**Kari Aga Myklebost, Jens Petter  
Nielsen, Andrei Rogatchevski**

## **Russian Fascism:**

**Russian Fascism** Stephen Shenfield, 2016-07-08 First Published in 2001 This study presents a thorough analysis of facism its manifestations in Russian political and cultural history and facist tendencies and movements in contemporary Russian society

*Russian Fascism* Stephen Shenfield, 2016-07-08 First Published in 2001 This study presents a thorough analysis of facism its manifestations in Russian political and cultural history and facist tendencies and movements in contemporary Russian society

**Russian Fascism: Traditions, Tendencies and Movements** Stephen Shenfield, 2015-02-12 This study presents a thorough analysis of facism its manifestations in Russian political and cultural history and facist tendencies and movements in contemporary Russian society

**Russian Radical Right in Exile, 1918-1945** Zbyněk Vydra, 2025-06-30 This book examines the development of the Russian radical right in exile between 1918 and 1945 The radical right which represented one of the most prominent groups of Russian political exiles both continued its pre revolutionary activities and at the same time was inspired by new ideologies of the interwar period primarily fascism Offering a comprehensive comparative analysis of the political activities and political thinking of individual groups of the radical right this book shows the groups political connections and radical right activities Groups included monarchists new groups founded by the younger generation of political for example the so called Mladorossy Young Russians Fascists Russian military migr s and the Russian Orthodox Church Abroad The biographical chapter examines leading ideologist of the monarchist right wing emigration philosopher Ivan Alexandrovich Ilyin This book demonstrates that the radical right represented one of the prominent political currents of Russian emigration This book is especially important in that contemporary right wing radicalism in Russia draws on the thinking of these right wing exiles very extensively It will be of interest to researchers in modern Russian history Russian emigration and right wing radicalism as well as 20th century history

*Russian Nationalism* Marlene Laruelle, 2018-10-10 This book by one of the foremost authorities on the subject explores the complex nature of Russian nationalism It examines nationalism as a multilayered and multifaceted repertoire displayed by a myriad of actors It considers nationalism as various concepts and ideas emphasizing Russia s distinctive national character based on the country s geography history Orthodoxy and Soviet technological advances It analyzes the ideologies of Russia s ultra nationalist and far right groups explores the use of nationalism in the conflict with Ukraine and the annexation of Crimea and discusses how Putin s political opponents including Alexei Navalny make use of nationalism Overall the book provides a rich analysis of a key force which is profoundly affecting political and societal developments both inside Russia and beyond

*Russian Nationalism and the National Reassertion of Russia* Marlene Laruelle, 2009-05-07 This book considers a wide range of aspects of Russian nationalism focussing on the Putin period It discusses the development of Russian nationalism including in the Soviet era examines how it relates to ideology culture racism religion and intellectual thinking and its affects on Russian society politics and foreign policy

Putinism – Post-Soviet Russian Regime Ideology

Mikhail Suslov, 2024-02-23 A key question for the contemporary world What is Putin's ideology This book analyses this ideology which it terms Putinism It examines a range of factors that feed into the ideology conservative thought in Russia from the nineteenth century onwards Russian and Soviet history and their memorialisation Russian Orthodox religion and its political connections a focus on traditional values and Russia's sense of itself as a unique civilisation different from the West and due a special respected place in the world The book highlights that although the resulting ideology lacks coherence and universalism comparable to that of Soviet era Marxism Leninism it is nevertheless effective in aligning the population to the regime and is flexible and applicable in different circumstances And that therefore it is not attached to Putin as a person is likely to outlive him and is potentially appealing elsewhere in the world outside Russia especially to countries that feel belittled by the West and let down by the West's failure to resolve problems of global injustice and inequality *Russian Society and the Orthodox Church* Zoe Knox, 2004-06-02 *Russian Society and the Orthodox Church* examines the Russian Orthodox Church's social and political role and its relationship to civil society in post Communist Russia It shows how Orthodox prelates clergy and laity have shaped Russians attitudes towards religious and ideological pluralism which in turn have influenced the ways in which Russians understand civil society including those of its features pluralism and freedom of conscience that are essential for a functioning democracy It shows how the official church including the Moscow Patriarchate has impeded the development of civil society while on the other hand the non official church including nonconformist clergy and lay activists has promoted concepts central to civil society *Russian Fascism* Stephen D. Shenfield, 2001-02-05 Will Russia's fragile and flawed democracy meet the same fate as interwar Germany's Weimar Republic That is the question that prompts this meticulous analysis of fascism its manifestations in Russian political and cultural history and fascist tendencies and movements in contemporary Russia The author devotes chapters to the many Russian political parties movements and organizations that have been labeled or mislabeled as fascist He critically examines each in terms of program leadership and organizational effectiveness Against the background of the current climate of opinion and events in Russia he concludes with a careful attempt to weigh the prospects for a fascist outcome *Is Russia Fascist?* Marlene Laruelle, 2021-03-15 In *Is Russia Fascist* Marlene Laruelle argues that the charge of fascism has become a strategic narrative of the current world order Vladimir Putin's regime has increasingly been accused of embracing fascism supposedly evidenced by Russia's annexation of Crimea its historical revisionism attacks on liberal democratic values and its support for far right movements in Europe But at the same time Russia has branded itself as the world's preeminent antifascist power because of its sacrifices during the Second World War while it has also emphasized how opponents to the Soviet Union in Central and Eastern Europe collaborated with Nazi Germany Laruelle closely analyzes accusations of fascism toward Russia soberly assessing both their origins and their accuracy By labeling ideological opponents as fascist regardless of their actual values or actions geopolitical rivals are able to frame their own vision of the world and claim the moral high ground Through a detailed examination of the

