Ready Or Not Youre A Grandparent:

Ready Or Not, You're a Grandparent Debra Evans, 1997 Debra Evans helps grandparents understand that they alone can do for their grandchildren and their adult children She offers practical advice information encouragement and resources that will make you a better grandparent The Essential Grandparent Lillian Carson, 1997-04-01 Ready or not you re a grandparent How did you get here so fast No one consults you about this new role It is handed to you without your advice or consent So now that you re here at this new stage of life the question before you is what are you going to make of it This book will help you find your answer and assist you in developing a plan for your grandparenting It will dispel the myths and tell it like it is You ll learn that other grandparents feel just as you do It will guide you to become aware of the possibilities encourage you to trust your intuition and teach you how to set goals so that you can make the most of this essential role Just as babies don t come with instructions for parents they certainly don t come with instructions for grandparents The joys of grandparenting are available to all It s healthy for us the older generation to nurture the young It is our natural task to influence the future in this way There are no requirements for a grandparent to be of a certain color educational level lifestyle or economic class However just loving our children and grandchildren is not enough The joy comes from our ingenuity energy and determination to provide stability and purpose It is ours for the doing You'Re Parenting Again? Larry D. Lamb, 2017-04-27 Grandparents raising their grandchildren are a new demographic emerging at a staggering rate because the parents are either unwilling or incapable of raising their own children The rational for this work is derived from the challenges this author and his wife have because of parenting their grandchildren The research for this project has the value to offer support wisdom hope and perspective for those who are parenting again as grandparents Opportunities abound to lead grandchildren in a direction where they never would have gone had grandparents resisted the selfless act of parenting again This project will be approached using surveys with specific questions from other grandparents who are raising their grandchildren The survey will assist in assembling the reasons behind this new and emerging trend of parenting The resources gathered from this project will help grandparents embrace their new role in life **Ready Or Not** ,2006
