Ready Go Go Barefoot:

Ready to Run Kelly Starrett, 2014-10-21 Push the reset button to unleash your body's power and endurance for running naturally. If you're like 80 percent of runners, an injury is going to force you to stop your running routine at some point this year, and the demands of daily life only add to the wear and tear on your body. Life in the modern world has trashed and undercut dedicated runners' ability to transform their running. The harsh effects of too much sitting and too much time wearing the wrong shoes has left us shackled to lower back problems, chronic knee injuries, and debilitating foot pain. What if you refocus the energy you put into maintaining your current running regimen on forming new habits that can improve your performance and reduce your risk of injury? With *Ready to Run*, you can take responsibility for what's going on in your body, take care of business, and harvest any performance that's hiding in the shadows. In a direct answer to the modern runner's needs, Dr. Kelly Starrett, author of the bestseller *Becoming a Supple Leopard: The Ultimate Guide to Resolving Pain, Preventing Injury, and Optimizing Athletic Performance*, has focused his revolutionary movement and mobility philosophy on the injury-plagued world of running. In this book, Starrett shares twelve performance standards that will prepare your body for a lifetime of top performance running. You will learn: How to tap into all of your running potential and access a fountain of youth for lifelong running; How to turn your weaknesses into strengths; How to prevent chronic overuse injuries by building powerful injury prevention habits into your day; How to prepare your body for the demands of changing your running shoes and running technique; How to treat pain and swelling with cutting-edge modalities and accelerate your recovery; How to equip your home mobility gym; What mobility exercises to use for restoring optimal function and range of motion to your joints and tissues; How to run faster, run farther, and run better. **Be Ready!** Diane Goodfellow Frost, 2015-03-19 DIANE DANAY THOUGHT SHE HAD IT ALL: A HIGH LEVEL CORPORATE position, a glitzy Manhattan apartment, an expensive sports car, and an adoring boyfriend with a house in the country for weekend getaways. She was gloriously happy and led an exceptional life by any standards. But a fortuitous visit from her cousins changes everything. Through their influence, Diane discovers a huge void in her life. Will her longtime boyfriend, Carl, be able to fill this void in her already perfect lifestyle? Is Diane suddenly looking for something else? This is the story of her search and the choice she must make before it is too late. **The Rainbow Track** Arwen Jayne, 2023-01-28 Astral travel, ancestral healing, and shamanism collide with a journey deep into the Australian Outback. Stuck in port while the ship is repaired, Reilly, Jim, and Ry agree to transport some cargo, bypassing recent floods. The quickest route is the infamous Gun Barrel Highway, little more than a dirt track traversing hundreds of kilometres between Western Australia and Alice Springs. New friends and old allies cross their path as they try to evade the danger following them into the desert wilderness. **SPIN**, 1986-03 From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence.