Russian domestic scene and the Kremlin's foreign policy rationales Laruelle disentangles the foundation for meaning and validity of accusations of fascism in and around Russia Is Russia Fascist shows that the efforts to label opponents as fascist is ultimately an attempt to determine the role of Russia in Europe's future **Russian Conservatism** Paul

Robinson,2019-10-15 Russian Conservatism examines the history of Russian conservative thought from the beginning of the nineteenth century to the present Robinson charts the contributions made by philosophers politicians and others during the Imperial Soviet and post Soviet periods Looking at cultural political and social economic conservatism in Russia Russian Conservatism demonstrates that such ideas are helpful in interpreting Russia's present as well as its past and will be influential in shaping Russia's future for better or for worse in the years to come Russian Active Measures Olga

Bertelsen,2021-03-30 The contributions gathered in this fascinating collection in which scholars from a diverse range of disciplines share their perspectives on Russian covert activities known as Russian active measures help readers observe the profound influence of Russian covert action on foreign states policies cultures people's mentality and social institutions past and present Disinformation forgeries major show trials cooptation of Western academia memory and cyber wars and changes in national and regional security doctrines of states targeted by Russia constitute an incomplete list of topics discussed in this volume Most importantly through a nexus of perspectives and through the prism of new documents discovered in the former KGB archives the texts highlight the enormous scale and the legacies of Soviet Russian covert action Because of Russia's annexation of Crimea in 2014 and its on going war in Ukraine's Donbas Ukraine lately gained international recognition as the epicenter of Russian disinformation campaigns invigorating popular and scholarly interest in conventional and non conventional warfare The studies included in this collection illuminate the objectives and implications of Russia's attempts to ideologically subvert Ukraine as well as other nations Examining them through historical lenses reveals a cultural clash between Russia and the West in general Living the Independence Dream: Ukraine and Ukrainians in Contemporary

Socio-Political Context Lada Kolomiyets,2024-09-03 For many Ukrainians 1991 was a crucial point when their long held dream of independence came true The image of the future life in independent Ukraine was then almost identical to folklore images of Ukraine as the land of milk and honey Living the Independence Dream takes a multi dimensional look at the period of regained independence as a time of advancement towards the realization of collective dreams shaping the post Soviet nation even through everyday disappointments anxiety and uncertainty The collection features personal accounts of several generations of Ukrainians who found themselves displaced by political upheavals in foreign lands as well as the voices of recently displaced people who left the Donbas or other regions of Ukraine following the outbreak of the Russian aggression It revisits the legacy of Soviet dissidents and explores the ideologies of Ukrainian language revival and the ways that memory and language construct Ukrainian identity and generate vital energy amidst war The collection Living the Independence Dream aims to analyze the agency of contemporary Ukrainian people and the role of media literature and digital folklore in

creating new messages meanings and values formed during the Independence decades *Russian Literature, 1988-1994* Norman N. Shneidman, 1995-12-15 The collapse of the Soviet Union brought about radical changes in the Russian literary world With the state's relinquishment of control over literary production writers acquired freedom of expression and publication State publishing houses now self-supporting enterprises stopped printing money losing books and turned to foreign detective novels and erotic literature effecting a considerable shift in popular taste The writer no longer a producer of ideology has been recast as a struggling competitor in a free market environment Focusing on the current Russian literary scene *Russian Literature 1988-1994* examines these recent changes Beginning with a general overview of the political intellectual and social atmosphere in the country and its effect on artistic creativity Shneidman surveys the period's literature He considers the work of succeeding generations of prose fiction writers the old guard the writers of the intermediate generation and the younger authors of perestroika whose works first appeared in print after Gorbachev's ascent to power The writing of this last group is divided into three categories novels written in the style of conventional Russian realism works that combine realistic prose with modernist narrative techniques and the body of work that constitutes Russian post modernism Exploring artistic and social issues in an integrated manner the volume will be of interest not only to students of Russian literature but also to those concerned with the culture and social life of the former Soviet Union

**Russian Exceptionalism between East and West** Kevork Oskanian, 2021-06-22 This monograph provides a novel long term approach to the role of Russia's imperial legacies in its interactions with the former Soviet space It develops Hybrid Exceptionalism as a critical conceptual tool aimed at uncovering the great power's self positioning between East and West and its hierarchical claims over subalterns situated in both civilizational imaginaries It explores how in the Tsarist Soviet and contemporary eras distinct civilizational spaces were created and maintained through narratives and practices emanating from Russia's ambiguous relationship with Western modernity and its part identification with a subordinated Orient The Romanov Empire's struggles with Russianness the USSR's Marxism Leninism and contemporary Russia's combination of feigned liberal and civilizational discourses are explored as the basis of a series of successive civilising missions through an interdisciplinary engagement with official discourses scholarship and the arts The book concludes with an exploration of contemporary policy implications for the West and the former Soviet states themselves **The Russian Revolutions of**

