## **Marxist Conception Of Ideology A Critical Essay:**

**The Marxist Conception of Ideology** Martin Seliger,1979-12-06 A comprehensive and systematic account of Marx and Engel s ideology and the propositions intimately connected with it

**The Practice of Theory** Keith Moxey,2018-07-05 Many art historians regard poststructuralist theory with suspicion some even see its focus on the political dimension of language as hostile to an authentic study of the past Keith Moxey bridges the gap between historical and theoretical approaches with the provocative argument that we cannot have one without the other If art history is to take part in the processes of cultural transformation that characterize our society he writes then its historical narratives must come to terms with the most powerful and influential theories that currently determine the way in which we conceive of ourselves After exploring how the insights offered by deconstruction and semiotics change our understanding of representation ideology and authorship Moxey himself puts theory into practice In a series of engaging essays accompanied by twenty eight illustrations he first examines the impact of cultural values on Erwin Panofsky s writings Taking a fresh look at work by artists from Albrecht D rer and Erhard Sch n to Barbara Kruger and Julian Schnabel he then examines the process by which he generic boundaries between high and low art have helped to sustain class and gender differences Making particular reference to the literature on Martin Schongauer Moxey also considers the value of art history when it is reduced to artist s biography Moxey s interpretation of the work of Hieronymus Bosch not only reassesses its intelligence and imagination but also brings to light its pragmatic conformity to elite definitions of artistic genius With his compelling analysis of the politics of interpretation Moxey draws attention to a vital aspect of the cultural importance of history

**Marx's Proletariat** David Lovell,2015-04-24 George Orwell wrote in Nineteen Eighty Four that If there is hope it lies in the proles A century earlier Marx was unequivocal the future belonged to the proletariat Today such confidence might seem misplaced The proletariat has not yet fulfilled Marx s expectations and seems unlikely ever to do so How could Marx have entertained the notion that the proletariat would emancipate humanity from capitalism and from class rule itself This book first published in 1988 attempts an explanation by examining the sources and development of Marx s concept of the proletariat It contends that this was not only a crucial element in Marx s theory but a significant departure in socialist thought By examining this concept in detail the book uncovers a major contradiction in Marxian thought although the proletariat is assigned a momentous task it is chiefly depicted as the class of suffering which is why historically it has preferred security to enterprise

**The Creation of History in Ancient Israel** Marc Zvi Brettler,2002-11 Argues that the biblical historians were influenced by typology interpretation of earlier texts satire and ideology shows how with this model we can put together a history of ancient Israel using the Hebrew Bible as a key source

**Theory of Culture** American Sociological Association,Deutsche Gesellschaft Fur Soziologie Sektion Soziologische Theorien,1992-01-01 With the increasing focus on the concept of culture by sociologists and other social scientists there is now a need for clarifying and developing theoretical perspectives on this issue The

contributors to this volume have answered this call each adding new insight to the debate over culture its definition and its relationship with other basic categories in sociological theory Along the way they touch on other fundamental issues such as the interrelationship of culture with society the human personality and the wider environment of the human condition

**Marx and We** Sun Zhengyu,2024-08-01 Marxist ideology is the only fully scientific ideology the only one able to guide mankind toward the settlement of fundamental social problems and to point out the royal road for the proletariat to take in its march toward socialism and communism Without Marxism modern people cannot establish true social ideals nor can they engage in the rational pursuit of values Without Marxism modern people cannot choose the correct path of development nor can they build up new forms of civilizations Without Marxism modern people would never base their commitments to schedule the consensus building effort and support the consensus building process on any irrefutably and sufficiently sound theoretical foundations

*A Philosophy of Intellectual Property* Peter Drahos,2016-12-05 Are intellectual property rights like other property rights More and more of the world s knowledge and information is under the control of intellectual property owners What are the justifications for this What are the implications for power and for justice of allowing this property form to range across social life Can we look to traditional property theory to supply the answers or do we need a new approach Intellectual property rights relate to abstract objects objects like algorithms and DNA sequences The consequences of creating property rights in such objects are far reaching A Philosophy of Intellectual Property argues that lying at the heart of intellectual property are duty bearing privileges We should adopt an instrumentalist approach to intellectual property and reject a proprietary approach an approach which emphasizes the connection between labour and property rights The analysis draws on the history of intellectual property legal materials the work of Grotius Pufendorf Locke Marx and Hegel as well as economic sociological and legal theory The book is designed to be accessible to specialists in a number of fields as well as students It will interest philosophers political scientists economists legal scholars as well as those professionals concerned with policy issues raised by modern technologies and the information society

