Reading Baudelaire's Le Spleen de Paris and the Nineteenth-Century Prose Poem Seth Whidden,2022-06-02 Through its readings of Charles Baudelaire s collection *Le Spleen de Paris* and other prose poems from the nineteenth century this book considers the practice of reading prose poetry and how it might be different from reading poetry in verse Among the numerous factors that helped shape the nascent modernity in Baudelaire s poetic prose are the poems themes forms linguistic qualities and modes The contradictions identifiable at the level of prose poetry s discourse are similarly perceptible in other aspects of Baudelaire s poetic language beyond the discursive in the poems formal considerations which retain recognisable traces of verse despite their prose presentation and with respect to both poetic form and thematics in the sights and sounds that contribute to their poeticity With a focus on what makes prose texts poetic this study sheds light on Baudelaire the practitioner of the prose poem as he navigated and complicated the boundaries between verse prose and poetry Rather than rejecting those categories Baudelaire forges a poetic space in which the notions of poetry and prose are recast juxtaposed in a delicate balance in a textual space they manage to share This coexistence of poetry and prose previously thought of as incompatible is the underlying tension and framework that contributes importantly to the modernity of his prose poetry In turn this new mode of poetry calls for new modes of reading poetry and new ways of engaging with a text *Readings in Thanatology* John D. Morgan,2020-11-25 A comprehensive book of readings for courses on death and dying at the college or university level It contains material by such leaders in the field as Colin Murray Parkes MD John

Hinton MD Kenneth Doka PhD Ira R Byock MD Ronald K Barrett PhD Robert G Stevenson EdD Judith M Stillion PhD **The Temple University Catalogue** Temple University,1911 *Conrad's Reading* Helen Chambers,2018-04-18 This book aligns concepts and methods from book history with new literary research on a globally studied writer An innovative three part approach combining close reading the evidence of reading scrutiny of international book distribution circuits and of Conrad s

many fictional representations of reading illuminates his childhood maritime and later shore based reading After an overview of the empirical evidence of Conrad s reading his sparsely documented twenty years reading at sea and in port is reconstructed An examination the reading practices of his famous narrator Marlow then serves to link Conrad s own maritime and shore based reading Conrad s subsequent networked reading shared with his closest male friends and with literate multilingual women is examined within the context of Edwardian reading practices His fictional representations of reading and material texts are highlighted throughout including genre trends periodical reading reading spaces and their lighting and the use of reading as therapy The book should appeal both to Conrad scholars and to historians of reading

Manual to Readings in Contemporary Literature Ernest Hanes,Martha Jane McCoy,1928 **Readings in**

Contemporary Literature Ernest Hanes,Martha Jane McCoy,1928 **Lay Readings of the Bible in Early Modern Europe** Erminia Ardissino,Élise Boillet,2019-12-30 The aim of this collection of essays is to bring together new comparative research studies on the place and role of the Bible in early modern Europe It focuses on lay readings of the Bible interrogating established historical social and confessional paradigms It highlights the ongoing process of negotiation between the faithful congregation and ecclesiastical institutions in both Protestant and Catholic countries It shows how even in the latter where biblical translations were eventually forbidden the laity drew upon the Bible as a source of ethical cultural and spiritual inspiration contributing to the evolution of central aspects of modernity Interpreting the Bible could indeed be a means of feeding critical perspectives and independent thought and behavior Contributors Erminia Ardissino Xavier Bisaro lise Boillet Gordon Campbell Jean Pierre Cavail Sabrina Corbellini Fran ois Dupuigrenet Desroussilles Max Engammare Wim Fran ois Ignacio J Garc a Pinilla Stefano Gattei Margriet Hoogvliet Tadhg hAnnrach in and Concetta Pennuto The Guide to Reading Lyman Abbott,Asa Don Dickinson,1924 Reading with a Purpose ,1927 *THE GUIDE TO READING* ,1924

Readers and Society in Nineteenth-Century France M. Lyons,2001-07-24 In the nineteenth century the reading public expanded to embrace new categories of consumers especially of cheap fiction These new lower class and female readers frightened liberals Catholics and republicans alike The study focuses on workers women and peasants and the ways in which their reading was constructed as a social and political problem to analyse the fear of reading in nineteenth century France The author presents a series of case studies of actual readers to examine their choices and their practices and to evaluate how far they responded to or subverted attempts at cultural domination **Powers of Reading** Peter Szendy,2025-03-11 A historical literary and philosophical study that transforms our understanding of reading Peter Szendy offers a subtle persuasive and unprecedented account of the time of reading and its scene of address one that is as archaic as it is contemporary When we read are we listening to a voice or being read to If it is not a private and monologic exercise how do we understand the populated scene of reading What reads when we read and how does reading push and pull between temporalities and voices Why do we keep leaving the text when we seek to obey the injunction to stay within its terms

Questions such as these produce a fresh even startling consideration of a wide range of literary and popular texts including Hobbes Leviathan Flaubert's Madame Bovary Kant's moral injunctions Sade Valéry Blanchot and de Certeau but also modern fiction film audiobooks and hypertext The power of reading turns out to belong to its surprising engagement with time and direction the deliberate reader stays close but strays tries to fill in the gaps but gets pushed back by a countercurrent The key to the text is sought outside only to be led back to the text and its failure to deliver a final answer Equally at odds with older versions of literary formalism that insist on the self-referentiality of the text as well as contextualists who scour an external social order to discover the truth of the text Szendy approaches that very conflict as an oscillation constitutive of reading itself Paradoxically reading is sustained precisely by what interrupts its teleological flow The result is a comic profound and timely reconceptualization of reading which rushes forward only to find itself pushed back into the heart of the text which discovers that this incessant breaking from the text this headlong rushing ahead to the world outside the text is a sequence of overreach delay and return that forms the ragged rhythm of reading itself Powers of Reading is a patient brilliant and illuminating inquiry into the crosscurrents of voice and address one that speaks to the speed and complexity of our time how we are upended by our forward propulsions to consider how multiple voice action and passivity are all rearranged in the scene of reading Judith Butler Distinguished Professor in the Graduate School University of California Berkeley

The Book of Imitation and Desire: Reading Milan Kundera with René Girard Trevor Cribben

Merrill, 2013-03-14 Trevor Cribben Merrill offers a bold reassessment of Milan Kundera's place in the contemporary canon Harold Bloom and others have dismissed the Franco-Czech author as a maker of period pieces that lost currency once the Berlin Wall fell Merrill refutes this view revealing a previously unexplored dimension of Kundera's fiction Building on theorist René Girard's notion of triangular desire he shows that modern classics such as The Unbearable Lightness of Being and The Book of Laughter and Forgetting display a counterintuitive and bitterly funny understanding of human attraction Most works of fiction and most movies too depict passionate feelings as deeply authentic and spontaneous Kundera's novels and short stories overturn this romantic dogma A pounding heart and sweaty palms could mean that we have found the One at last or they could attest to the influence of a model whose desires we are unconsciously borrowing our amorous predilections may owe less to personal taste or physical chemistry than they do to imitative desire At once a comprehensive survey of Kundera's novels and a witty introduction to Girard's mimetic theory The Book of Imitation and Desire challenges our assumptions about human motive and renews our understanding of a major contemporary author
