Rutherford B Hayes And His America:

Rutherford B. Hayes, and His America Harry Barnard,1954 *Rutherford B. Hayes and His America* Harry Barnard,1967 **Rutherford B. Hayes** Andrew Santella,2004 A biography of the nineteenth President of the United States discussing his personal life education and political career Rutherford B. Hayes Steven Otfinoski,2004 Rutherford B Hayes governor of Ohio and Civil War hero was elected president in 1876 in the most controversial election until 2000 Hayes received 250 000 fewer votes than Democrat Samuel Tilden However after recounts in key states including Florida Hayes was declared the winner by a single electoral vote Democrats agreed not to contest the decision if Republicans would pledge to end military occupation of Southern states Hayes soon began removing troops leaving the South to the Democratic party and leaving the campaign for African Americans civil rights unfinished Despite this doubtful beginning Hayes s integrity and fair dealing helped restore the prestige of the presidency which had been tarnished by the scandals of the Grant administration Hayes proposed the first civil service bill to reduce the corrupting influence of the spoils system and was the first president to visit the western states Book jacket **Presidents and Presidencies in American History** Jolyon P. Girard,2019-10-07 This innovative encyclopedia explores the life and times of America s forty five presidents from the first administration to that of Donald Trump Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City Some have proved exceptional leaders and others have not Some have faced serious crises both foreign and domestic Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month Each however played a key role in the evolution of United States history Each of their histories therefore remains a critical civics lesson to consider This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump Each chapter includes a timeline a biographical sketch a historical overview and an analytical essay concerning the president and his presidency Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence A suggested reading list for further study of each president rounds out each entry *The American Midwest* Andrew R. L. Cayton,Richard Sisson,Chris Zacher,2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region s twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region s surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region s history culture and values and conflicts A site of ideas and innovations reforms and revivals and social

and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination

The American Presidents Melvin I. Urofsky, 2004-11-23 What makes a president great Here is the ideal source for students scholars and the general public The American Presidents is a collection of articles that analyze and evaluate the presidential careers of the men who have occupied the office since its inception in 1789 In this volume the leading presidential historians in the United States offer insights into what makes a president great mediocre or in the case of most of them something in between The contributors to The American Presidents were not asked to write straightforward biographies of the presidents other sources are available for that Rather they were asked to evaluate their subjects No strict patterns were imposed by the editor each author approached his or her subject in the way that best illustrated the strengths and weaknesses of the president under consideration Forty one have held the office of president and all in one way or another were exceptional men Some like Andrew Jackson and Harry Truman are usually thought of as representing the common folk but nothing was common about either of them Each proved to be an extraordinary and singular politician able to rally and represent the country through the challenges of their times Some presidents had achieved brilliance in other fields Ulysses Grant in the military and Herbert Hoover as an engineer and humanitarian for example but had presidencies that are considered unsuccessful What accounts for this seeming paradox in which insight sensitivity and competence suddenly become nontransferable when the man reaches the White House This book offers the reader multiple perspectives on this and other issues Examination of the ways in which challenges affect presidential greatness Theodore Roosevelt a successful president by any standard was acutely aware that the prosperity and peace the country enjoyed during his two terms in office would ironically prevent him from reaching the upper tier of greatness enjoyed by Washington and Lincoln After he left office he yearned to return in hope of finding the challenge that would seal his greatness Earlier in the late nineteenth century the electorate placed competent men such as Rutherford B Hayes Grover Cleveland and Benjamin Harrison in the White House but they are little remembered today None faced earth shaking challenges at home and abroad and their presidencies slipped into obscurity Discussion of personal characteristics and presidential performance For more than two centuries the presidency has proved a remarkably durable institution Presidential personalities have varied widely from the patrician aloofness of Washington to the moody introspection of Lincoln to the noisy exuberance of Theodore Roosevelt The articles in The American Presidents consider the ways in which personality has affected performance Special features 41 signed essays by the leading experts illustrated with

portraits of the presidents Selected bibliographies At a glance summaries of each president s achievements Useful charts and tables on cabinet members first ladies and vice presidents from Washington to Clinton Addresses and Web sites for major presidential libraries

