Marupa The Legend Of The Black Pearl:

Marupa Alex Morgan, 2010-05 Marupa is a fictional story that takes place on a South Pacific island called Shantu. On this island is a very high and dangerous mountain called Kuja. Only one person has ever successfully climbed to the very top of Kuja. That was Chief Akunda, one of the island's previous chiefs. He placed a rare and priceless black pearl necklace at the very top of the mountain to memorialize the death of his young wife. That happened several generations ago. In the present, Marupa, one of Shantu's young warriors, falls in love with Alandra, the current chief's eldest daughter. The chief of the island has not been able to bear a son and is concerned about who will replace him as chief once he is gone. At their annual Harvest Festival, the chief stuns the villagers with a startling announcement. He tells them that whoever brings back the black pearl gold necklace from Kuja will marry Alandra and eventually become chief of Shantu. Although Marupa is an accomplished warrior, he must now face the challenge of eleven other warriors trying to retrieve the necklace. There will be many death-threatening perils that he must overcome in order to wed the princess he loves. The story revolves around the lives of Marupa, his family, pets, friends, and his love for Alandra. It is a refreshing and imaginative story that contains romance, humor, danger, adventure, courage, endurance, wisdom, friendship, family values, and morals, and a quest for marriage to a princess.

Marupa - the Legend of the Lost Tribe Alex W. Morgan, 2012-04-19 This novel is a sequel to MARUPA The Legend of the Black Pearl, which was published in 1997. In the original novel, Marupa, an accomplished warrior on the island of Shantu, falls in love with Alandra, the eldest daughter of the island's chief. Whoever marries Alandra will eventually become chief, since the chief had no sons. At the far side of Shantu lies a dangerous and deadly mountain called Kuja. At the very top of Kuja is the black pearl necklace that a previous chief had placed there to memorialize the death of his wife. Whoever retrieves that necklace will marry Alandra. Marupa is challenged by eleven other warriors to bring back the necklace and marry the princess, Alandra. It is now years later, and another legend is told about a lost tribe that lives beyond Kuja. The legend goes on to reveal that about forty islanders fled their side of the island generations ago when a deadly plague hit the island, when many villagers died. Marupa's twin brothers take it upon themselves to go there and see if there actually is another tribe living there. At the same time, a ship of slave traders comes to Shantu to capture all of the villagers and sell them as slaves. There is one more storyline that occurs at the same time that will be revealed in this book. Love, danger, excitement, and courage are compiled into this story. **Webster's Third International Dictionary of the English Language, Unabridged**, 1961
