Marx Brothers A Bio Bibliography

Wes D. Gehring

Marx Brothers A Bio Bibliography:

The Marx Brothers Wes D. Gehring, 1987-07-28 This bio bibliography was designed to present a combined biographical critical and bibliographical portrait of the Marx Brothers It examines their significance in film comedy in particular and as popular culture figures in general The book is divided into five sections beginning with a biography which explores the public and private sides of the Marx Brothers The second section is concerned with the influences of the Marx Brothers as icons of anti establishment comedy as contributors to developments in American comedy as early examples of saturation comedy and as a crucial link between silent films and the talkies Three original articles two by Groucho and one by Gummo comprise part three A bibliographical essay which assesses key reference materials and research collections is followed by two bibliographical checklists Appendices containing a chronological biography with a timeline a filmography and a selected discography complete the work

The Marx Brothers and America Robert E. Weir, 2022-08-12 The ground has shifted from the days in which serious history and boring went hand in glove Textbooks and lectures have their place but less traditional classrooms can be powerfully immersive and insightful Take the 1929 Marx Brothers film *The Cocoanuts* and what it teaches about both the Great Depression and early sound films The Marx Brothers are among the funniest comedy teams of all time Four of their 13 films are on the American Film Institute's list of the 100 greatest American comedies ever made For many contemporary viewers though getting the jokes is not always easy because the humor can be subjective and timebound This work looks at the American past through the lens of the Marx Brothers films and other projects Each of the chapters focuses on a specific film contextualizing the world at the time and how the Marx Brothers lampooned those subjects Along the way the book demonstrates what the Marx Brothers revealed about weighty topics like gambling gender relations immigration medical care Prohibition race and war all leavened with offbeat humor

[A Century of the Marx Brothers](#) Joseph Mills, 2009-03-26 In 1905 Julius Marx began his vaudeville career with the singing group The Leroy Trio and was abandoned in the middle of the tour It was an inauspicious start for the person who would become Groucho A hundred years later the Marx Brothers have permeated our culture from the plastic noses and glasses worn at parties to a Smithsonian exhibition which explains DNA recombination using *A Night at the Opera* Although they completed relatively few films together the brothers have become icons recognizable even to people who have never seen their movies Most scholarly work on the Marx Brothers has focused on biographical aspects of their careers and lives *A Century of the Marx Brothers* suggests a myriad of other useful approaches to their film and stage productions The collection's eleven essays examine the Marx Brothers work from a number of critical perspectives ranging from reader response theory to film semiotics The contributors include international scholars in a variety of fields such as literature cultural studies performance studies and film history

The Comic Offense from Vaudeville to Contemporary Comedy Rick DesRochers, 2014-07-31 *The Comic Offense from Vaudeville to Contemporary Comedy* examines how contemporary writer performers are influenced by the comedic vaudevillians of the

early 20th century By tracing the history and legacy of the vaudeville era and performance acts like the Marx Brothers and The Three Keatons and moving through the silent and early sound films of the early 1930s the author looks at how comic writer performers continue to sell a brand of themselves as a form of social commentary in order to confront and dispel stereotypes of race class and gender The first study to explore contemporary popular comic culture and its influence on American society from this unique perspective Rick DesRochers analyzes stand up and improvisational comedy writing performing in the work of Larry David Tina Fey Stephen Colbert and Dave Chappelle He grounds these choices by examining their evolution as they developed signature characters and sketches for their respective shows Curb Your Enthusiasm 30 Rock The Colbert Report and Chappelle s Show

The Encyclopedia of Vaudeville Anthony Slide,2012-03-12 The Encyclopedia of Vaudeville provides a unique record of what was once America s preeminent form of popular entertainment from the late 1800s through the early 1930s It includes entries not only on the entertainers themselves but also on those who worked behind the scenes the theatres genres and historical terms Entries on individual vaudevillians include biographical information samplings of routines and often commentary by the performers Many former vaudevillians were interviewed for the book including Milton Berle Block and Sully Kitty Doner Fifi D Orsay Nick Lucas Ken Murray Fayard Nicholas Olga Petrova Rose Marie Arthur Tracy and Rudy Vallee Where appropriate entries also include bibliographies The volume concludes with a guide to vaudeville resources and a general bibliography Aside from its reference value with its more than five hundred entries The Encyclopedia of Vaudeville discusses the careers of the famous and the forgotten Many of the vaudevillians here including Jack Benny George Burns and Gracie Allen Jimmy Durante W C Fields Bert Lahr and Mae West are familiar names today thanks to their continuing careers on screen At the same time and given equal coverage are forgotten acts legendary female impersonators Bert Savoy and Jay Brennan the vulgar Eva Tanguay with her billing as The I Don t Care Girl male impersonator Kitty Doner and a host of freak acts

