Dothead Amit Majmudar, 2016 A captivating no holds barred collection of new poems from an acclaimed poet and novelist

with a fierce and original voice Dothead is an exploration of selfhood both intense and exhilarating Within the first pages Amit Majmudar asserts the claims of both the self and the other the title poem shows us the place of an Indian American teenager in the bland surround of a mostly white peer group partaking of imagery from the poet's Hindu tradition the very next poem is a fanciful autobiography relying for its imagery on the religious tradition of Islam From poems about the treatment at the airport of people who look like Majmudar my dark unshaven brothers whose names overlap with the crazies and God fiends to a long freewheeling abecedarian poem about Adam and Eve and the discovery of oral sex Dothead is a profoundly satisfying cultural critique and a thrilling experiment in language United across a wide range of tones and forms the poems inhabit and explode multiple perspectives finding beauty in every one **In The Garden of All Things Fair** Alice Miaolian Baskous,2014-04 This book of collected verse was written as two books and then conjoined into one larger volume harmoniously I hope since most of the poems regardless were composed on the common and well loved subjects of love beauty equality and nature There is a better place of loveliness is what I'm propounding attainable through true sentiment attentiveness imagination and empathy for others and In The Garden of All Things Fair though a literary endeavor surely is also an attempt to spread this more subliminal feeling around as one spreads marmalade on toast at breakfast A student wrote these poems intending to share her profound happiness in the existence of poetry as well as her zest for detail description fineness of opinion and introspection The language was meant to be thick and substantial which the author tells the reader now with neither chagrin nor presumptuousness but as a true friend of quality literature as it has been and shall remain through the ages **Mulligan Stew** Gilbert Sorrentino,2023-07-11 Widely regarded as Sorrentino's finest achievement Mulligan Stew takes as its subject the comic possibilities of the modern literary imagination As avant garde novelist Antony Lamont struggles to write a new wave murder mystery his frustrating emotional and sexual life wreaks havoc on his work in progress As a result his narrative the very book we are reading turns into a literary stew an uproariously funny melange of journal entries erotic poetry parodies of all kinds love letters interviews and lists as Hugh Kenner in Harper's wrote for another such virtuoso of the List you'd have to resurrect Joyce Soon Lamont's characters on loan from F Scott Fitzgerald Flann O'Brien James Joyce and Dashiell Hammet take on lives of their own completely sabotaging his narrative Sorrentino has vastly extended the possibilities of what a novel can be in this extraordinary work which both parodies and pays homage to the art of fiction **Billboard** ,1952-03-15 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Trampoline** Robert Gipe,2015-11-20 Dawn Jewell is fifteen She is restless curious and wry She listens to Black Flag speaks her mind and joins her grandmother's fight against mountaintop removal mining almost in spite of herself I write by ear says Robert Gipe and Dawn's voice is the essence of his debut novel Trampoline She lives in eastern Kentucky with

her addict mother and her Mamaw whose stance against the coal companies has earned her the community's ire Jagged and honest Trampoline is a powerful portrait of a place struggling with the economic and social forces that threaten and define it Inspired by oral tradition and punctuated by Gipe's raw and whimsical drawings it is above all about its heroine Dawn as she decides whether to save a mountain or save herself be ruled by love or ruled by anger remain in the land of her birth or run for her life

Behind These Doors Chanting Hare Krishna Alice Miaolian Baskous, 2014-07-18 This is the author's third volume of collected poetry and falls under the category of religious verse yet many poems talk about the fate of women in society and what happens when innocent girls fall by the wayside The last narrative poem entitled The Monks of Saint Mark's Street is actually inspired by Keats' fragment by the name of St Mark's Eve which he did not finish before his death She wrote these poems with strong misgivings about the ethical state of societies today superficial media culture and materialism pornography and female sexual harassment Other poems are meant to praise God and Creation and a number of them are about friendship
