Spaghetti Westerns at the Crossroads Fisher Austin Fisher, 2016-04-30 What links Italian neorealism to Django Unchained French comic books to Third World insurgency and Bollywood song and dance to Eastern Bloc film distribution As this volume illustrates the answers lie in the Spaghetti Western genre As the reference points of American popular culture became ever more prominent in post war Europe the hundreds of films that make up the Italian or Spaghetti Western documented profound shifts in their home country's cultural outlook while at the same time denying specifically national discourses An object of fascination and great affection for fans filmmakers and academics alike the Western allitaliana arose from a diverse confluence of cultural strands and would become a pivotal moment in cinematic history Reappraising a diverse selection of films from the internationally famed works of Sergio Leone to the cult cachet of Sergio Corbucci and the more obscure outputs of such directors as Giuseppe Colizzi and Ferdinando Baldi this comprehensive study brings together leading international scholars in a variety of disciplines to both revisit the genre's cultural significance and consider its ongoing influence on international film industries

Oh Ye Mighty Shane Michael Jones, 2021-03-08 Thomas Belson's name has grown heavy with glory and honor By his leadership the nations of Thyro weathered Emperor Thaniel's dread conquest By his holy vows humanity finally deadened the sorcerous shriek of the Old Religion He walked through the World Below to arm the righteous with knowledge against it Those who count themselves allies of goodness and grace owe Constable Thomas Belson the debt of their remembrance But perhaps there are things worth forgetting too How Thomas rages against the gods to

whom he swore his Constable's oath How he laments nothing more than outliving his triumph How he's killed enough men to make a hard winter blush and not all of them guilty Come to think of it not all of them men either Perhaps what Belson the Blessed learned in the World Below should stay between him and Hell It was that secret that made him nail children to pillars as all the allies of goodness and grace averted their righteous gaze Thomas Belson won his war but he hasn't stopped fighting in the decade since Guilt and paranoia make him see Thaniel in every tin pot tyrant apocalypse in every shadow His increasingly erratic behavior is a growing concern for the governments of Thyro They've heard the rumors They know he cries out in his sleep The Matriarch of the New Church calls it a kindness when she absolves him of his oaths After fifteen years of fighting he can finally return to his family in The Confederacy to find peace However the powers that be have grown complacent in peace Perhaps they watch apocalypse loom and dismiss it as shadows Thomas Belson saw something in the World Below that drove him to atrocity and Hell is nothing if not patient
