Russian Versification The Theories Of:

The Versification Theories of Trediakovskij, Lomonosov and Kantemir Rimvydas Šilbajoris, 1962 Russian versification Rimvydas Šilbajoris, 1968 *Handbook of Russian Literature* Victor Terras, 1985-01-01 Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays Reference Guide to Russian Literature Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public *Russian Versification* Rimvydas Šilbajoris, 1968 **Russian Verse Theory** Barry P. Scherr, Dean S. Worth, 1989 The Development of Russian Verse Michael Wachtel, 1998 The Development of Russian Verse explores the Russian verse tradition from Pushkin to Brodsky showing how certain formal features are associated with certain genres and at times specific themes Michael Wachtel's basic thesis is that form is never neutral poets can react positively in terms of stylization and development or negatively in terms of parody or revision to the work of their predecessors but they cannot ignore it Keeping technical terms to a minimum and providing English translations of quotations Wachtel offers close readings of individual poems of more than fifty poets He aims to help English speaking readers reconstruct the strong sense of continuity that Russian poets have always felt transcending any individual age or ideology Ultimately his 1999 book is an inquiry into the nature of literary tradition itself and how it coalesces in a country that has always taken so much of its identity from its written legacy **Soviet and East European Linguistics**, 2018-12-03 No detailed description available for Soviet and East European Linguistics Introduction to metrics Viktor Maksimovic Žirmunskij, 2016-11-21 No detailed description available for Introduction to metrics **The Origins of Russian Literary Theory** Jessica Merrill, 2022-07-15 Russian Formalism is widely considered the foundation of modern literary theory This book reevaluates the movement in light of the current commitment to rethink the concept of literary form in cultural historical terms Jessica Merrill provides a novel reconstruction of the intellectual historical context that enabled the emergence of Formalism in the 1910s Formalists adopted a mode of thought Merrill calls the philological paradigm a framework for thinking about language literature and folklore that lumped them together as verbal tradition For those who thought in these terms verbal tradition was understood to be inseparable from cultural history Merrill situates early literary theories within this paradigm to reveal abandoned paths in the history of the discipline ideas that were discounted by the structuralist and post structuralist accounts that would emerge after World War II The Origins of Russian Literary Theory reconstructs lost Formalist theories of authorship of the psychology of narrative structure and of the social spread of poetic innovations According to these theories literary form is always a product of human psychology and cultural history By recontextualizing Russian Formalism within this philological paradigm the book highlights the aspects of Formalism's legacy that speak to the priorities of twenty first century literary studies **Kolmogorov in Perspective**, 2000

The editorial board for the History of Mathematics series has selected for this volume a series of translations from two Russian publications Kolmogorov in Remembrance and Mathematics and its Historical Development This book Kolmogorov in Perspective includes articles written by Kolmogorov's students and colleagues and his personal accounts of shared experiences and lifelong mathematical friendships Specifically the article Andrei Nikolaevich Kolmogorov A Biographical Sketch of His Life and Creative Paths by A N Shiryaev gives an excellent personal and scientific biography of Kolmogorov The volume also includes the following articles On A N Kolmogorov by V I Arnol d In Memory of A N Kolmogorov by S M Nikol skii Remembrances of A N Kolmogorov by Ya G Sinai The Influence of Andrei Nikolaevich Kolmogorov on My Life by P L Ulyanov A Few Words on A N Kolmogorov by P S Aleksandrov Memories of P S Aleksandrov by A N Kolmogorov Newton a Information for our distributors Co published with the London Mathematical Society beginning with Volume 4 Members of the LMS may order directly from the AMS at the AMS member price The LMS is registered with the Charity Commissioners

The Polish Formalist School and Russian Formalism Andrzej Karcz,2002 Revising his 1999 doctoral dissertation for the University of Chicago Karcz explores the Polish Formalist School of literary theory and analysis which had already sprouted when Russian Formalism was silenced as heresy by Stalinist pressures in 1930 and the relationship between the two movements He begins by discussing the anticipations of Polish Formalism then focuses on the work of Kazimierz Woycicki 1876 1938 Mandred Kridl 1882 1957 and other primary theoreticians and practitioners Excerpts are in English Annotation 2004 Book News Inc Portland OR booknews com **Alexander Blok** Robin Kemball,2019-04-15 No detailed description available for Alexander Blok **A Room of His Own** Daria S. Smirnova,2025-09-30 A Room of His Own Joseph Brodsky and the Making of a Bilingual Poet makes the original and persuasive claim that Brodsky's force as a transnational poet derives paradoxically from an inward looking stance that privileges the trope of the room and a practice of self translation that is faithful to his own internal poetics rather than the poetic norms of the target tradition The resulting bilingual poetics is one that though not universally accepted by English readers ultimately had a profound effect on the Anglo American literary tradition and anticipated certain foreignizing tendencies that have become central to translation studies and theories of transnationalism No less powerful than the book's thesis is the elegant analyses which encompass Brodsky's Russian poetry his translations from Russian to English and his English language essays **External Research List** ,1960

