Papa, 2013-10-01 It Happened in Wyoming takes readers on a rollicking behind the scenes look at some of the characters and episodes from the Equality State s storied past Including both famous tales and famous names and little known heroes heroines and happenings *Wyoming Revisited* Michael A. Amundson, 2014-05-15 Showcases this little known creature thriving the rugged mountains of North America **Wyoming History News**, 2009 **Readings in the Economic and Social History of the United States** Felix Flügel, Harold Underwood Faulkner, 1929 *The Popular Frontier* Frank Christianson, 2017-12-04 When William F Cody introduced his Wild West exhibition to European audiences in 1887 the show soared to new heights of popularity and success With its colorful portrayal of cowboys Indians and the taming of the North American frontier Buffalo Bill s Wild West popularized a myth of American national identity and shaped European perceptions of the United States The Popular Frontier is the first collection of essays to explore the transnational impact and mass cultural appeal of Cody s Wild West As editor Frank Christianson explains in his introduction for the first four years after Cody conceived it the Wild West exhibition toured the United States honing the operation into a financially solvent enterprise When the troupe ventured to England for its first overseas booking its success exceeded all expectations Between 1887 and 1906 the Wild West performed in fourteen countries traveled more than 200 000 miles and attracted a collective audience in the tens of millions How did Europeans respond to Cody s vision of the American frontier And how did European countries appropriate what they saw on display Addressing these questions and others the contributors to this volume consider how the Wild West functioned within social and cultural contexts far grander in scope than even the vast American West Among the topics addressed are the pairing of William F Cody and Theodore Roosevelt as embodiments of frontier masculinity and the significance of the show s most enduring persona Annie Oakley An informative and thought provoking examination of the Wild West s foreign tours The Popular Frontier offers new insight into late nineteenth century gender politics and ethnicity the development of American nationalism and the simultaneous rise of a global mass culture

Integrating the Gridiron Lane Demas, 2011 This is the first book devoted to exploring the racial politics of college athletics examining the history of African Americans on predominantly white college football teams from the 19th century through today On the Pony Express Trail Scott Alumbaugh, 2023-06-01 The Pony Express has a hold on the American imagination wildly out of proportion to its actual role in the history of the West The system of transporting mail to California

by a relay of lone riders on swift horses ran less than eighteen months in 1860 1861 and failed by every measure of success Nevertheless it has become the most iconic symbol of the West Scott Alumbaugh was so taken with the Pony Express that at age 62 he bikepacked 1 400 miles of the trail from St Joseph Missouri to Salt Lake City Utah Alumbaugh s journey took five weeks on a route that was mostly off road sometimes through remote territory Along the way he came to see the celebrated Pony Express as a collection of fables based on a few historical facts and reshaped into a symbol of the spirit that won the West On The Pony Express Trail One Man s Bikepacking Journey to Discover History from a Different Kind of Saddle recounts Scott Alumbaugh s experience bikepacking the Pony Express Trail during the summer of 2021 The narrative follows his day to day experiences and impressions the challenges the sites he visited the country he rode through and the interactions with the people he met while taking a fresh look at the real Pony Express in the context of mid 1800s historical events along the trail The Mexican American Utah and Paiute Wars the California and Pike s Peak gold rushes the overland emigration of hundreds of thousands to Oregon and California the exodus of tens of thousands of Mormons to Utah and the increasingly contentious fight over slavery along with the looming threat of civil war *Devil's Gate* Tom Rea,2012-02-15 Devil s Gate the name conjures difficult passage and portends a doubtful outcome In this eloquent and captivating narrative Tom Rea traces the history of the Sweetwater River valley in central Wyoming a remote place including Devil s Gate Independence Rock and other sites along a stretch of the Oregon Trail to show how ownership of a place can translate into owning its story Seemingly in the middle of nowhere Devil s Gate is the center of a landscape that threatens to shrink any inhabitants to insignificance except for one thing ownership of the land and the stories they choose to tell about it The static serenity of the once heavily traveled region masks a history of conflict Tom Sun an early rancher played a role here in the lynching of the only woman ever hanged in Wyoming The lynching was dismissed as swift frontier justice in the wake of cattle theft but Rea finds more complicated motives that involve land and water rights The Sun name was linked with the land for generations In the 1990s the Mormon Church purchased part of the Sun ranch to memorialize Martin s Cove as the site of handcart pioneers who froze to death in the valley in 1856 The treeless arid country around Devil s Gate seems too immense for ownership But stories run with the land People who own the land can own the stories at least for a time *Encyclopedia of Politics of the American West* Steven L. Danver,2013-04-25 The Encyclopedia of Politics in the American West is an A to Z reference work on the political development of one of America s most politically distinct not to mention its fastest growing region This work will cover not only the significant events and actors of Western politics but also deal with key institutional historical environmental and sociopolitical themes and concepts that are important to more fully understanding the politics of the West over the last century *Army Architecture in the West* Alison K. Hoagland,2004 By examining the three exemplary Wyoming forts of Laramie Bridger and D A Russell the author explains how widely varying architectural designs rather than standardized plans were used to construct western American forts *Literary World; Choice Readings from the Best New*
