Burton, Kitty Sklar, Patrick Brantlinger**

Popularizing Classical Economics Henry Brougham And William Ellis:

Popularizing Classical Economics W.D. Sockwell, 2016-07-27 Popularizing Classical Economics analyzes the theoretical contributions of two British Economists Henry Brougham and William Ellis and describes how they popularized economic ideas from the early 1800s through the 1860s Efforts to spread economic ideas to the lay public have been little studied and few individuals have been recognized for their efforts This book traces the efforts of Brougham and Ellis to spread classical economic ideas through education of both adults and children

Morality and the Market in Victorian Britain Geoffrey Russell Searle, 1998 In this lively and interesting study G R Searle tackles the conundrum at the heart of Victorian life how could capitalist values be harmonized with Christian beliefs and with concepts of public morality and social duty Middle class Victorians who broadly welcomed industrial growth and embraced the doctrines of political economy were sensitive to the charge that theirs was a selfish and materialistic creed Consequently if public morality was to be reconciled with the market wage labour had to be distinguished from slavery investment from speculation and entrepreneurial acumen from dishonesty and fraud These ideas about citizenship and public virtue offered a greater challenge to rampant capitalism than any pressing need to alleviate poverty Through its exploration of Victorian values this book provides lessons for all those engaged in the present day debate about the moral and social consequences of unleashing free market forces

The Economics of Thomas Robert Malthus Samuel Hollander, 1997-01-01 Hollander investigates the relation of Malthusian economics to that of the other great classicists particularly Smith Ricardo J B Say and the French physiocrats He redefines our common perception of Malthus's method and character

The Economic Legacy of José Joaquín de Mora Jesús Astigarraga, Javier Usoz, Juan Zabalza, 2024-03-29 This book examines the dissemination adaptation and application of classical economic ideas within the Hispanic world through the life of Jos Joaquín de Mora Focusing on the decades surrounding the creation of the Latin American republics it highlights how ideas from the classical political economy including liberalism and free trade were pioneered in the work of Mora and disseminated across the Spanish speaking world Particular attention is given to the influence of Mora in Argentina Chile Peru and Bolivia and how he helped shape their economic development models and political environments This book examines the essential role Jos Joaquín de Mora played in the ideological and political modernisation of Latin America It will be of interest to students and researchers interested in the history of economic thought and the political economy

Women, Power Relations, and Education in a Transnational World Christine Mayer, Adelina Arredondo, 2020-05-06 This edited collection addresses the nexus of gender power relations and education from various angles while covering a broad spectrum of the history of education in both time and geographic space Taking the position that historians of gender and education find the concept of transnationalism very useful for a deeper understanding of historical change and situations the editors and their contributors employ a transnational perspective to explore the complex and entangled dimensions of a history of education that transcends regional

and national boundaries through a variety of approaches e.g. through exploring new fields of research sources questions perspectives for interpretation or methodologies. In doing so they also undertake to open up a transnational global perspective for the historiography of education.

International Bibliography of Economics 1994 British Library of Political and Economic Science at the London School of Economics, 1995. The IBSS is the essential tool for librarians university departments research institutions and any public or private institutions whose work requires access to up to date and comprehensive knowledge of the social sciences.

A Sincere and Teachable Heart Richard Bellon, 2015-01-27. In *A Sincere and Teachable Heart: Self Denying Virtue in British Intellectual Life 1736-1859*. Richard Bellon demonstrates that respectability and authority in eighteenth and nineteenth century Britain were not grounded foremost in ideas or specialist skills but in the self denying virtues of patience and humility. Three case studies clarify this relationship between intellectual standards and practical moral duty. The first shows that the Victorians adapted a universal conception of sainthood to the responsibilities specific to class gender social rank and vocation. The second illustrates how these ideals of self discipline achieved their form and cultural vigor by analyzing the eighteenth century moral philosophy of Joseph Butler John Wesley Samuel Johnson and William Paley. The final reinterprets conflict between the liberal Anglican Noetics and the conservative Oxford Movement as a clash over the means of developing habits of self denial.