The Attack on Literature and Other Essays Rene Wellek,2018-07-25 With the erudition that has distinguished his lifelong study of literary criticism Wellek considers the trends theories and quarrels of recent years He continues to insist that criticism whether written by structuralists phenomenologists Marxists or the New Critics makes judgments and also takes into account a common humanity that makes all art accessible to us He also considers the relationship between literature and linguistics and the difficulty of constructing evolutionary models for literary history Originally published in 1982 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our

distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

A History of Russian Literary Theory and Criticism Evgeny Dobrenko, Galin Tihanov, 2011-11-27 This edited volume assembles the work of leading international scholars in a comprehensive history of Russian literary theory and criticism from 1917 to the post Soviet age By examining the dynamics of literary criticism and theory in three arenas political intellectual and institutional the authors capture the progression and structure of Russian literary criticism and its changing function and discourse The chapters follow early movements such as formalism the Bakhtin Circle Proletklut futurism the fellow travelers and the Russian Association of Proletarian Writers By the cultural revolution of 1928 literary criticism became a mechanism of Soviet policies synchronous with official ideology The chapters follow theory and criticism into the 1930s with examinations of the Union of Soviet Writers semantic paleontology and socialist realism under Stalin A more humanized literary criticism appeared during the ravaging years of World War II only to be supplanted by a return to the party line Soviet heroism and anti Semitism in the late Stalinist period During Khrushchev s Thaw there was a remarkable rise in liberal literature and criticism that was later refuted in the nationalist movement of the long 1970s The same decade saw on the other hand the rise to prominence of semiotics and structuralism Postmodernism and a strong revival of academic literary studies have shared the stage since the start of the post Soviet era For the first time anywhere this collection analyzes all of the important theorists and major critical movements during a tumultuous ideological period in Russian history including developments in emigre literary theory and criticism

The Routledge Companion to Russian Literature Neil Cornwell, 2002-06-01 The Routledge Companion to Russian Literature is an engaging and accessible guide to Russian writing of the past thousand years The volume covers the entire span of Russian literature from the Middle Ages to the post Soviet period and explores all the forms that have made it so famous poetry drama and of course the Russian novel A particular emphasis is given to the nineteenth and twentieth centuries when Russian literature achieved world wide recognition through the works of writers such as Pushkin Dostoevsky Tolstoy Chekhov Nabokov and Solzhenitsyn Covering a range of subjects including women s writing Russian literary theory socialist realism and migr writing leading international scholars open up the wonderful diversity of Russian literature With recommended lists of further reading and an excellent up to date general bibliography The Routledge Companion to Russian Literature is the perfect guide for students and general readers alike

Central and Eastern European Literary Theory and the West Michał Mrugalski, Schamma Schahadat, Irina Wutsdorff, 2022-12-05 Literary theory flourished in Central and Eastern Europe throughout the twentieth century but its relation to Western literary scholarship is complex This book sheds light on the entangled histories of exchange and influence both within the region known as Central and Eastern Europe and between the region and the West The exchange of ideas between scholars in the East and West was facilitated by both personal and institutional relations both official and informal encounters For the

longest time however intellectual exchange was thwarted by political tensions that led to large parts of Central and Eastern Europe being isolated from the West. A few literary theories nevertheless made it into Western scholarly discourses via exiled scholars. Some of these scholars such as Mikhail Bakhtin became widely known in the West and their thought was transposed onto new Western cultural contexts; others such as Olga Freidenberg were barely noticed outside of Russia and Poland. This volume draws attention to the schools, circles and concepts that shaped the development of theory in Central and Eastern Europe as well as the *histoire croisée* the history of translations, transformations and migrations that conditioned its relationship with the West.

Shakespeare and the Versification of English Drama, 1561-1642 Professor Marina Tarlinskaja, 2014-09-28

Surveying the development and varieties of blank verse in the English playhouses, this book is a natural history of iambic pentameter in English. Marina Tarlinskaja's statistical analysis of versification focuses on Shakespeare but places his work in the literary context of the times. Her results offer new ways to think about the dating of plays, the attribution of anonymous texts and how collaborators divided their task in co-authored dramas.

This Captivating World of E-book Books: A Detailed Guide Revealing the Advantages of Kindle Books: A World of Ease and Flexibility E-book books, with their inherent portability and ease of availability, have freed readers from the constraints of physical books.