**The Political Psychology of Appeasement** Walter Laqueur, This volume takes its title from one of the most prescient essays of our times an analysis of Eurocommunism as a consequence of military stalemate and the atrophy of will in the West These essays highlight Laqueur s exceedingly sober assessment of the current status in world power not primarily in military terms but in geopolitical and ideological terms

**Karl Marx and Friedrich Engels** Cecil Eubanks,2015-04-17 The project to publish the works of Marx and Engels continues and this book published in 1984 puts together a comprehensive bibliography of their works either written in or translated into English including books monographs articles chapters and doctoral dissertations together with the works of their interpreters The inclusion of the secondary literature makes this a particularly valuable bibliography and contributes greatly to the understanding of the thought of Marx and Engels

**The Darkest Sides of Politics, I** Jeffrey M. Bale,2017-09-04 This book examines a wide array of phenomena that arguably constitute the most

noxious extreme terrifying murderous secretive authoritarian and or anti democratic aspects of national and international politics Scholars should not ignore these dark sides of politics however unpleasant they may be since they influence the world in a multitude of harmful ways The first volume in this two volume collection focuses on the history of underground neo fascist networks in the post World War II era neo fascist paramilitary and terrorist groups operating in Europe and Latin America in the 1960s and 1970s and the manipulation of those and other terrorist organizations by the security forces of various states both authoritarian and democratic A range of global case studies are included all of which focus on the lesser known activities of certain secular extremist milieus This collection should prove to be essential reading for students and researchers interested in understanding seemingly arcane but nonetheless important dimensions of recent historical and contemporary politics

Landmark Essays on Contemporary Rhetoric Thomas B. Farrell, 2020-10-28 This work brings together the pivotal scholarly essays responsible for the present resurgence in rhetorical studies Assembled by one of the most respected senior scholars in the field of rhetoric the essays chart a course from tradition based theory of civic rhetoric to ongoing issues of figuration power and gender Together with a lucid introductory essay these studies help to integrate the still volatile questions at the core of humanities scholarship in rhetoric The introductory student as well as the seasoned scholar will gain familiarity and footing in this oldest and still new liberal art

**The Bloomsbury Companion to Marx** Andrew Pendakis, Imre Szeman, Jeff Diamanti, 2018-12-27 There are very few figures in history that have exerted as much and as varied an influence as Karl Marx His work represents an unrivalled intervention into fields as various as philosophy journalism economics history politics and cultural criticism His name is invoked across the political spectrum in connection to revolution and insurrection social justice and economic transformation The Bloomsbury Companion to Marx is the definitive reference guide to Marx's life and work Written by an international team of leading Marx scholars the book offers comprehensive coverage of Marx's life and contexts sources influences and encounters key writings major themes and topics and reception and influence The defining feature of this Companion is its attention to the new directions in Marxism that animate the theoretical scientific and political sides of Marx's thought Gender and the growing importance of Marxist feminism is treated as equally important to clarifying Marx today as traditional and diverse categories of critique such as class capital and mode of production Similarly this Companion showcases the methodological and political importance of Marxism to environmentalist politics Finally the volume examines in detail non European Marxisms demonstrating the centrality of Marxist thought to political movements both within and beyond the global north This book is the ideal research resource for anyone working on Marx and his ideas today and as an entry point if you are approaching Marx's thought for the first time

