America and the twilight of steamboat packets from 1875 to 1930 Nevertheless both groups remain understudied by scholars of the era Most of what we know about these laborers on the river comes not from the work of historians but from travel accounts novelists songwriters and early film producers As a result images of these men and women are laden with nostalgia and minstrelsy Gregg Andrews's *Shantyboats and Roustabouts* uses the waterfront squatter settlements and Black entertainment district near the levee in St Louis as a window into the world of the river poor in the Mississippi Valley exploring their daily struggles and experiences and vividly describing people heretofore obscured by classist and racist caricatures *Minnesota History* Theodore Christian Blegen, Bertha Lion Heilbron, 2004 Vol 6 includes the 23d Biennial report of the Society 1923-24 as an extra number **A.L.A.