Real Life at the White House John Whitcomb,Claire Whitcomb,2002 An irresistible chronological overview of daily life in the presidential residence Divided into 42 chapters representing each succeeding administration this survey is brimming with fun facts tantalizing tidbits and memorable anecdotes detailing two centuries of domestic bliss and strife in the White House From George Washington who chose the site and initiated work on the presidential mansion to Bill Clinton whose well documented White House escapades titillated and scandalized the nation each individual president has contributed to the mystique of the most readily recognized home in the U S Together with scores of drawings portraits and photographs the breezy text chronicles the significant physical social and emotional changes wrought by each First Family as they sought to personalize daily life in the White House *American Ulysses* Ronald C. White,2017-06-06 NEW YORK

TIMES BESTSELLER From the author of *A Lincoln* a major new biography of one of America's greatest generals and most misunderstood presidents Winner of the William Henry Seward Award for Excellence in Civil War Biography Finalist for the Gilder Lehrman Military History Book Prize In his time Ulysses S Grant was routinely grouped with George Washington and Abraham Lincoln in the Trinity of Great American Leaders But the battlefield commander turned commander in chief fell out of favor in the twentieth century In *American Ulysses* Ronald C White argues that we need to once more revise our estimates of him in the twenty first Based on seven years of research with primary documents some of them never examined by previous Grant scholars this is destined to become the Grant biography of our time White a biographer exceptionally skilled at writing momentous history from the inside out shows Grant to be a generous curious introspective man and leader a willing delegator with a natural gift for managing the rampaging egos of his fellow officers His wife Julia Dent Grant long marginalized in the historic record emerges in her own right as a spirited and influential partner Grant was not only a brilliant general but also a passionate defender of equal rights in post Civil War America After winning election to the White House in 1868 he used the power of the federal government to battle the Ku Klux Klan He was the first president to state that the government's policy toward American Indians was immoral and the first ex president to embark on a world tour and he cemented his reputation for courage by racing against death to complete his *Personal Memoirs* Published by Mark Twain it is widely considered to be the greatest autobiography by an American leader but its place in Grant's life story has never been fully explored until now One of those rare books that successfully recast our impression of an iconic historical figure *American Ulysses* gives us a finely honed three dimensional portrait of Grant the man husband father leader writer that should set the standard by which all future biographies of him will be measured Praise for *American Ulysses* Ronald C White portrays a deeply introspective man of ideals a man of measured thought and careful action who found himself in the crosshairs of American history at its most crucial moment *USA Today* White delineates Grant's virtues better than any author before By the end readers will see how fortunate the nation was that Grant went into the world to save the Union to lead it and on his deathbed to write one of the finest memoirs in all of American letters *The New York Times Book Review* Ronald White has restored Ulysses S Grant to his proper place in history with a biography whose breadth and tone suit the man perfectly Like Grant himself this book will have staying power *The Wall Street Journal* Magisterial Grant's esteem in the eyes of historians has increased significantly in the last generation *American Ulysses* is the newest heavyweight champion in this movement *The Boston Globe* Superb illuminating inspiring and deeply moving *Chicago Tribune* In this sympathetic rigorously sourced biography White conveys the essence of Grant the man and Grant the warrior *Newsday* **Rutherford B. Hayes** BreAnn Rumsch,2009-01-01 The United States president preserves protects and defends the U S Constitution Each president's term influences events in America and around the world for years to come This biography introduces young readers to the life of Rutherford B Hayes beginning with his childhood in Delaware Ohio Information about Hayes's education at Kenyon

College and Harvard Law School and his early career as a lawyer is discussed In addition his family and personal life as well as his retirement years at Spiegel Grove and his support of the Slater Fund is highlighted Easy to read text details Hayes s military service during the American Civil War and his political career as a Radical Republican in the U S House of Representatives where he voted for the Freedmen s Bureau Act the Fourteenth Amendment the Reconstruction Acts and the Tenure of Office Act and as governor of Ohio Finally students will explore key events from Republican president Hayes s administration including civil service reforms the end of Reconstruction and the passage of the Bland Allison Act Beautiful graphics showcase the primary source documents and photographs A timeline fast facts and sidebars help put essential information at students fingertips In addition a quick reference chart provides easy access to facts about every U S president

Checkerboard Library is an imprint of ABDO Publishing Company **American Political Leaders** Steven O'Brien,1991-10

