## **Martin By Himself:**

*The Life and Adventures of Martín Chuzzlewit*, 1 Charles Dickens, 1844      **Martin Arrowsmith** Sinclair Lewis, 2015-11-27 This volume contains Sinclair Lewis's 1925 novel *Martin Arrowsmith*. It tells the story of an aspiring scientist who goes from a small Midwest town to the highest levels of the scientific community. Masterfully written and utterly engaging, *Martin Arrowsmith* is recommended for the discerning reader and is a must-have for collectors of Lewis's work. It was awarded the Pulitzer Prize in 1926 but Sinclair refused to accept the award. Harry Sinclair Lewis (1885-1951) was an American novelist, short story writer, and playwright. Many vintage texts such as this are increasingly scarce and expensive, and it is with this in mind that we are republishing this book now in an affordable, high-quality modern edition. It comes complete with a specially commissioned biography of the author.      **Ways and means** Clara Lucas Balfour, 1868

**Creating a Place For Ourselves** Brett Beemyn, 2013-05-13 *Creating a Place For Ourselves* is a groundbreaking collection of essays that examines gay life in the United States before Stonewall and the gay liberation movement. Along with examining areas with large gay communities such as New York, San Francisco, and Fire Island, the contributors also consider the thriving gay populations in cities like Detroit, Buffalo, Washington D.C., Birmingham, and Flint, demonstrating that gay communities are truly everywhere. Contributors: Brett Beemyn, Nan Alamilla Boyd, George Chauncey, Madeline Davis, Allen Drexel, John Howard, David Johnson, Liz Kennedy, Joan Nestle, Esther Newton, Tim Retzlaff, Marc Stein, Roey Thorpe.      **Self as Coach, Self as Leader** Pamela McLean, 2019-05-21 Become a more effective leader by discovering the resources you already have. Pamela McLean, CEO and cofounder of the Hudson Institute for Coaching, has been at the forefront of the field for the past three decades, using clinical and organizational psychology to provide the highest quality coaching and development training to professionals in organizations and solo practice worldwide. Now Pamela is teaching readers to cultivate their leadership potential through use of self as instrument, a key dimension of developmental coaching that emphasizes the whole person. Her holistic methods give coaches and other leaders a clearer framework for getting to know themselves, exploring their multiple layers, and fostering their latent abilities so that they can foster the abilities of others. *Self as Coach* guides you along a path that interweaves six broad dimensions of your internal landscape into the fabric of great coaching. This creates lasting improvements, unlike more common remedial, tactical, or performance-based programs which often only function as short-term solutions. Develop leadership skills using internal resources you already possess. Achieve real improvements with long-lasting benefits. Based on methodology proven successful in business and personal settings. Includes useful practices and exercises for self-reflection and brainstorming. Whether you're an emerging or experienced coach, whether you want to grow your own leadership skills or develop them across an entire organization, *Self as Coach* can help. With its innovative approach, proven methods, and near-universal applicability, this book will not only provide effective instruction but also help you uncover lasting insights that will benefit you long after you've turned the last page.      Human