Groucho Marx Lee Siegel,2016-01-28 Born Julius Marx in 1890 the brilliant comic actor who would later be known as Groucho was the most verbal of the famed comedy team the Marx Brothers his broad slapstick portrayals elevated by ingenious wordplay and double entendre In his spirited biography of this beloved American iconoclast Lee Siegel views the life of Groucho through the lens of his work on stage screen and television The author uncovers the roots of the performer s outrageous intellectual acuity and hilarious insolence toward convention and authority in Groucho s early upbringing and Marx family dynamics The first critical biography of Groucho Marx to approach his work analytically this fascinating study draws unique connections between Groucho s comedy and his life concentrating primarily on the brothers classic films as a means of understanding and appreciating Julius the man Unlike previous uncritical and mostly reverential biographies Siegel s bio commentary makes a distinctive contribution to the field of Groucho studies by attempting to tell the story of his life in terms of his work and vice versa

Red Skelton Wes Gehring,2013-09-10 For more than twenty years Hoosier comic Red Skelton entertained millions of viewers who

gathered around their television sets to delight in the antics of such notable characters as Freddie the Freeloader Clem Kaddiddlehopper Cauliflower McPugg and Sheriff Deadeye. Noted film historian Wes D Gehring examines the man behind the characters someone who never let the facts get in the way of a good story. Gehring delves into Skelton's hardscrabble life with a shockingly dysfunctional family in the southern Indiana community of Vincennes his days on the road on the vaudeville circuit the comedian's early success on radio his up and down movie career with Metro Goldwyn Mayer and his sometimes tragic personal life. *Buffoon Men* Scott Balcerzak, 2013-10-01 Fans and scholars of film history gender studies and broadcast studies will appreciate Balcerzak's thorough exploration of the era's fascinating gender constructs. Chicago Comedy Margaret Hicks, 2011-04-22 An overview of Chicago's comedic legacy from its early days to its present day position as a breeding ground for some of comedy's biggest names. Gapers Block Famous for being a city of broad shoulders Chicago has also developed an international reputation for split sides and slapped knees. Watch the Chicago style of comedy evolve from nineteenth century vaudeville through the rebellious comics of the fifties and into the improvisation and sketch that ushered in a new millennium. Drawing on material both hilarious and profound Second City alum Margaret Hicks touches on what makes Chicago different from other cities and how that difference produced some of the greatest minds comedy will ever know. Amos n Andy Jack Benny Lenny Bruce Del Close John Belushi Tina Fey Stephen Colbert and so many many more. Includes photos. **Leo McCarey** Wes D. Gehring, 2005 This first full length biography of a legendary and award winning Hollywood writer producer and director. *Duck Soup My Favorite Wife An Affair to Remember Going My Way and The Bells of St Mary's* explores the director's life as filtered through his art. Gehring maintains that McCarey's films were often a reworking of his antiheroic self. In addition the apparent diversity of his films actually represents an interrelated web of various comedy genres and a pattern of antiheroic characters and themes. Groucho Marx and Other Short Stories and Tall Tales Robert S. Bader, 2011-10-01 Applause Books Groucho Marx was a comic genius who starred on stage and in film radio and television. But he was also a gifted writer the author of a play two screenplays seven books and over 100 articles and essays. This newly expanded collection presents the best of Groucho's short comic pieces written over a period of more than fifty years between 1919 and 1973 for the New York Times the New Yorker the Saturday Evening Post Variety the Hollywood Reporter and other newspapers and magazines. Here is the one and only Groucho on his family his days in vaudeville his career World War II taxes and other topics from his love of a good cigar to his chronic insomnia from Why Harpo Doesn't Talk to The Truth About Captain Spalding. The familiar irreverence wordplay and a dash of self deprecation bring Groucho's wisecracking voice to life in these pages firmly establishing him as one of the world's great humorists. *Groucho Marx and Other Short Stories and Tall Tales* a title of Groucho's own choosing is essential reading for Marx Brothers fans and a hilarious and nostalgic trip through the twentieth century. The New Humor in the Progressive Era R. DesRochers, 2014-07-24 By tracing the effects of unprecedented immigration the advent of the new woman and the little