This book includes biographical facts as well as political contributions *American First Ladies* Lewis L. Gould,2021-10-28

An historical survey of the impact of individual First Ladies impact on America and the American woman A selection of each woman s own writings is given along with a commentary on her influence and a biography of her life and the narrative covers all the presidents wives from Martha Washington to Hillary Rodham Clinton **The Fathers of American Presidents** Jeff C. Young,2024-10-11

Farmers shopkeepers businessmen politicians the fathers of the presidents of the United States have come from a wide variety of professions and all walks of life In many cases they provided their sons and future presidents with a political philosophy that they carried to the White House In a few instances the politics of the son differed significantly from that of his father This unique reference work provides biographies of both the biological and adoptive fathers of the 41 men who have served as president of the United States Were the personalities of the father and son similar What role did the father play in the son s upbringing How did the father s view influence the son s These questions and others are covered in each entry in addition to the biographical sketches of the fathers of the presidents *Chinese Immigrants and American Law* Charles McClain,1994

First published in 1995 Routledge is an imprint of Taylor Francis an informa company

Encyclopedia of U.S. - Latin American Relations Thomas Leonard,Jurgen Buchenau,Kyle Longley,Graeme Mount,2012-01-31

No previous work has covered the web of important players places and events that have shaped the history of the United States relations with its neighbors to the south From the Monroe Doctrine through today s tensions with Latin America s new leftist governments this history is rich in case studies of diplomatic economic and military cooperation and contentiousness

Encyclopedia of U S Latin American Relations is a comprehensive three volume A to Z reference featuring more than 800 entries detailing the political economic and military interconnections between the United States and the countries of Latin America including Mexico and the nations in Central America the Caribbean and South America

Entries cover Each country and its relationship with the United States Key politicians diplomats and revolutionaries in each country Wars conflicts and other events Policies and treaties Organizations central to the political and diplomatic history of

the western hemisphere Key topics covered include Coups and terrorist organizations U S military interventions in the Caribbean Mexican American War The Cold War communism and dictators The war on drugs in Latin America Panama Canal Embargo on Cuba Pan Americanism and Inter American conferences The role of commodities like coffee bananas copper and oil Big Stick and Good Neighbor policies Impact of religion in U S Latin American relations Neoliberal economic development model U S Presidents from John Quincy Adams to Barack Obama Latin American leaders from Simon Bolivar to Hugo Chavez With expansive coverage of more than 200 years of important and fascinating events this new work will serve as an important addition to the collections of academic public and school libraries serving students and researchers interested in U S history and diplomacy Latin American studies international relations and current events **Carpetbaggers, Cavalry, and the Ku Klux Klan** J. Michael Martinez, 2007-03-01

In some places the Ku Klux Klan KKK was a social fraternity whose members enjoyed sophomoric hijinks and homemade liquor In other areas the KKK was a paramilitary group intent on keeping former slaves away from white women and Republicans away from ballot boxes South Carolina saw the worst Klan violence and in 1871 President Grant sent federal troops under the command of Major Lewis Merrill to restore law and order Merrill did not eradicate the Klan but they arguably did more than any other person or entity to expose the identity of the Invisible Empire as a group of hooded brutish homegrown terrorists In compiling evidence to prosecute the leading Klansmen and by restoring at least a semblance of order to South Carolina Merrill and his men demonstrated that the portrayal of the KKK as a chivalric organization was at best a myth and at worst a lie This is the story of the rise and fall of the Reconstruction era Klan focusing especially on Major Merrill and the Seventh Cavalry s efforts to expose the secrets of the Ku Klux Klan to the light of day **The Life, Public Services and Select Speeches of Rutherford B. Hayes** James Quay Howard, 2016-05-13 The conclusions which we draw from the examination of the records of the ancestral descent of Rutherford B Hayes are that his progenitors have in each generation displayed courage and capacity to fight limited only by the strength of the enemy to hold out It was a habit they had to fight on the side in the right and on the side that won Three of his immediate ancestors Elias Birchard Israel Smith and Daniel Austin gave proofs of valor and patriotism in the War of Independence Another characteristic of the Hayes stock is the almost uniform tendency toward longevity It is a robust race presenting an extraordinary number of large families
