J Rink

Russian Writers And Society In The Second Half Of The Nineteenth Century:

Russian Writers and Society in the Second Half of the Nineteenth Century Joe Andrew, 1982-06-18 Russian Writers and Society in the Nineteenth Century Ronald Hingley, 2021-06-15 This book first published in 1977 begins with a close look at the lives of nineteenth century Russian writers and at the problems of their profession It then examines their environment in its broader aspects the Russian empire being considered from the point of view of geography ethnography economics and the impact of individual Tsars on writers and society A discussion of the main social estates follows and concluding is an analysis in their literary context of the activities of the competing forces of cohesion and disruption in imperial society the civil service law courts police army schools universities press censorship revolutionaries and agitators This book makes possible a fuller understanding of the works of Pushkin Dostoyevsky Chekhov and the other great Russian writers **The**

Russian Hero in Modern Chinese Fiction Mau-sang Ng, 1988-08-04 The Russian influence took root in the Chinese intellectual tradition that evolved after the Literary Revolution of 1917 When the Chinese communists turned to Russia for their inspiration they also accepted the Russian version of the novel s form and function in society However they did not accept it uncritically Chinese understanding of the arts goes back for thousands of years and thus Chinese intellectuals brought their own kinds of tradition and intelligence to these new arts and political solutions In this lucid study the author demonstrates how Chinese writers guided by Russian authors such as Chekhov Turgenev and Andreyev created works of art that are both original and Chinese However he also shows that the familiar heroes of such famous novelists as Lu Xun Yu Dafu Mao Dun and Ba Jin have a strong Russian flavor linked to prototypes in the Russian literary tradition The author depicts the fortune of Soviet literature and the fate of the intellectual hero in the People s Republic of China He believes that the humanistic May Fourth intellectual tradition which inspired enthusiasm for classical Russian literature has been revived with the publication of works like Dai Houying s *Man ah Man* and Zhao Zhenkai s *Waves* **Traits of Women** Dr. Priya

Krishnan KG, 2018-03-04 Lev Nikolayevich Tolstoy was born on 28 August 1828 after the Decembrist revolt into a long line of Russian nobility He was the fourth child of Countess Maria Volkonsky and Count Nicolay Ilyich Tolstoy 1797 1837 a Lieutenant Colonel who was awarded the order of St Vladimir for his service The story of his life and literary contributions are closely related to the historical political social and cultural developments these years He is regarded as a major thinker and religious social and political reformer *Narrative and Desire in Russian Literature, 1822-49* Joe Andrew, 1993-06-12

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world **Women In Russian Literature 1780-1863** Joe Andrew, 1988-07-06

A History of Russia Volume 1 Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful with both professors and students including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps that supplement and amplify the text fully updated bibliographies accompanying each chapter as well as a general bibliography of more comprehensive works a glossary and chronological and genealogical lists Moss's A History of Russia will appeal to academics students and general readers alike

Literary Tradition and Practice in Russian Culture, 2023-12-04 The BRILL series Studies in Slavic Literature and Poetics occupies a unique place in the academic and intellectual book market due to its emphasis on theoretically informed and interdisciplinary approaches to the study of Slavic literatures and cultures The series welcomes book proposals for monographs or edited volumes discussing questions of Slavic culture identity and history as expressed in literature film and other forms of cultural production Authors are cordially invited to submit proposals and or full manuscripts to the publisher at BRILL Masja Horn

A History of Russian Thought William Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia's political and social history Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the Russia of today This history examines important intellectual and cultural currents the Enlightenment nationalism nihilism and religious revival and key themes conceptions of the West and East the common people and attitudes to capitalism and natural science in Russian intellectual history Concentrating on the Golden Age of Russian thought in the mid nineteenth century the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras With brief biographical details of over fifty key thinkers and an extensive bibliography this book provides a fresh comprehensive overview of Russian intellectual history

Writers and Society During the Rise of Russian Realism Joe Andrew, 1980-06-18

Diagnosing Literary Genius Irina Sirotkina, 2003-04-30 Winner of the Aldo and Jeanne Scaglione Prize for Studies in Slavic Languages and Literatures from the Modern Language Association The vital place of literature and the figure of the writer in Russian society and history have been extensively studied but their role in the evolution of psychiatry is less well known In *Diagnosing Literary Genius A Cultural History of Psychiatry in Russia 1880 1930* Irina Sirotkina explores the transformations of Russian psychiatric practice through its relationship to literature During this period psychiatrists began to view literature as both an indicator of the nation's mental health and an integral part of its well being By aligning themselves with writers psychiatrists argued that the aim of their science was not dissimilar to the literary project of exploring the human soul and reflecting on the psychological ailments of the age Through the writing of pathographies medical biographies

