Martin Kippenberger The Happy End Of Franz Kafkas Amerika:

Martin Kippenberger, 2021-04 A detailed documentation of Kippenberger's epic masterpiece. Widely considered Martin Kippenberger's 1953-97 masterpiece *The Happy End of Franz Kafka's Amerika* explores a utopia of universal employment based on a section from Kafka's titular novel in which the protagonist Karl Rossmann applies for a job at the biggest theater in the world: whoever wants to become an artist should sign up. Kippenberger's installation set out on a stylized football pitch is made up of 50 table and chair ensembles. Alongside classic design icons and found objects, it also includes furniture especially produced by Kippenberger as well as pieces by numerous artist friends including Cosima von Bonin, Tony Oursler, Ulrich Strothjohann, and Jason Rhodes. This publication examines the work and includes for the first time biographies of the individual objects, tracing the contexts of their creation, collection, and integration into the installation. This volume therefore constitutes the definitive documentation of *The Happy End of Franz Kafka's Amerika*. Martin Kippenberger Chris Reitz, 2023-06-06 An illuminating study of the work of artist Martin Kippenberger whose art expressed the enthusiasms and frustrations of the West German middle class. Martin Kippenberger's *Everything Is Everywhere* is the first scholarly monograph in English on West German artist Martin Kippenberger, 1953-1997, one of the most prominent German artists of the 1980s. In this book, Chris Reitz shows that the condition of Kippenberger's art was an endless enthusiastic searching constrained by the impossibility of fulfillment. A child during West Germany's *Wirtschaftswunder*, the economic miracle of the 1950s and 1960s, and a young adult during the economic recession and political tumult of the 1970s, Kippenberger belonged to the first truly postwar generation. But largely uninterested in the legacy of National Socialism that had occupied his predecessors, Kippenberger instead pursued a hyperproductive artistic practice that reflected the dreams and fears of the ascendent 1980s West German middle class. Kippenberger's ambitions took him everywhere: he founded a museum in Greece, invested in a fashion business and a restaurant, and even bought a gas station in Brazil. He made art in a dizzying range of genres, from paintings to poetry, from posters to stickers. He made art out of his appetites, too, producing art on the theme of his own alcoholism. Intensely entrepreneurial, Kippenberger carried out an artistic practice in which his diverse endeavors and the people who joined him in them were all connected in a sprawling network. Reitz deftly presents Kippenberger's career as an allegory of the neoliberal networks of capital, technology, and culture that spanned Europe and America in the 1980s. **Kippenberger - Géricault** Annesofie Becker, Helle Rafn, 1996 *Martin Kippenberger* Martin Kippenberger, Daniel Baumann, Tate Modern (Gallery), 2006-04 Published to accompany the exhibition held at the Tate Modern, London, 8 February-14 May 2006, and touring to K21, Düsseldorf, 10 June-10 September 2006. **The Happy End of Franz Kafka's "America"** Martin Kippenberger, 1993 This artist book, published as part of the exhibition project at the Museum Boijmans van Beuningen in Rotterdam, contains 237 un-commentated black and white reproductions of German paperback covers from the 50s, 60s, and 70s, 15 pages with English translations of the book titles, illustrated, and a list from the

Forms of Exile in Jewish Literature and Thought Bronislava Volková, 2021-08-31 *Forms of Exile in Jewish Literature and Thought* deals with the concept of exile on many levels from the literal to the metaphorical It combines analyses of predominantly Jewish authors of Central Europe of the twentieth century who are not usually connected including Kafka Kraus Levi Lustig Wiesel and Frankl It follows the typical routes that exiled writers took from East to West and later often as far as America The concept and forms of exile are analyzed from many different points of view and great importance is devoted especially to the forms of inner exile In *Forms of Exile in Jewish Literature and Thought* Bronislava Volková an exile herself and thus intimately familiar with the topic through her own experience develops a unique typology of exile that will enrich the field of intellectual and literary history of twentieth century Europe and America Cheyney Thompson Christian Schaernack, 2023-05-23 One of the first book length publications on contemporary artist Cheyney Thompson whose work is known for its radically forward looking intellectualism and formal rigor Cheyney Thompson's b 1975 work responds to a long history of debates about how art depicts the world and about how we come to know the world visually In these meditations on the artist's work Christian Schaernack shows that for Thompson reality is something that we can know only in terms of probabilities not absolutes Thompson often produces work that explores contingency at the formal level sometimes in his artistic process itself as Jackson Pollock once did and sometimes through the use of external constraints such as computer algorithms which he subverts as often as he follows The meaning of observation has changed time and time again in the history of art just as it has in the history of science Delving into art history intellectual history and contemporary continental philosophy Schaernack offers a multifaceted study of an artist who challenges our assumptions about how the world is

ordered From Thompson's early black paintings to his Chronochromes to the Stochastic Process Paintings which engage with the algorithms that govern our digital lives Schaernack presents a contemporary artist whose work embraces chance and responds to the shifting conditions of the present This is art that reimagines artwork itself **Dot Dot Dot 11** Stuart Bailey, Peter Bilak, 2006-03 The journal whose very name promises more to come delivers two issues this season There aren't too many places to find intelligent passionate and witty writing about the past present and future of visual culture Dot Dot Dot the brilliant journal edited by Stuart Bailey and Peter Bilak is one of the few we've found and we're happy to be able to present it in our catalog *Permission to Laugh* Gregory H. Williams, 2012-06-12 *Permission to Laugh* explores the work of three generations of German artists who beginning in the 1960s turned to jokes and wit in an effort to confront complex questions regarding German politics and history Gregory H Williams highlights six of them Martin Kippenberger Isa Genzken Rosemarie Trockel Albert Oehlen Georg Herold and Werner Büttner who came of age in the mid 1970s in the art scenes of West Berlin Cologne and Hamburg Williams argues that each employed a distinctive brand of humor that responded to the period of political apathy that followed a decade of intense political ferment in West Germany Situating these artists between the politically motivated art of 1960s West Germany and the trends that followed German unification in 1990 Williams describes how they no longer heeded calls for a brighter future turning to jokes anecdotes and linguistic play in their work instead of overt political messages He reveals that behind these practices is a profound loss of faith in the belief that art has the force to promulgate political change and humor enabled artists to register this changed perspective while still supporting isolated instances of critical social commentary Providing a much needed examination of the development of postmodernism in Germany *Permission to Laugh* will appeal to scholars curators and critics invested in modern and contemporary German art as well as fans of these internationally renowned artists *Annotated Catalogue Raisonné of the Books by Martin Kippenberger, 1977-1997* Uwe Koch, Diedrich Diederichsen, Roberto Ohrt, 2003 Roberta Smith called him the madcap bad boy of contemporary German art and also one of the three or four best German artists of the postwar period Martin Kippenberger disrupted the status quo throughout his brief excessive life not just by making art of every variety and medium but also by conducting an extended performance in the vicinity of art that involved running galleries organizing exhibitions collecting the work of his contemporaries and overseeing assistants He published books and catalogues played in a rock and roll band and cut records ran a performance art space during his early years in Berlin became part owner of a restaurant in Los Angeles during six months he spent there preparing for an exhibition and collaborated extensively with other artists This particular volume considers his output of artist's books as well as his exhibition catalogues and all the publications whose content he either created or edited More than just documentation this publication makes accessible for a wider public the multiple aspects of Kippenberger's books with all the complexity and consequence of his oeuvre intact *Modern Painters*, 2008 *ThirdWay*, 2006-04 Monthly current affairs magazine from a Christian perspective with a focus on politics society
