AMERICAN ABSOLUTISM Gary A. Freitas, 2024-01-29 Disrupting the Generational Cycle of Distrust in America's 600 Year Cultural War You are about to scan a high resolution MRI of the psychological forces generating discord and disrupting the American democratic experiment Absolute mindedness is not a personality type clinical disorder or social psychopathology but an archaic trust adaptation giving rise to much of today's populist frustration and anger When trust is disrupted early in life complexity ambiguity and disappointment fixate on a trust mistrust duality good bad right wrong us versus them Republicans and Democrats are undergoing cultural mitosis An evolutionary social and political speciation driving us toward an autocratic America Constitutional originalists were raised in parental originalism

emphasizing principle and discipline over empathy and reasoning Solo mass shootings are a predictable abandonment pattern over the course of America s history of gun rights and vigilante ethos Conspiracy theories are repetitive information diffusion in dense social networks during times of social unrest triggering individuals pre wired for resignation grievance and revenge The modern dictator a dark triad of malignant narcissism psychopathy and Machiavellianism American Absolutism explores what happens when human adaptation loses viability as it comes face to face with an exponentially evolving complexity that is the modern human condition

The Trauma of Everyday Life Dr. Epstein,2014-07-07 Trauma does not just happen to a few unlucky people it is the bedrock of our psychology Death and illness touch us all but even the everyday sufferings of loneliness and fear are traumatic In *The Trauma of Everyday Life* renowned psychiatrist and author of *Thoughts Without a Thinker* Mark Epstein uncovers the transformational potential of trauma revealing how it can be used for the mind s own development Epstein finds throughout that trauma if it doesn t destroy us wakes us up to both our minds own capacity and to the suffering of others It makes us more human caring and wise It can be our greatest teacher our freedom itself and it is available to all of us Western psychology teaches that if we understand the cause of trauma we might move past it while many drawn to Eastern practices see meditation as a means of rising above or distancing themselves from their most difficult emotions Both Epstein argues fail to recognize that trauma is an indivisible part of life and can be used as a tool for growth and an ever deeper understanding of change When we regard trauma with this perspective understanding that suffering is universal and without logic our pain connects us to the world on a more fundamental level Guided by the Buddha s life as a profound example of the power of trauma Epstein s also closely examines his own experience and that of his psychiatric patients to help us all understand that the way out of pain is through it
