MultiCultural Review, 1998 **Native North Americans in Literature for Youth** Alice Crosetto, Rajinder

Garcha, 2013-09-12. Native North Americans have rich and diverse cultures and traditions. However, many misconceptions, prejudices, and stereotypes exist due to the lack of understanding and ignorance of these cultures. It is important that children and adolescents learn about and appreciate the invaluable contributions that North American Native groups have made to American society. Equally important is the availability of resources that accurately and objectively portray the historical events that occurred when European settlers displaced thousands of Native North Americans from their ancestral homelands. In *Native North Americans in Literature for Youth*, Alice Crosetto and Rajinder Garcha identify hundreds of appropriate and quality resources, including books, Internet sites, and media titles for K-12 students and educators. Entries are subdivided into chapters covering geographic regions, history, religions, social life, customs, and traditions, nations, oral tradition, biographies, and fiction. Additionally, there are chapters for general reference resources, curricular resources for educators, media, and Internet sites. Annotations provide complete bibliographical descriptions of the entries, and each entry is identified with the grade level for which it is best suited. Reviews, awards, series, and URLs for supplemental online resources are also included. Anyone, especially students, teachers, librarians, and parents interested in locating useful and accurate resources regarding Native North Americans, will find this reference book a helpful and essential tool. *Cigar Box Lithographs*

Volume VII Charles J. Humber, The objective of volume VII of the *Cigar Box Lithographs* series has been to acknowledge women with assorted backgrounds who envisioned fostering cultural foundations in support of future generations, all eager to climb social ladders. To discover cigar boxes featuring such hailed women has certainly been a huge challenge, especially when considering that the great majority of such wooden containers were carelessly tossed into fireplaces or cast off in dumps more than 100 years ago. Nonetheless, the author of this production has been most fortunate to locate a gamut of cigar boxes identified with such a worthy subject matter. The women featured on these cigar boxes, wooden containers assembled between 1875 and 1920, not only enhanced such crafted packets during past times but were considered legendary household names during their era. For sure, their edifying influence has assisted in making life more satisfactory and extra rewarding.
