Waxman,2013-09-05 The Jewish attachment to Zion is many centuries old Although the modern Zionist movement was organized only a little more than a century ago the roots of the Zionist idea reach back almost 4 000 years to the day that the biblical patriarch Abraham left his home in Ur of the Chaldees to settle in the promised land The Historical Dictionary of Zionism is an excellent source of information on Zionism its founders and leaders its various strands and organizations major events in its struggle and its present status By showing the movement s strengths and weaknesses it also acts as a corrective to overly idealistic comments by its supporters and the wilder claims of its opponents A much more realistic understanding is offered in the Introduction which presents and explains the movement the Chronology which shows its historic progression the Dictionary which includes numerous entries on crucial persons organizations and events and the Bibliography which points the way to further reading **The Downfall of Abba Hillel Silver and the Foundation of Israel** Ofer

Shiff,2014-05-27 In early February 1949 American Jewry s most popular and powerful leader Abba Hillel Silver 1893 1963 had summarily resigned from all his official positions within the Zionist movement and had left New York for Cleveland returning to his post as a Reform rabbi During the second half of the 1940s Silver was the most outspoken proponent of the founding of a sovereign Jewish state He was the most instrumental American Jewish leader in the political struggle that led to the foundation of the State of Israel Paradoxically this historic victory also heralded Silver s personal defeat Soon after Israel s declaration of independence Silver and many of his American Zionist colleagues were relegated to the sidelines of the Zionist movement Almost overnight the influential leader one who had been admired and feared by supporters and opponents was stripped of his power within both the Zionist and the American Jewish arenas Shiff s book discerns the various aspects of the striking turnabout in Silver s political fate describing the personal tragic story of a leader who was defeated by his own victory and the much broader intra Zionist battle that erupted in full force immediately after the founding of Israel Drawing extensively on Silver s own archival material Shiff presents an enlightening portrait of a critical episode in Jewish history This book is highly relevant for anyone who attempts to understand the complex homeland diaspora relations between Israel and

purported responsibility for the Crucifixion justified all their subsequent misery and vilification A new era of Catholic Jewish relations opened in 1962 with Vatican II's Nostra Aetate No 4 This document brought about a reversal of the theology of contempt and emphasis on converting Jews to Christianity and a determination to initiate constructive dialogue between Catholics and Jews Feldman explores the strides made in improving relations and discusses recent disputes including the erection of a convent near Auschwitz and the proposed canonization of the wartime pope Pius XII that reflect the fragility of the interfaith relationship This book underscores the magnitude of the change in Catholic thinking about Jews since Vatican II and the courage of thinkers and leaders on both sides in forging new bonds across the lines of faith **Reappraising the History of the Jews in the Netherlands** Hans Blom, David J.
