Russia In War And Revolution

General Basil Gourko

Russia In War And Revolution:

War and Revolution in Russia, 1914-1917 Basil Gourko, 1919 **Passage Through Armageddon** W. Bruce Lincoln, 1994 Invaded by foreign armies and threatened by the terrors of civil strife Russia's leaders mobilized more than fifteen million fighting men between 1914 and 1918 only to find that at least a quarter of them had no boots rifles or ammunition With field casualties soaring into the millions scourges of starvation and disease joined the enemy's guns to double and treble Russia's human losses Never in modern history had war so devastated a nation Recounting the tale of the Russians passage through the shattering experience of the First World War and the revolutions of 1917 W Bruce Lincoln offers a profoundly intelligent and detailed chronology of the watershed events and devastating hardships that led to the Bolshevik Revolution Mining an abundance of resources including letters diaries memoirs government reports military dispatches and testimony given to the revolution's first Supreme Commission of Inquiry he allows the reader to step directly into army headquarters state council chambers boudoirs trenches and underground revolutionary hideaways of the men and women who shaped the events of this crucial era **War & Revolution in Asiatic Russia** Morgan Philips Price, 1918

War, Revolution, and Peace in Russia Bertrand M. Patenaude, Terrence Emmons, 2023-04-26 The American historian Frank Golder 1877-1929 was an eyewitness to some of the most historic events in modern Russian history He was in St Petersburg when tsarist Russia entered World War I in 1914 He returned to the city now Petrograd eleven days before the fall of Nicholas II in 1917 and witnessed the February Revolution that overthrew Russia's autocracy He served as a relief worker and unofficial political observer for the US government during the Great Famine of 1921 In later visits he beheld the changes in Soviet society after the death of Lenin Golder faithfully recorded his impressions in diaries and letters now in the holdings of the Hoover Institution Library Archives His writings from Russia detail the dramatic events he observed from the final years of the Romanov dynasty to the beginnings of Stalinism Among the events he describes are encounters with key figures in the Russian Revolution backdoor negotiations between Washington and Moscow on the issues of trade and political recognition and meetings with prominent Russian migrants from which learned the fate of the old regime intelligentsia Golder's writings provide a firsthand account of the tumultuous events that transformed Russian politics society and culture

Making War, Forging Revolution Peter Holquist, 2002-12-30 Reinterpreting the emergence of the Soviet state Holquist situates the Bolshevik Revolution within the continuum of mobilization and violence that began with World War I and extended through Russia's civil war thereby providing a genealogy for Bolshevik political practices that places them clearly among Russian and European wartime measures Russia in Flames Laura Engelstein, 2018 Laura Engelstein one of the greatest scholars of Russian history has written a searing and defining account of the Russian Revolution the fall of the old order and the creation of the Soviet state War and Revolution in Russia, 1914-1917 General Basil Gourko, 2016-05-23 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know

it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

War and Revolution in Russia, 1914-1917 (Classic Reprint) Basil Gourko, 2016-10-12 Excerpt from War and Revolution in Russia 1914 1917 IN the midst of profound peace in the active work of economical and social reform Russia as by thunderbolt was struck by the news of approaching mobilisation and by the urgent necessity of having recourse to the sword to protect her interests and those of the other Slav nations To define exactly the position in which the beginning of the war found Russia it is necessary briefly to survey her political condition at the moment The country was still feeling the disturbing effects of the Revolution of 1905 6 The intellectual classes which had now received access to and obtained a share in political life and legislation were engrossed by the struggle with the Government This turmoil centred specially in the Imperial Duma With the opening of military action this internal strife of the parties as in other European countries and the striving for supremacy between the Imperial Duma and the Government died down at first but later became gradually acute again This we observe was the case with all our Allies and in a certain degree with our enemies After three years of war this struggle becoming still more acute brought about a crisis which ended in the Revolution of March 1917 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

War and Revolution in Russia John Pollock, 1918 *War & Revolution in Asiatic Russia* Morgan Philips Price, 1918 **Engineer of Revolutionary Russia** Anthony Heywood, 2016-05-13 This book is the first substantial study in any language of one of revolutionary Russia's most distinguished and controversial engineers Iurii Vladimirovich Lomonosov 1876 1952 Not only does it provide an outline of his remarkable life and career it also explores the relationship between science technology and transport that developed in late tsarist and early Soviet Russia Lomonosov's importance extends well beyond his scientific and engineering achievements thanks to the rich variety and public prominence of his professional and political activities His

generation Lenin's generation was inevitably at the forefront of Russian life from the 1910s to the 1930s and Lomonosov took his place there as one of the country's best known and ultimately notorious engineers. As well as an innovative engineer who campaigned to enhance the role of science, he played a major role in shaping and administering the Russian railways and undertook several diplomatic and scientific missions to the West during the early years of the Revolution. Falling from political favour during an assignment in Germany 1923-1927, he achieved notoriety in Russia as a non-returner by apparently declining to return home. Thereby escaping probable arrest and execution, he began a new life abroad 1927-1952 which included a research post at the California Institute of Technology in 1929-1930, collaborative projects with the famous physicist P. L. Kapitsa in Cambridge, a long-time association with the Institution of Mechanical Engineers in London, and work for the British War Office during the Second World War. From Marxist revolutionary to American academic, this study reveals Lomonosov's extraordinary life. Drawing on a wide variety of official Russian sources as well as Lomonosov's own diaries and memoirs, a vivid portrait of his life is presented, offering a better understanding of how science, technology, and politics interacted in early twentieth-century Russia.

