Gontarski,2021-11-18 In addition to contributing significantly to the growing field of Burroughs scholarship Burroughs Unbound also directly engages with the growing fields of textual studies archival research and genetic criticism asking crucial questions thereby about the nature of archives and their relationship to a writer s work These questions about the archive concern not only the literary medium In the 1960s and 1970s Burroughs collaborated with filmmakers sound technicians and musicians who helped re contextualized his writings in other media Burroughs Unbound examines these collaborations and explores how such multiple authorship complicates the authority of the archive as a final or complete repository of an author s work It takes Burroughs seriously as a radical theorist and practitioner who critiqued drug laws sexual practice censorship and what we today call a society of control More broadly his work continues to challenge our common assumptions about language authorship textual stability and the archive in its broadest definition *The Companion to Our Mutual Friend (RLE Dickens)* Michael Cotsell,2013-05-13 Our Mutual Friend 1864 5 Dickens last completed novel has been critically praised as a profound and troubled masterpiece and yet is has received far less scholarly attention than his other major works This volume is the first book length study of the novel It explores every aspect of Dickens sustained imaginative involvement with his age In particular its original research into hitherto neglected sources reveals not only Dickens reactions to the important developments during the 1860s in education finance and the administration of poverty but also his interest in phenomena as diverse as waste collection and the Shakespeare tercentenary The Companion to Our Mutual Friend demonstrates the varied resources of artistry that inform the novel and it provides the reader with a fundamental source of information about one of Dickens most complex works