*Karl Marx and Friedrich Engels (RLE Marxism)* Cecil L. Eubanks, 2015-04-17 The project to publish the works of Marx and Engels continues and this book published in 1984 puts together a comprehensive bibliography of their works either written in or translated into English including books monographs articles chapters and doctoral dissertations together with

the works of their interpreters The inclusion of the secondary literature makes this a particularly valuable bibliography and contributes greatly to the understanding of the thought of Marx and Engels      *The Theology of the Cross and Marx's Anthropology* Winston D. Persaud,2005-09-13 This is a fascinating major articulation of a contemporary theology of the cross in response to the soteriological challenge of Karl Marx s anthropological Weltanschauung The author focuses primarily on the much neglected Early Writings 1844 Manuscripts in which Marx himself provides a necessary humanistic critique of official Marxism The theology of the cross which the author articulates is centered in Luther s theologia crucis Moltmann s crucified God and Latin American liberation theology s divine identification and solidarity with the poor and oppressed Specifically the context of the work is the Caribbean and the Americas      **False Consciousness** Guenter Lewy,2017-07-05 In this book Guenter Lewy explains and critiques the idea of false consciousness that people living under capitalism do not know their best interests This idea was prevalent in the writings of nineteenth century Marxism modern communism and the New Left Lewy applies what German scholars call Ideologiekritik to the Marxian concept of ideology or false consciousness itself to demystify the concept of mystification He also presents an account of the historical development of the concept and the dangers of its application in society Belief in false consciousness inspired many social scientists to propose that elite classes in capitalist countries use the media and the education system to manipulate the proletariat thus perpetuating their own power Lewy marshals social scientific evidence to refute that idea demonstrating that education and the mass media in the United States in fact often challenge accepted values and the status quo Lewy documents Soviet and Chinese brainwashing efforts to eradicate dangerous political ideas and values derived from a belief in false consciousness He also reviews attempts by Marxist and neo Marxist educators and social scientists in the Federal Republic of Germany West Germany to free young people from false consciousness by means of emancipatory pedagogy a program of intense political indoctrination      Worldview David K. Naugle,2002-07-16 Conceiving of Christianity as a worldview has been one of the most significant events in the church in the last 150 years In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English speaking world Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences Finally Naugle gives the concept biblical and theological grounding exploring the unique ways that worldview has been used in the Evangelical Orthodox and Catholic traditions This clear presentation of the concept of worldview will be valuable to a wide range of readers      The Portable Karl Marx Karl Marx,1983-03-31 Includes the complete Communist Manifesto and substantial extracts from On the Jewish Question the German Ideology Grundrisse and Capital a broad representation of his letters and lesser known works especially his long unavailable early works      **Marx and Public Services** Tony

Kinder,2025-04-10 By evaluating previous public management research through Marxist concepts this textbook offers innovative solutions to public service problems It updates Marx s framework to reflect the growth of public services transitioning from abstract state notions to concrete service analysis Addressing two critical gaps the book highlights the benefits of a Marxist approach to public services and presents Marxist ideas to examine these services at a micro level It demonstrates the relevance of Marxist frameworks for public service professionals critically reviews current public management knowledge and sheds light on the dynamic nature of public services against the background of neoliberalism While doing so the book goes beyond a Eurocentric perspective providing cases and practical examples from developed and developing countries with an additional focus on Asian practices Written by an award winning author with years of practical experience and designed for graduate and advanced undergraduate students each chapter sets clear learning objectives and reviews existing tools and frameworks The chapters also present new ways of improving public services encouraging readers to apply Marxist concepts to their contexts and cultures This will also make this book a practical resource for practitioners and professionals seeking to resolve their grounded public services issues      **Against Leviathan** Robert Higgs,2025-10-07

What is fundamentally wrong with government today In *Against Leviathan* economist and historian Robert Higgs offers an unflinching critical analysis of government power *Against Leviathan* combines an economist s analytical scrutiny an historian s respect for the facts and a refusal to accept the standard excuses and cruelties of government officialdom Topics include Social Security the paternalism of the FDA the War on Drugs the nature of political leadership civil liberties the conduct of the national surveillance state and governmental responses to a continuing stream of crises including domestic economic busts and foreign wars both hot and cold *Against Leviathan* is a thorough and penetrating critique and a significant contribution in this current time of crisis and unchecked expansion of government power      The Joan Robinson Legacy

Ingrid H. Rima,2016-09-16 First Published in 1991 The undertakings within this book are testimony to the professional legacy Joan Robinson left behind The contributors discuss her irreverence for established theory her seemingly unquenchable zest for intellectual argument doggedly pursued on the conviction that she was at least morally right the sharpness of her wit along with her occasionally unconventional mode of dress and her enjoyment of nature This includes a biographical memoir and concludes with a bibliography of the writings of Robinson
