The Culinary Heritage of California's Capital

**T**he **Sacramento Cookery Book** is so much more than a cook-book. Sally Clifford has compiled a wonderful concoction that will please the palate, tickle the funny bone, and provide hours of pleasure for anyone who wants a taste of Sacramento.

More than 300 taste-tempting recipes from Sacramento, the California Delta, and historic Gold Country demonstrate the full scope of Sacramento's food traditions which have resulted from a diverse blend of cultural influences and an eager pursuit of good food.

Along with the recipes, Ms. Clifford has collected delightful culinary and regional tidbits that reveal the charm and humor of Sacramento through tiny doses of history.

To complete the portrait, more than 70 drawings provide fascinating glimpses of past and present Sacramento.

**S**ally Clifford has authored food and travel articles for numerous magazines and newspapers, including *The Sacramento Union*, *Ford Times*, *Westways*, *The Dallas Morning News*, *Outdoors*, and *Sacramento* magazine. She has studied English and history and holds a master's degree in English literature. Before pursuing writing full-time, she taught English for a number of years in the California public schools.
