delves into the rich often painful tapestry of African American history through firsthand accounts of former slaves This collection produced during the Great Depression as part of the Federal Writers Project showcases the voices of individuals who endured the brutal realities of slavery and later sought to recount their experiences The literary style is characterized by a raw authenticity preserving the dialects and expressions of its narrators which adds a poignant texture to the narrative and creates an immersive historical context that is both engaging and enlightening The WPA was established in the 1930s to provide jobs and stimulate the economy by employing writers artists and intellectuals The initiative to collect personal narratives from former slaves stemmed from a recognition of the importance of preserving African American history and culture during a time when those voices were at risk of being silenced This undertaking exemplifies a collective effort to confront the past and address the legacies of oppression emphasizing the necessity of acknowledging history in the face of ongoing racial injustices This book is essential reading for anyone interested in American history African American studies or the narratives that shape our understanding of identity and resilience By providing direct access to the voices of those who lived through slavery *The True Stories of American Slaves* serves as a powerful reminder of the complexities of history and the importance of memory in shaping a more just society De Shootinest Gent'man & Other Tales Nash Buckingham,1934-01-01 Nash Buckingham was perhaps the most famous author of sporting tales in the first half of the 20th century This collection of eight stories first published in *Field and Stream Recreation and Outdoor Life* was originally published by The Derrydale Press in 1934 Buckingham s ability to evoke the golden age of wild fowling along the Mississippi flyway from the 1890s to the 1940s is unparalleled Pull up your favorite chair in front of a fire and get ready to relive some of the best hunting stories ever told *Fourth Estate* ,1919
