Complete Works of Abraham Lincoln Abraham Lincoln, 1905 Abraham Lincoln Deals with Foreign Affairs Jay Monaghan, 1997-01-01 On the eve of the American Civil War the old predatory powers of Europe were waiting to capitalize on the split in the Union President Lincoln had to prevent foreign governments from giving official recognition to the Confederacy Jay Monaghan shows how the underestimated rustic president dealt with diplomats both in this country and abroad and also with contentious politicians and cabinet members **Complete Works** Abraham Lincoln, 1894

Abraham Lincoln's Contemporaries Lincoln Financial Foundation Collection, 1909 *Writing the Gettysburg Address* Martin P. Johnson, 2015-04-10 Four score and seven years ago Are any six words better known of greater import or from a more crucial moment in our nation s history And yet after 150 years the dramatic and surprising story of how Lincoln wrote the Gettysburg Address has never been fully told Until now Martin Johnson s remarkable work of historical and literary detection illuminates a speech a man and a moment in history that we thought we knew Johnson guides readers on Lincoln s emotional and intellectual journey to the speaker s platform revealing that Lincoln himself experienced writing the Gettysburg Address as an eventful process that was filled with the possibility of failure but which he knew resulted finally in success beyond expectation We listen as Lincoln talks with the cemetery designer about the ideals and aspirations behind the unprecedented cemetery project look over Lincoln s shoulder as he rethinks and rewrites his speech on the very morning of the ceremony and share his anxiety that he might not live up to the occasion And then at last we stand with Lincoln at Gettysburg when he created the words and image of an enduring and authentic legend *Writing the Gettysburg Address* resolves the puzzles and problems that have shrouded the composition of Lincoln s most admired speech in mystery for fifteen decades Johnson shows when Lincoln first started his speech reveals the state of the document Lincoln brought to Gettysburg traces the origin of the false story that Lincoln wrote his speech on the train identifies the manuscript Lincoln held while speaking and presents a new method for deciding what Lincoln s audience actually heard him say Ultimately Johnson shows that the Gettysburg Address was a speech that grew and changed with each step of Lincoln s eventful journey to the podium His two minute speech made the battlefield and the cemetery into landmarks of the American imagination but it was Lincoln s own journey to Gettysburg that made the Gettysburg Address **Abraham Lincoln's Path to Reelection**

in 1864 Fred J. Martin Jr., 2013-12-20 PRAISE FOR ABRAHAM LINCOLN'S PATH TO REELECTION IN 1864 OUR GREATEST VICTORY Political polls consistently record a substantial lack of confidence in national political leaders of both major parties and a disturbing sentiment that the United States is on the wrong track in current policy developments These sentiments lead to unfortunate summaries of alleged failures of our democratic institutions and proposals Fortunately at this moment in our history Fred J Martin Jr has stepped forward with a comprehensive analysis of politics in 1860s and most importantly the political genius Abraham Lincoln as he led our country through a series of perilous crises into new paths of confidence and

greatness I admire especially Fred Martin's mastery of political detail and the large variety of motivations, strategies and actions of a wide assortment of political players. Former Senator Richard Lugar. Arguably the most consequential election in American history, the presidential contest of 1864 has cried out for a more sophisticated analysis than it has heretofore received. Fortunately, Fred Martin's background in political journalism and in banking has enabled him to provide such an analysis in this book, which is a welcome addition to the Lincoln literature. Michael Burlingame, Author, Abraham Lincoln: A Life, Distinguished Chair in Lincoln Studies, History Department, College of Liberal Arts and Sciences, University of Illinois, Springfield, IL. Fred Martin has written an illuminating account of the roots of Lincoln's success as president, culminating in his victory in the critical election of 1864. Effectively using Lincoln's words as well as those of his contemporaries, Martin demonstrates how it became possible for Lincoln to overcome his early background and become a skillful and ethical political leader who saved the Union and ended slavery. The book clearly is a labor of love for Martin, a long-time student of Abraham Lincoln. Every person interested in Lincoln and his presidency should have this well-researched and well-written book in his or her library. William C. Harris, author of *Lincoln and the Border States: Preserving the Union*, 2011 and *Lincoln and the Union Governors*, 2013. [I Am the Decisions That I've Made](#) Smoothy, 2013-06-29

I want to introduce myself to the world. Hi, my name is Ritchie C. McPhee Sr., Bahamian by birth but still just a mortal human being. A MAN, a man like any other man. This is not a memoir; just me looking at the world through my eyes. This is just an insight into the way I think, the way I reason, the way I rationalize, and try to make sense of this world that we live in. Some of you might be surprised at my interpretation of what I'm seeing; some might be in denial while others might have the same interpretations and simply just don't care. All I want to do is raise the consciousness of man and hopefully learn a little more about myself as I grow through this book.

Worthy of Their Esteem Iain Martin, 2009-02-17. Author Iain C. Martin assembles Lincoln's most popular and best quotations and bits of wisdom which helped Lincoln to endure through the ages. Funny, poignant and inspiring, the greatness of the man shines through as never before. Abraham Lincoln is one of the most revered Presidents in the history of the United States. His persistence saved the Union and preserved our Constitution. But his wisdom, with its homespun feel and far deeper meanings, was the backbone of his enduring popularity. The combination of his sense of self-effacing humor and stories of backwoods life helped Lincoln make his points with the masses and helped him communicate with a country at its lowest point and in the middle of a terrific struggle. Author Iain C. Martin assembles Lincoln's most popular and best quotations and bits of wisdom which helped Lincoln to endure through the ages. Funny, poignant and inspiring, the greatness of the man shines through as never before. Abraham Lincoln's life helped define the essence of being an American and the ideals of freedom, and *Worthy of Their Esteem* offers a rich collection of the best of his sayings grouped according to what major themes they address. Added historical and biographical background plus vintage illustrations make this a top pick for a wide range of collections.
