Marshall Hollenzer is Driving Owen Egerton, 2000-08-24 What if you believed that for the price of a cup of coffee you could save a child's life What if your life closely resembled the life of a caged budgie bird What if the most real part of your life were the words in books Would you let your world shatter      *The Book of Harold* Owen Egerton, 2012-05-01 The Book of Harold is as profound and deeply respectful a novel as it is irreverent in its wild often hilarious take on a modern messianic movement in suburbia The titular and sometimes exasperating hero of this masterful satire is Harold Peeks a middle aged suburbanite living a lonely if typical modern life in the outskirts of Houston Texas His world feels bland and pointless until one evening at a mundane office party he announces to his stunned co workers that he is the Second Coming of Christ Oddly enough people start to believe him Blake Waterson Harold's closest friend and narrator of the novel is as skeptical as anyone of this disheveled and disconcertingly bawdy Savior and yet this would be Judas is compelled to follow Harold on his two hundred mile walking journey to Austin with a mismatched group of equally puzzled disciples On the road this motley crew of witnesses to the holy get to experience misguided converts violent possums and the ungrateful recipients of off kilter healings They also discover the inherent paradoxes absurdities and dangers of spirituality as they learn that saviors may not have all the answers and humanity is just as bizarre and beautiful as the beliefs we hold      **Puerto del sol**, 2005