psychiatrists strengthened their social standing debated political issues under the guise of literary criticism and asserted moral as well as professional claims By examining the psychiatric engagement with the works of Fyodor Dostoevsky Nikolai Gogol Leo Tolstoy and the decadents and revolutionaries Sirotkina provides a rich account of Russia's medical and literary history during this turbulent revolutionary period *Discontinuous Discourses in Modern Russian Literature* Michael Makin, Catriona Kelly, 1989-04-04 *Russian Conservatism* Glenn Diesen, 2021-01-12 Russian conservatism is making a forceful return after a century of experimenting with socialism and liberalism Conservatism is about managing change by ensuring that modernization evolves organically by building on the past Conservatism has a natural attraction for Russia as its thousand year long history is largely characterized by revolutionary change the destructive process of uprooting the past to give way to modernity Navigating towards gradual and organic modernization has been a key struggle ever since the Mongols invaded in the early 13th century and decoupled Russia from Europe and the arteries of international trade Russian history has consisted of avoiding revolutions that are either caused by falling behind on modernization or making great leaps forward that disrupts socio economic and political traditions Russian conservatives are now tasked with harmonizing the conservative ideas of the 19th century with the revolutionary changes that shaped Russia in the 20th century The rise of Asia now provides new opportunities as it enables Russia to overcome its fixation on the West and develop a unique Russian path towards modernization that harmonizes its Eurasian geography and history **Aspects of Dostoevskii**, 2012-01-01 Perhaps more than any other nineteenth century Russian writer Dostoevskii's continuing popularity rests on his contemporary relevance The prophetic streak in his creativity gives him the same lasting appeal as dystopian novelists such as Zamiatin and Orwell whom he influenced and whose ethical concerns he anticipated Religious themes are prominent in his work too and though he was a believer his interest seems to lie in the tension between faith and unbelief which was felt as keenly in the Russia of his time as in our own The nature of Dostoevskii's art also continues to be debated The older tendency to disparage his literary method has given way to a recognition of the originality of his techniques without which his ideological concerns would not have emerged with such thought provoking clarity The chapters which comprise this volume address these issues in a range of Dostoevskii's works from shorter classics such as *House of the Dead* and *Notes from Underground* to great novels such as *Crime and Punishment* and *The Brothers Karamazov* This work will be of use to scholars and students of Dostoevskii at all levels as well as to those with an interest in nineteenth century literature more generally History Russian Philosophy V1 V. Zenkovsky, 2014-07-10 This Volume I of a History of Russian Philosophy originally published in 1953 based on the authors lectures to the Theological Institute in Paris They also explore Russian philosophic thought and how they relate to the theoretical constructions of Russian life **Russian-Ottoman Borderlands** Lucien J. Frary, Mara Kozelsky, 2014-08-12 During the nineteenth century as violence population dislocations and rebellions unfolded in the borderlands between the Russian and Ottoman Empires European and Russian diplomats debated the Eastern Question or

What should be done about the Ottoman Empire Russian Ottoman Borderlands brings together an international group of scholars to show that the Eastern Question was not just one but many questions that varied tremendously from one historical actor and moment to the next The Eastern Question or from the Ottoman perspective the Western Question became the predominant subject of international affairs until the end of the First World War Its legacy continues to resonate in the Balkans the Black Sea region and the Caucasus today The contributors address ethnicity religion popular attitudes violence dislocation and mass migration economic rivalry and great power diplomacy Through a variety of fresh approaches they examine the consequences of the Eastern Question in the lives of those peoples it most affected the millions living in the Russian and Ottoman Empires and the borderlands in between **Political History and Culture of Russia** ,2002

Scholarly articles dealing with political events in Russia up to 1991 *Russian Genre Painting in the Nineteenth Century* Rosalind Polly Blakesley,2000 This book addresses the little studied area of Russian genre painting in the first three quarters of the nineteenth century Rosalind Gray begins by examining artistic patronage and published texts which engaged with the visual arts in order to illustrate the context in which Russian artists were working Five major painters Venetsianov Bryullov Ivanov Fedotov and Perov are then discussed in detail Dr Gray identifies the vital contribution which these artists made to Russian intellectual life as genre painting was appropriated as a medium in the dissemination of popular values and social change At the same time the relationship between Russian and European art is explored The book demonstrates that far from being a self contained movement Russian genre painting instead engaged in a fluid and complex dialogue with the art of the West Russian Writers and Soviet Society 1917-1978 Ronald Hingley,2021-06-15 This book first published in 1979 provides a systematic anatomy of Russia s modern authors in the context of their society at the time Post revolutionary Russian literature has made a profound impact on the West while still maintaining its traditional role as a vehicle for political struggle at home Professor Hingley places their lives and work firmly in the setting of the USSR s social and political structure

Russian Writers And Society In The Second Half Of The Nineteenth Century Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Writers And Society In The Second Half Of The Nineteenth Century PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Writers And Society In The Second Half Of The Nineteenth Century PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Writers And Society In The Second Half Of The Nineteenth Century free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Writers And Society In The Second Half Of The Nineteenth Century Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Russian Writers And Society In The Second Half Of The Nineteenth Century is one of the best book in our library for free trial. We provide copy of Russian Writers And Society In The Second Half Of The Nineteenth Century in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Russian Writers And Society In The Second Half Of The Nineteenth

Century. Where to download Russian Writers And Society In The Second Half Of The Nineteenth Century online for free? Are you looking for Russian Writers And Society In The Second Half Of The Nineteenth Century PDF? This is definitely going to save you time and cash in something you should think about.
