Halperin, 2011-12-01 *Sabbatai Zevi* stirred up the Jewish world in the mid seventeenth century by claiming to be the messiah then stunned it by suddenly converting to Islam The story is presented here for the first time through contemporary documents written by *Sabbatai* s followers and by one of his detractors in translations that brilliantly capture the vividness of this landmark episode in early modern Jewish history *The Burden of Silence* Cengiz öSiðsman, 2015 **Sabbatai Zevi** David Joel Halperin, 2007 Memorial to the children of Israel Baruch of Arezzo The letters of Joseph Halevi The Najara chronicle The biography of Abraham Cuenque From the reminiscences of Abraham Cardozo **The Poetry of Kabbalah** Peter Cole, Aminadav Dykman, 2012-04-10 Introduces renderings of and commentary on Kabbalistic verse that emerged directly from Jewish mysticism and that reveals the foundations of both language and existence itself **Communication in the Jewish Diaspora** Sophia Menache, 2024-01-22 Although Jews lacked a political locus standi for a communication system in the Middle Ages and Early Modern periods their involvement in trade and the close relations among Jewish communities

Foundations of Sephardic Spirituality Rabbi Marc D. Angel, PhD, 2011-09-26 Who were the Sephardic Jews of the Ottoman Empire What lasting lessons does their spiritual life provide for future generations How did the Judeo Spanish speaking Jews of the Ottoman Empire manage to achieve spiritual triumph To answer this question we need to have a firm understanding of their historical experience We need to be aware of the dark unpleasant elements in their environments but we also need to see the spiritual cultural light in their dwellings that imbued their lives with meaning and honor from Chapter 1 The Inner Life of the Sephardim In this groundbreaking work Rabbi Marc Angel explores the teachings values attitudes and cultural patterns that characterized Judeo Spanish life over the generations and how the Sephardim maintained a strong sense of pride and dignity even when they lived in difficult political economic and social conditions Along with presenting the historical framework and folklore of Jewish life in the Ottoman Empire Rabbi Angel focuses on what you can learn from the Sephardic sages and from their folk wisdom that can help you live a stronger deeper spiritual life **The**

Jews and the Reformation Kenneth Austin, 2020-07-14 The first comprehensive account of Protestant and Catholic attitudes toward Jews and Judaism in the European Reformation In this rich wide ranging and meticulously researched account Kenneth Austin examines the attitudes of various Christian groups in the Protestant and Catholic Reformations towards Jews the Hebrew language and Jewish learning Martin Luther s writings are notorious but Reformation attitudes were much more varied and nuanced than these might lead us to believe This book has much to tell us about the Reformation and its priorities and has important implications for how we think about religious pluralism more broadly **Sabbatai Sevi** Gershom Scholem, 1975

Britain, the Bible, and Balfour Jonathan Immanuel, 2019-10-16 In 1917 only Britain would have taken the decision to favor a Jewish national home when the opportunity occurred to dismantle the Ottoman Empire for it had been interlocked with the Hebrew Bible since political and theological crises in sixteenth and seventeenth century England released the so called Old Testament from its defined role as a christological premonition of the New Testament Britain the Bible and Balfour unpacks the tumultuous history of the idea of a unique Jewish home state and the development of Zionism as it took shape over the course of several centuries in England The author argues that in fact the theopolitical vision of Zionism is a peculiarly British phenomenon with roots that go back to the English Reformation The religious and political battles over the Bible the role of Hebrew scripture the monarchy and national identity provided the fortuitous if providential

groundwork for the recovery of a vision of the Jewish people as a unique community with a mandated home Zionism emerged from this context as a powerful movement that advocated for the return of the land and the people as a divinely ordained religious and political project Yet as this volume demonstrates that idea is explicable only on the basis of the contextual events in early modern England and would take nearly five hundred years to become a geopolitical reality This volume provides a critically important genealogical account and illuminates the fascinating history of how England became the surprising progenitor of a revolutionary idea

Hebraica Veritas? Allison Coudert, Jeffrey S. Shoulson, 2004-05-11 Superb The contributors probe the degree of positive interactions between Jews and Christian and also uncover heretofore hidden Jewish contributions to the Western intellectual tradition Choice

The Dissemination of News and the Emergence of Contemporaneity in Early Modern Europe Brendan Maurice Dooley, 2010 Modern communications allow the instant dissemination of information and images creating a sensation of virtual presence or contemporaneity at events that occur far away But how were time and space conceived before modernity When did this begin to change in Europe To help answer such questions this volume looks at the exchange of information and the development of communications networks at the dawn of journalism when widespread public and private networks first emerged for the transmission of political news The collection offers the first panoramic view of the way stories were born grew and matured during their transmission from source to source from country to country The results published here suggest that a continent wide network including manuscript and print for the transmission of stories from place to place existed and was effective
