Becoming Real Steven James, 2010-05-11 Most of us live in a state of unreality, afraid to show our true self. But deep inside, like the renowned Velveteen Rabbit, we long to become real. Weary of masking true struggles, most of us long for transparency and ache for the embrace of a God who meets them amid the mess of life. Award-winning author Steven James offers an open invitation for those daring enough to venture into a new realm of vulnerability where it is admirable to be honest about shortcomings, genuine with love, and unguarded about motives. Divided into sections on *Embarking*, *Awakening*, and *Emerging*, this book outlines a process that leads to a more abundant life as pretense and defensiveness are left behind.

Just Mary: A Political Memoir From Mary O'Rourke Mary O'Rourke, 2012-10-12 In this memoir, Mary O'Rourke writes with remarkable candidness and humour of personal and political events of the many senior political figures with whom she worked, including Charles Haughey and Bertie Ahern, of her life with her beloved husband Enda, of her two dear Brians, both of whom died before their time, of her successes and disappointments. She does all this with honesty, energy, and an absence of self-pity or self-justification. The book is like the woman herself: open, warm, and frank.