The Literature of Political Economy Samuel Hollander, 1997-11-13. Samuel Hollander is widely recognized as one of the most important and controversial historians of economic thought. This second volume collects together essays extending beyond classical economics the subject with which he is most associated. This collection includes studies in Scholastic Smithian and Marshallian literature papers on the Corn Law pamphlet literature of 1815 the post Ricardian dissension and the marginal revolution essays on T.R. Malthus including four bibliographical studies. The volume also includes an autobiographical section and reviews of a broad range of important books published in the last thirty years.

Economics and its Enemies William Oliver Coleman, 2002-10-23. Anti economics is described as the opposition to the main stream of economic thought that has existed from the Eighteenth century to the present day. This book tells the story of anti economics in relations to Smith Ricardo Mill Walras Keynes and Hicks as well as current economic thinkers. William Coleman examines how anti economics developed from the Enlightenment to the present day and analyzes its various guises: Right anti economics Left anti economics Nationalist and Historicist anti economics and Irrationalist Moralistic Aesthetic and Environmental anti economics.

Slavery and Colonialism in the History of Economic Thought Simona Pisanelli, 2024-08-16. Atlantic slavery represents one of the blackest pages of human history. European powers not only colonised American lands but also brought African men and women to work as slaves on plantations. Intellectuals did not remain indifferent to this practice and from the second half of the 18th century criticised the institution of slavery from an ethical legal and economic point of view. This book aims to briefly illustrate the colonisation process implemented by France and Great Britain in the Caribbean and to reconstruct the debate

on colonialism and slavery that developed in these two countries approaching the issue from the standpoint of the History of Economic Thought The decisive phase in this debate took place in the second half of the 18th century when some classical economists belonging to the cultural movement of the Enlightenment laid the foundations for the critique of a production system based on slavery On the same basis some economists of the first half of the 19th century continued to express their critical attitude towards slavery and colonialism The ideas of the Enlightenment although of European origin are also useful in analysing the different levels of development that the former American colonies achieved following independence choosing to invest in either industry or agriculture This book provides the reader with the critical tools to understand that opting for slavery was not only an unforgivable sin in human history but also an economically irrational choice

Ireland in Official Print Culture, 1800-1850 Niall Ó Ciosáin, 2014-02 Analyses the construction and dissemination of the image conveyed of Irish society in the early nineteenth century

Harriet Martineau's Writing on the British Empire, vol 1 Deborah Logan, Antoinette Burton, Kitty Sklar, Patrick Brantlinger, 2021-12-16 The literary presence of Harriet Martineau pervades 19th century English and American culture This edition makes her work available and focuses on her writings on imperialism It should be of interest to scholars of colonialism women s writing Victorian studies sociology and journalism

Harriet Martineau's Writing on the British Empire, Vol 5 Deborah Logan, Antoinette Burton, Kitty Sklar, Patrick Brantlinger, 2021-12-24 The literary presence of Harriet Martineau pervades 19th century English and American culture This edition makes her work available and focuses on her writings on imperialism It should be of interest to scholars of colonialism women s writing Victorian studies sociology and journalism

The 'Invisible Hand' and British Fiction, 1818-1860 E. Courtemanche, 2011-04-12 The invisible hand Adam Smith s metaphor for the morality of capitalism is explored in this text as being far more subtle and intricate than is usually understood with many British realist fiction writers Austen Dickens Gaskell Eliot having absorbed his model of ironic causality in complex societies and turned it to their own purposes

Moralizing Capitalism Stefan Berger, Alexandra Przyrembel, 2019-07-26 This book adds a crucial focus on morality to the growing literature on the history of capitalism by exploring social and cultural perspectives on the economic order that has dominated the modern world Taking the study beyond narrow economic confines it traces the entanglement between moral sentiments and capitalism examining both moral critiques and moral justifications Company bankruptcies systems of taxation wealth and the running of stock exchanges were attacked on moral grounds while ideas of economic justice and the humanization of capitalism loomed large over moral critiques Many movements from antislavery to labour campaigns were inspired by aspirations to improve capitalism and halt the moral decay that was felt to have affected large sections of society This book questions how moral sentiments are defined and have changed over time and how these relate to both capitalism and anti capitalism Covering a range of different social movements and ethical issues the 13 chapters present a moral history of capitalism understood not simply as an economic system but as an order that encompasses all areas of modern life