Russia in War and Revolution, 1914-1922 Jonathan W. Daly, Leonid Trofimov, 2009. Drawing on newly available Russian sources, many of which appear in English for the first time here, this volume covers a broad array of topics including the Bolshevik rise to power and World War I as the catalyst and cradle respectively of the Revolution. The authors convey the boldness and diversity of the revolutionaries' aspirations as well as the ways in which the Revolution affected the lives of ordinary people, from the workers of Petrograd to Siberian peasants and Ukrainian Jews. Maps, illustrations, and a glossary of terms are included, as are a chronology of the Revolution, a list of works cited, and a thorough index.

Memories and Impressions of War and Revolution in Russia Vasiliĭ Iosifovich Gurko, 1918. **War & Revolution in Asiatic Russia** M. Philips, 1885-Price, 2018-10-31. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual, or corporate has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

War, Revolution, and Nation-making in Lithuania, 1914-1923 Tomas Balkelis, 2018. In this book, Tomas Balkelis explores how the Lithuanian state was created and shaped by the Great War from its onset in 1914 to the last waves of violence in 1923. As the very notion of independent Lithuania was constructed during the war, violence is seen as an essential part of the formation of Lithuanian state, nation, and identity. War was much more than simply the historical context in which the tectonic shift from empire to nation-state took

place It transformed people policies institutions and modes of thought in ways that would continue to shape the nation for decades after the conflict subsided In telling the story of the post WWI conflict in Lithuania War Revolution and Nation Making in Lithuania 1914 1923 focuses on the soldiers and civilians involved in the conflict rather than the strategies and acts of politicians generals or diplomats The volume s two main themes are the impact of military social and cultural mobilizations on the local population and different types of violence that were so characteristic of the region throughout the period The actors in this story are people displaced by war and mobilized for war refugees veterans volunteers peasant conscripts POWs paramilitary fighters and others who took to guns not diplomacy to assert their power This is the story of how their lives were changed by war and how they shaped the society that emerged after war **Russia's War** Richard Overy,1998-08-01 A penetrating and compassionate book on the most gigantic military struggle in world history The New York Times Book Review An extraordinary tale Overy s engrossing book provides extensive details of teh slaughter brutality bitterness and destruction on the massive front from the White Sea to the flank of Asia Chicago Tribune The Russian war effort to defeat invading Axis powers an effort that assembled the largest military force in recorded history and that cost the lives of more than 25 million Soviet soldiers and civilians was the decisive factor for securing an Allied victory Now with access to the wealth of film archives and interview material from Russia used to produce the ten hour television documentary Russia s War Richard Overy tackles the many persuasive questions surrounding this conflict Was Stalin a military genius Was the defense of Mother Russia a product of something greater than numbers of tanks and planes of something deep within the Russian soul **Russia's War Against Ukraine** Mark Edele,2023-08-15 In February 2022 Russia launched a full scale invasion of Ukraine a fellow East Slav state with much shared history Mark Edele a world authority on the history of the Soviet Union explains why and how this conflict came about He considers competing historical claims and arguments with authority and lucidity His primary focus however is on the different paths taken by these two former members of the Soviet Union Since the implosion of that state in 1991 Ukraine has developed a vibrant if often troubled democracy For an increasingly dictatorial Russian political elite including but not limited to Vladimir Putin Ukraine has appeared more and more threatening Humiliated by the degradation of Russia s international standing feeling betrayed by an expanding NATO and anxious about democratic revolutions in the former Soviet space Putin and his allies have increasingly retreated into a resentful ultra nationalism Dreams of past imperial glory stand in place of any attempt to solve the problems of the present *Harper's Pictorial Library of the World War* Albert Bushnell Hart,1920 **WAR & REVOLUTION IN ASIATIC RU M.** Philips Price,2016-09-10 Excerpt from War and Revolution in Asiatic Russia The two gateways between Europe and Asia the incessant race movements passing across them the physical features of Central Asia the two types of humanity that live there the nomad invasions into the West the penetration of European in uence into Asia the movement of races from the Russian plain across the Caucasus isthmus the connection between race move ments and economic interests the regions of the

Middle East the Greek sea board the Anatolian tableland the Armenian plateau the Iranian plateau the Caucasus isthmus the six ancient trade routes across the Middle East modern lines of trade and economic development between East and West Imperial exploitation and spheres of interest the proletariat movement of the West and the hopes of its influence on the Eastern Question possibility of a settlement among the financial groups the force of world economics the internationalizing of Constantinople and the trans persian railway About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Russian Revolution & the War Michael S. Farbman, National Council for Civil Liberties (Great Britain), 1917

Decoding **Russia In War And Revolution**: Revealing the Captivating Potential of Verbal Expression

Russia In War And Revolution Introduction

In the digital age, access to information has become easier than ever before. The ability to download Russia In War And Revolution has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russia In War And Revolution has opened up a world of possibilities. Downloading Russia In War And Revolution provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russia In War And Revolution has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russia In War And Revolution. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russia In War And Revolution. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russia In War And Revolution, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russia In War And Revolution has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Russia In War And Revolution Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russia In War And Revolution is one of the best book in our library for free trial. We provide copy of Russia In War And Revolution in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russia In War And Revolution. Where to download Russia In War And Revolution online for free? Are you looking for Russia In War And Revolution PDF? This is definitely going to save you time and cash in something you should think about.
