

Adoption from Adoptees

By Maya Anthony

Two Worlds, One Heart

Born from one world, embraced by another,
Two stories of love, from birth mother to foster.
I carry with me, memories yet untold,
A heart that's been chosen, a story that's bold.

My roots might be tangled, deep and profound,
Yet with my new family, love I've found.
Both worlds shape me, in ways unique,
A fusion of stories, a love technique.

I honor my journey, each twist and bend,
From where I began, to where I ascend.
Two worlds converge, in my heart they part,
A tapestry of love, an adoptee's art.

Remembering Reflections Of Growing Up Adopted Stories Poems Essays And Feelings Of Adult Adoptees
