*Plays* Martin Crimp, 2000      *Martin Crimp: Plays 3* Martin Crimp, 2015-11-12 Cruel and Tender A mordantly knowing modernisation of Sophocles's *Trachiniae* The approach here manages to be at once lethally level and capable of surges of anguished feeling Highly recommended Independent Fewer Emergencies A triptych of vicious modern fairy tales that brings the nightmare right back and stabs you through the soul Guardian The City Although this is the most disquieting play in London there is a curious exhilaration about both the performance and Crimp's confrontation with our perpetual unease Guardian Definitely the Bahamas A summation of a life lived vicariously at the margins of other lives between suffocating suburban walls and the play is as unflinching as it is unnerving The Times Play House Play House concerns the volatility and vulnerability of love as a young couple Simon and Katrina set up home Unusually for Crimp the play both begins and ends with moving declarations of love Suddenly this usually chilly dramatist seems unexpectedly blessed with a warm heart Daily Telegraph In the Republic of Happiness Crimp goes so far as to call it an entertainment in three parts and it rocks along like a dystopian vaudeville The actors are imprisoned and liberated at once their strange between worlds condition a source of joy intemperateness and above all a care for our diversion My favourite play of the year What's on Stage      *Plays Two* Martin Crimp, 2005 This second collection of Martin Crimp's work includes the plays *Attempts on Her Life* *The Misanthrope* *No One Sees the Video* and *The Country* Crimp writes with extraordinary precision The outside world is described with almost hallucinatory clarity He has discovered a dramatic form that perfectly reflects the violent disorienting times in which we live Daily Telegraph      **Plays One** Martin Crimp, 2000 This collection of early plays confirms Martin Crimp's reputation as one of the most original and exciting talents writing for the theatre today It includes the plays *Dealing with Clair* *Play with Repeats* *Getting Attention* and *The Treatment* and is introduced by the author      **Not One Of These People** Martin Crimp, 2022-11-17 If you think you know what it's like to be me you are seriously deluded Is it appropriation to invent a voice or is it an act of empathy If a playwright's job is to make dialogue is there a limit to how many characters she he they are entitled to invent Who can these people be And what if an invented voice says things that even the author would prefer not to hear With characteristically provocative humour Martin Crimp's latest work brings 299 unique characters to the stage *Not One of These People* a co production between the Royal Court Theatre Carte blanche and the Carrefour international de theatre premiered at Theatre La Bord e Qu bec City in June 2022 and at the Royal Court Theatre London in November 2022

**Plays Three** Martin Crimp, 2015 The latest collection of plays confirms Martin Crimp's reputation as one of the most original and exciting talents writing for the theatre today      **The Theatre of Martin Crimp** Aleks Sierz, 2013-12-16 First published in 2006 Aleks Sierz's *The Theatre of Martin Crimp* provided a groundbreaking study of one of British theatre's leading contemporary playwrights Combining Sierz's lucid prose and sharp analysis together with interviews with Martin Crimp and a host of directors and actors who have produced the work it offered a richly rewarding and engaging assessment

of this acutely satirical playwright The second edition additionally explores the work produced between 2006 and 2013 both the major new plays and the translations and other work The second edition considers The City the 2008 companion play to The Country Play House from 2012 and the new work for the Royal Court in late 2012 The two works that have brought Crimp considerable international acclaim in recent years the updated rewrite of The Misanthrope which in 2009 played for several months in the West End starring Keira Knightley and Crimp's translation of Botho Strauss's Big and Small Barbican 2012 together with Crimp's other work in translation are all covered The Theatre of Martin Crimp remains the fullest most readable account of Crimp's work for the stage
