Books in Print Supplement ,2002 *Real Kids, Real Adventures* Deborah Morris,1998-09 Amazing true stories of young heroes and survivors who lived to tell the tale Cover *Real Black* John L. Jackson Jr.,2005-11-15 New York s urban neighborhoods are full of young would be emcees who aspire to keep it real and restaurants like Sylvia s famous soul food eatery that offer a taste of authentic black culture In these and other venues authenticity is considered the best way to distinguish the real from the phony the genuine from the fake But in *Real Black* John L Jackson Jr proposes a new model for thinking about these issues racial sincerity Jackson argues that authenticity caricatures identity as something imposed on people imprisoning them within stereotypes turning them into racial objects and inanimate things instead of living breathing human beings Contending that such assumptions deny people agency not to mention humanity in their search for identity Jackson counterposes sincerity an internal and more productive analytical model for thinking about race Moving in and around Harlem and Brooklyn Jackson offers a kaleidoscope of subjects and stories that directly and indirectly address how race is negotiated in today s world including tales of name changing hip hop emcees book vending numerologists urban conspiracy theorists corrupt police officers mixed race neo Nazis and high school gospel choirs forbidden to catch the Holy Ghost Enlisting Anthroman his cape crusading critical alter ego Jackson records and retells these interconnected sagas in virtuosic detail and in the process shows us how race is defined and debated imposed and confounded every single day

Education as Enforcement Kenneth Saltman, David A. Gabbard, 2010-09-13 The first volume to focus on the intersections of militarization corporations and education Education as Enforcement exposed the many ways schooling has become the means through which the expansion of global corporate power are enforced Since publication of the first edition these trends have increased to disturbing levels as a result of the extensive militarization of civil society the implosion of the neoconservative movement and the financial meltdown that radically called into question the basic assumptions undergirding neoliberal ideology An understanding of the enforcement of these corporate economic imperatives remains imperative to a critical discussion of related militarized trends in schools whether through accountability and standards school security or other discipline based reforms Education as Enforcement elaborates upon the central arguments of the first edition and updates readers on how recent events have reinforced their continued original relevance In addition to substantive updates to several original chapters this second edition includes a new foreword by Henry Giroux a new introduction and four new chapters that reveal the most contemporary expressions of the militarization and corporatization of education New topics covered in this collection include zero tolerance foreign and second language instruction in the post 9 11 context the rise of single sex classrooms and the intersection of the militarization and corporatization of schools under the Obama administration

The Secret Lives of Bats Merlin Tuttle, 2015-10-20 Stories and science surrounding the beloved bat from an ecologist who has dedicated his life to the curious creature Few people realize how sophisticated and intelligent bats are Merlin Tuttle knows and he has stopped at nothing to find and protect them on every continent they

inhabit Sharing highlights from a lifetime of adventure and discovery Tuttle takes us to the frontiers of bat research to show that frog eating bats can identify frogs by their calls that some bats have social sophistication similar to that of higher primates and that bats have remarkable memories Bats also provide enormous benefits by eating crop pests pollinating plants and carrying seeds needed for reforestation They save farmers billions of dollars annually and are essential to a healthy planet Tuttle s account forever changes the way we see these poorly understood yet fascinating creatures Grips and doesn t let go Wall Street Journal It s a terrific read Huffington Post A whirlwind adventure story and a top shelf natural history page turner Sy Montgomery author of The Soul of an Octopus One of the best most interesting books I ve ever read Elizabeth Marshall Thomas author of The Hidden Life of Dogs Separated at Stavropol Nadia Stakhanova,Natasha Stakhanova,Vera Stakhanova,2005-07-01 The Russian Revolution marked a series of events in imperial Russia that culminated in 1917 with the abolition of the czarist monarchy and the establishment of the Soviet communist state under Bolshevik leader Vladimir Lenin While Lenin and his followers purportedly advocated the rise of the Russian peasantry opposition to the Bolshevik Party erupted into a bloody civil war and was met with Lenin s ravaging Red Terror campaign The revolution effected a severe change in all economic political and social relationships in Russian society a change that would endure until the dissolution of the Soviet Union in 1991 This historical memoir imparts distinctive social and cultural insights into the realities of the Russian Revolution and the later effect of World War II on the people who suffered under the Soviet Union Narrated in sequential first person by a mother Nadia Stakhanova and her two daughters Natasha and Vera Stakhanova the book gives the factual account of a family whose privileged way of life was shattered by Communism and war Ranging in setting from czarist Russia to present day Melbourne and the campus of Vassar in New York the story follows the family through a period of perpetual poverty and crisis beginning with the sentencing of father Vladimir to death for loyalty to the White Russian faction It continues with the family s subsequent evasion of the Russian secret police the German occupation of their home city during World War II their forced abandonment of five year old daughter Natasha and their flight to the West through Russia Romania Hungary Poland Italy and Austria The reunification of the family in Australia marks the story s climax **Survivor** Vaughn Ripley,2010-11-15 On January 3 1987 teenager Vaughn Ripley receives what seems to be a death sentence A lifelong hemophiliac he has been infused with tainted blood and is found to be HIV In this memoir Ripley not only recounts his life living with severe physical ailments but also details his fight to live Survivor follows him as he receives his fateful news and examines how this single piece of information pushes the innocent boy headlong into a hard life of drugs and alcohol After several years and many near death incidents he finally overcomes the drug addiction and tries to create some semblance of life out of the resulting carnage He describes how he turned his life around to become a professional database administrator how hemophilia contributed to his tendency toward being an adrenaline junkie and how medical advances allowed Ripley and his wife to become parents His story is one of courage and tenacity as he

demonstrates the will to face the world head on and overcome the physical ailments in order to lead an active productive and positive life