Illustrations of Political Economy Harriet Martineau, 2004-10-21 Published in 1832 *Illustrations of Political Economy* established Harriet Martineau as both a successful and controversial author and a pioneer of nineteenth century social problem writing. This widely read series of didactic stories popularized political economy making it accessible to audiences by vividly dramatizing issues such as overpopulation and labour strikes. *Illustrations of Political Economy* marks a pivotal moment in which literature and politics came together laying the foundation for the realism and social commentary of later Victorian novels. This Broadview edition contains a critical introduction and a rich selection of historical documents including contemporary reviews of *Illustrations* and writings on population growth, factory conditions and working class life. Allyn Young Charles P. Blitch, 2016-07-27 This careful and long overdue biography fills us in on the life and work of an American economist who was important during the first three decades of the century. The book is especially timely because Young's seminal article 1928 on increasing returns is now widely acknowledged to foreshadow much of the modern analysis of endogenous growth and related inquiry. James M Buchanan George Mason University Allyn Young was one of the most prominent and influential economists in the interwar period. His influence came largely through the work of his students Frank Knight, Holbrook Working, Edward Chamberlin, Seymour Harris and others. He held professorships at Stanford, Cornell and Harvard Universities among others. His public service included chief economic advisor to the American delegation at the Paris Peace Conference in 1919. This book provides the first full study of Allyn Young's life and work. It presents detailed expositions of his papers on demographics, value theory, depreciation, taxation, index number theory and increasing returns. It is a straightforward analysis of the life and work of one of the most fascinating economists of this century. **Family Fictions and Family Facts** Brian Cooper, 2007-05-07 Here Brian Cooper explores the role of economic theory in normalizing the family in the first half of the nineteenth century. Drawing on a wide range of sources, the book examines the impacts of these different forms on contemporary debate. Bees, Science, and Sex in the Literature of the Long Nineteenth Century Alexis Harley, Christopher Harrington, 2023-11-07 The long nineteenth century 1789-1914 has been described as an axial age in the history of both bees and literature. It was the period in which the ecological and agronomic values that are still attributed to bees by modern industrial society were first established and it was the period in which one bee species, the European honeybee, completed its dispersal to every habitable continent on Earth. At the same time, literature which would enable, represent and in some cases repress or disavow this radical transformation of bees' fortunes was undergoing its own set of transformations. *Bees, Science and Sex in the Literature of the Long Nineteenth Century* navigates the various developments that occurred in the scientific study of bees and in beekeeping during this period of remarkable change, focusing on the bees themselves, those with whom they lived and how old and new ideas about bees found expression in an ever diversifying range of literary media. Ranging across literary forms and genres, the studies in this volume show the ubiquity of bees in nineteenth century culture demonstrate the queer specificity of writing about and with bees and

foreground new avenues for research into an animal profoundly implicated in the political economic ecological emotional and aesthetic conditions of the modern world TLS, the Times Literary Supplement ,1995

The Captivating World of Kindle Books: A Thorough Guide Unveiling the Benefits of Kindle Books: A Realm of Convenience and Flexibility Kindle books, with their inherent mobility and simplicity of availability, have liberated readers from the limitations of hardcopy books. Popularizing Classical Economics Henry Brougham And William Ellis Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Popularizing Classical Economics Henry Brougham And William Ellis free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Popularizing Classical Economics Henry Brougham And William Ellis free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Popularizing Classical Economics Henry Brougham And William Ellis free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Popularizing Classical Economics Henry Brougham And William Ellis. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Popularizing Classical Economics Henry Brougham And William Ellis any PDF files. With these platforms, the world of PDF downloads is just a click away.
