The Prisoner's Escape Manual Steve Cleckler,2022-06-10 Do you sometimes feel like a prisoner Do you long to be free Well if so you are not alone We all feel this way from time to time The truth is you do not have to be incarcerated behind prison walls and bars of iron to be a prisoner You might be a prisoner of feeling that there is a great distance between you and your Creator You might be a prisoner of feeling that you have no purpose and wondering if God really cares and has a plan for you You might be a prisoner of feeling that you are just living out religion without a real sense of relationship with God The truth is spiritual bondage comes in many forms This book is about escaping spiritual bondage It is designed to help you see that you were not an accident You were created in God s image You have a destiny designed by Him He has made all the provisions needed to experience relationship and fellowship with Him This book is about finding a scriptural way out of spiritual bondage It is about finding spiritual freedom even in the grips of earthly captivity This type of escape this type of true freedom can only be found in Jesus the Christ Jesus said He came to set the captive free Do you want to know His freedom Read and apply The Prisoner s Escape Manual 74

Christ and The Prisoner's Wife Kathleen Donalson Tayler,2024-06-05 Kathleen sat on the floor with the letters dumped all around her years of letters that Dean had sent from prison Her marriage to Dean had failed and they had divorced He was incarcerated and serving a sixteen year sentence Through the years she had tossed the letters in a box without reading them letters about how he had found Christ letters about how he learned what it meant to love letters about wanting his family letters about God s grace She read through each letter tears running down her face She prayed Lord if you want me to return to my marriage you are going to have to give me love for my husband She had endured rejection infidelity fear and abandonment Dean s choices had wounded her deeply Only through God would she be able to forgive and love again Dean still had several more years on his sentence To return to her marriage would mean that she would become a prisoner s wife Christ and the Prisoner s Wife is a life changing story of God s power to save a husband a marriage and restore a family

The History and Romance of Crime: Oriental Prisons From the Earliest Times to the Present Day Arthur George Frederick Griffiths,2020-09-28 It is as true of crime in the Orient as of other habits customs and beliefs of the East that what has descended from generation to generation and become not only a tradition but an established fact is accepted as such by the people who display only a passive indifference to deeds of cruelty and violence Each country has its own peculiar classes

of hereditary criminals and the influence of tradition and long established custom has made the eradication of such crimes a difficult matter Religion in the East has had a most notable influence on crime In India the Thugs or professional stranglers were most devout and their criminal acts were preceded by religious rites and ceremonies In China the peculiar forms of animism pervading the religion of the people has greatly influenced criminal practices Murder veiled in obscurity is frequently attributed to some one of the legion of evil spirits who are supposed to be omnipresent and to satisfy and appease these demons innocent persons are made to suffer So great too is the power of the spirit after death to cause good or ill that many stories are related of victims of injustice who have hanged themselves on their persecutors door posts thus converting their spirits into wrathful ghosts to avenge them The firm belief in ghosts and their power of vengeance and reward is a great restraint in the practice of infanticide as the souls of murdered infants may seek vengeance and bring about serious calamity Oriental prison history is one long record of savage punishments culminating in the death penalty aggravated by abominable tortures The people are of two classes the oppressed and the oppressors and the last named have invented many devices for legal persecution In early China and Japan relentless and ferocious methods were in force One of the emperors of China invented a new kind of punishment described by Du Halde in 1738 at the instigation of a favourite wife It was a column of brass twenty cubits high and eight in diameter hollow in the middle like Phalaris s Bull with openings in three places for putting in fuel To this they fastened the criminals and making them embrace it with their arms and legs lighted a great fire in the inside and thus roasted them until they were reduced to ashes The first slaves in China were felons deprived of their liberty Later the very poor with their families sold themselves to the rich Although slavery has never been largely prevalent owing to the patriarchal nature of society all modern writers agree that it exists in a loathsome form to day Parents sell their children and girls bring a higher price than boys Who does not know of the peculiar sufferings and wrongs inflicted for so many generations on the gentle peasant in the proud land of the Pharaohs of whom it is said that the dust which fills the air about the Pyramids and the ruined temples is that of their remote forefathers who swarmed over the land working under the fiery sun and the sharp scourge for successive races of task masters the Ethiopian the Persian the Macedonian the Roman the Arab the Circassian and the Turk During the reign of Ismail Pasha we hear of 150 000 men women and children driven forth from their villages with whips to perform work without wages on the Khedive s lands or in his factories It is a heartrending picture In earlier times the administration of the country districts was in the hands of governors appointed by the Pasha and charged by him with the collection of taxes and the regulation of the corv or system of enforced labour at one time the universal rule in Egypt The present system established by Great Britain is in striking contrast to past cruelties