**1917** Kari Aga Myklebost, Jens Petter Nielsen, Andrei Rogatchevski, 2020-04-14 The year 2017 saw a multitude of conferences and exhibitions devoted to the centenary of the Russian Revolutions both in Russia and in other parts of the world The commemoration of this event would be incomplete without an exploration of its Northern dimension In October 2017 UiT The Arctic University of Norway hosted the conference The Russian Revolutions of 1917 The Northern Impact and Beyond Norway and Russia are both northern states and the two countries have a common border in the High North Some articles in this volume based on the conference proceedings investigate the impact of the Russian Revolution in Norway and Sweden

while others deal with the High North e g the Revolution and Civil War in Northern Russia and the radicalization of the workers movement of Northern Norway some are also devoted to representations of the Russian Revolution at exhibitions and on the big screen *Eurasianism and the European Far Right* Marlene Laruelle, 2015-07-01 The 2014 Ukrainian crisis has highlighted the pro Russia stances of some European countries such as Hungary and Greece and of some European parties mostly on the far right of the political spectrum They see themselves as victims of the EU technocracy and liberal moral values and look for new allies to denounce the current mainstream and its austerity measures These groups found new and unexpected allies in Russia As seen from the Kremlin those who denounce Brussels and its submission to U S interests are potential allies of a newly re assertive Russia that sees itself as the torchbearer of conservative values Predating the Kremlin s networks the European connections of Alexander Dugin the fascist geopolitician and proponent of neo Eurasianism paved the way for a new pan European illiberal ideology based on an updated reinterpretation of fascism Although Dugin and the European far right belong to the same ideological world and can be seen as two sides of the same coin the alliance between Putin s regime and the European far right is more a marriage of convenience than one of true love This unique book examines the European far right s connections with Russia and untangles this puzzle by tracing the ideological origins and individual paths that have materialized in this permanent dialogue between Russia and Europe **Jewish Policies and**

**Right-wing Politics in Imperial Russia** Hans Rogger, 1986-01-01 Religion and Secular Modernity in Russian Christianity, Judaism, and Atheism Ana Siljak, 2024-11-15 Religion and Secular Modernity in Russian Christianity Judaism and Atheism is a multifaceted account of the engagement between religion and the secular in Russia s Christian Jewish and atheist traditions Ana Siljak brings together an interdisciplinary group of leading scholars to present unique perspectives on the secularization dynamic in Russia and the Soviet Union telling stories about theologians sects churches poets and artists From the Jewish Christian priest Alexander Men to the cross dressing poet Zinaida Gippius to the Soviet promoter of Yiddish theater Solomon Mikhoels Religion and Secular Modernity in Russian Christianity Judaism and Atheism gives a voice to a variety of actors who have grappled with the possibilities of faith and unbelief in an industrialized modern and seemingly secular world Now more than ever as one narrative of Russia s religious history dominates official Russian accounts alternative perspectives of the relationship between Russian religion and secularism should be highlighted and emphasized

The Politicization of Russian Orthodoxy Anastasia V Mitrofanova, 2005-07-26 This book analyzes the ideologies of politicized Orthodox Christianity in today Russia including fundamentalism pan Slavism neo Eurasianism Orthodox communism and nationalism Apart from textual analysis the volume provides a description of the specific subculture of political Orthodoxy i e its language symbols art mass media hangouts and dresscode This study represents the first scholarly examination of these topics Unlike other publications on the politicization of Orthodoxy it is focused not on the political ambitions of the Russian Orthodox Church ROC but on political movements ideologically based on their own interpretations

of the Orthodox doctrine often contravening the canonical version The book demonstrates that the political Orthodox or Orthodox patriots are a specific branch of believers who frequently do not practice Orthodoxy properly inventing instead their own quasi Orthodox rituals The volume shows that the ROC is not responsible for such religious politicization and that the community of the political Orthodox is rather guided by religiously oriented lay intellectuals The book provides a brief analysis of this intellectual community Finally the volume demonstrates that even in the absence of significant electoral achievements some religio political Orthodox movements namely fundamentalists and nationalists have been able to gain public support at the grassroots level They have been able to infiltrate larger and more moderate political organizations thus contributing to a general Orthodoxization of Russian political discourse

Recognizing the pretentiousness ways to get this book **Russian Fascism** is additionally useful. You have remained in right site to start getting this info. acquire the Russian Fascism partner that we have enough money here and check out the link.

### **Russian Fascism Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Russian Fascism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Fascism has opened up a world of possibilities. Downloading Russian Fascism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Fascism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Fascism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Fascism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Fascism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Fascism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By

doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Russian Fascism Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks?