known vaudeville careers of performers like the Elinore Sisters Buster Keaton and the Marx Brothers DesRochers examines the relation between comedic vaudeville acts and progressive reformers as they fought over the new definition of Americanness *Joe E. Brown* Wes D. Gehring,2014-12-24 As a young boy in the depths of the 1890s depression Joe E Brown had a job making faces at the firemen on passing coal burning trains so they would throw coal at him As a child he also worked as a circus acrobat and newsboy His inventiveness and spunk helped his family get through hard times but also fueled his fascination with entertainment and he built up a repertoire of rubber faced expressions and funny antics that would make his stage and screen work memorable Baseball was a favorite pursuit in his life and thus a recurring theme in his films and skits In this biography the first on one of the top film comedians of the 1930s the reader learns of Joe s challenging childhood and how it prepared him for later screen roles and how his love of baseball translated into screen successes His early career in vaudeville is discussed his work as a Broadway comedian in the Roaring Twenties his road to movie stardom and how he parlayed his love of sports into big hits like 1930 s Elmer the Great The year 1935 gets its own chapter its films are considered the pinnacle of Brown s career including *Alibi* *Ike Bright Lights* and *A Midsummer Night s Dream* The final chapters reveal what happened after he left Warner Bros including the bittersweet 1940s when he entertained troops around the globe while mourning a son lost to the war The book concludes with a comprehensive filmography of his features from 1928 to 1963 **Focus On: 100 Most Popular Vaudeville Performers** Wikipedia contributors, [Will Cuppy](#), [American Satirist](#) Wes D. Gehring,2013-10-30 Back in the golden age of humor books late 1920s early 1950s when wits of the pantheon like Robert Benchley James Thurber and S J Perelman were producing their signature works there was another singular satirist who more than held his own with such fast company Will Cuppy 1884 1949 This factual funnyman s metier is dark comedy that flirts with nihilism His agenda is baldly stated in such classic Cuppy book titles as *How to Be a Hermit* 1929 *How to Tell Your Friends from the Apes* 1931 and *The Decline and Fall of Practically Everybody* 1950 This biography doubles as a critical study of a satirist whose shish kebabing of humanity was often done through the veiled anthropomorphic use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona *Brazil* Paul McAuley,2019-07-25 Widely believed to be Terry Gilliam s best film *Brazil* s brilliantly imaginative vision of a retro futuristic bureaucracy has had a lasting influence on genre cinema Exploring its complex history and relationship with other dystopias Paul McAuley explains why this satire on the unchecked power of the state is more relevant than ever *Movie Comedians of the 1950s* Wes D. Gehring,2016-11-03 The 1950s were a transitional period for film comedians The artistic suppression of the McCarthy era and the advent of television often resulted in a dumbing down of motion pictures Cartoonist turned director Frank Tashlin contributed a funny but cartoonish effect through his work with comedians like Jerry Lewis and Bob Hope A new

vanguard of comedians appeared without stock comic garb or make up fresh faces not easily pigeonholed as merely comedians such as Tony Randall Jack Lemmon and Tony Curtis Some traditional comedians like Charlie Chaplin Red Skelton and Danny Kaye continued their shtick though with some evident tweaking This book provides insight into a misunderstood decade of film history with an examination of the personality comedians The talents of Dean Martin and Bob Hope are reappraised and the dumb blonde stereotype as applied to Judy Holliday and Marilyn Monroe is deconstructed Candor and Perversion Roger Shattuck,1999 he is an expert at intellectual and moral triage sorting patiently through the tangle of mixed motives that make for art admiring the candor admonishing the perversion *Charlie Chaplin and A Woman of Paris* Wes D. Gehring,2021-01-12 Charlie Chaplin s A Woman of Paris 1923 was a groundbreaking film which was neither a simple recycling of Peggy Hopkins Joyce s story nor quickly forgotten Through heavily documented period research this book lands several bombshells including Paris is deeply rooted in Chaplin s previous films and his relationship with Edna Purviance Paris was not rejected by heartland America Chaplin did romantic research especially with Pola Negri and Paris many ongoing influences have never been fully appreciated These are just a few of the mistakes about Paris **The Encyclopedia of New York City** Kenneth T. Jackson,Lisa Keller,Nancy Flood,2010-12-01 Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

If you ally dependence such a referred **Marx Brothers A Bio Bibliography** books that will pay for you worth, acquire the unquestionably best seller from us currently from several preferred authors. Marx Brothers A Bio Bibliography Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Marx Brothers A Bio Bibliography PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Marx Brothers A Bio Bibliography PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Marx Brothers A Bio Bibliography free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
