perspective on life faith and what it means to be a Christian can be enjoyed once more in this compilation of two autobiographical books *The Growing Up Pains of Adrian Plass* and *Why I Follow Jesus* With laugh out loud witticisms stories anecdotes sketches and poems you will be immersed in the heart and humour of a well loved speaker and writer     **Still Crazy** Adrian Plass,2024-02-15 I think I need to explain why I decided to call this book STILL CRAZY Firstly because I ve been at this writing and speaking business for quite a while now and the passion to share my thoughts still hasn t subsided Secondly because I am more and more convinced that a healthy dose of the right kind of crazy might be just what we need to cope with the ups and downs of modern life and of faith Join me as we explore some of the strange funny puzzlingly pointless little side turnings that generally speaking we are too busy to bother with but which might just lead us to the place where we need to be one place One thing One person Lots of laughs along the way A few tears It can feel a bit crazy We ll get there From the Introduction From the challenges of growing old un gracefully to reflections on the impact of the Coronavirus pandemic this is a wide ranging collection with lashings of Adrian s trademark humour Whether considering the paradoxes and contradictions of faith and the church or the unexpected blessings encountered along the way this collection is thought provoking and encouraging in equal measure There are fresh entries from the *Sacred Diary* and new insights into the world of the Shadow Doctor and finally Adrian considers the mystery of love and ponders its power to help us change our world for good     **The Sacred Diary Trilogy** Adrian Plass,1997 This volume contains the most popular writings of Adrian Plass The three books follow Plass through the trials and tribulations of Christian life Diary entries letters to a precocious 11 year old girl with a fractured lemur and the tape recordings of loony Leonard Thynne are included     **All Questions Great and Small** Adrian Plass,Jeff Lucas,2015-11-19 The whole idea of the SERIOUSLY FUNNY tour was for Adrian Plass and Jeff Lucas to let people in on their conversations about God life and the universe and it went pretty well After all that s pretty much what they ve been doing in their separate writing and speaking careers all these years All told people seemed to like the way their trademark styles came together and shed light on even the most difficult subjects in a way that perhaps made those burdens a little easier to bear However as they toured around the country Adrian and Jeff realised that other people s questions were at least as interesting as their own possible more so Eventually they decided they d better have a go at some answers This book is the result They may not have got the answers right but they have certainly had a good time along the way and they hope you will too     All Questions Great and Small Adrian Plass,2016-01-19 The whole idea of the SERIOUSLY FUNNY tour was for Adrian Plass and Jeff Lucas to let people in on their conversations about God life and the universe and it went pretty well After all that s pretty much what they ve been doing in their separate writing and speaking careers all these years All told people seemed to like the way their trademark styles came together and shed light on even the most difficult subjects in a way that perhaps made those burdens a little easier to bear However as they toured around the country Adrian and Jeff realised that other people s questions were at least as interesting as their own possible more so Eventually they

decided they'd better have a go at some answers This book is the result They may not have got the answers right but they have certainly had a good time along the way and they hope you will too **The Shadow Doctor** Adrian Plass, 2017-02-09 The Shadow Doctor isn't your usual kind of doctor Sure you can bring him your problems but the chances are his solutions will blow your mind This man can see into your soul and the cures he prescribes don't come from the pharmacy If you have fears you just cannot face wounds you can't even bear to remember if you've been abused ignored damaged by all life throws at you the Shadow Doctor is here to help But the Shadow Doctor has shades of his own and the work of helping others may be the only thing keeping him afloat Can he stay ahead of the demons that torment him long enough to help those who need him **Adrian Plass Classics** Adrian Plass, 1998 Adrian Plass's unique perspective on life and faith can be enjoyed once more in this omnibus edition of three of his best selling books In The Growing Up Pains of Adrian Plass we meet the real Adrian Plass as opposed to his fictional counterpart in the Sacred Diary series Cabbages for the King and View from a Bouncy Castle are collections of stories sketches and poems which celebrate both the profundity and absurdity of life while making keen points about the gospel Underlying Adrian's irrepressible humour is his passionate conviction that God embraces us in our weakness and vulnerability and that we need to gain a child like perspective in order to understand just how much he loves us **A Year at St Yorick's** Adrian Plass, 1998 Another likely best seller from Adrian Plass A Year at St Yorick's will do for the Church of England what the Sacred Diary of Adrian Plass did for charismatic Christians Remember the Sacred Diarist trying to take spiritual authority over a paper clip This time Adrian Plass turns his satirical yet affectionate eye on the Church of England in this spoof collection of monthly parish magazines which lampoons the life of a fictional rural parish These are tempestuous times for the Church of England the Toronto Blessing the ongoing rumbles about disestablishment the debate about monarchy divorce and the state and as ever Adrian's humour is full of wisdom and compassion as well as wild irreverence **The Middle Matters** Lisa-Jo Baker, 2019-07-23 The best selling author of Never Unfriended opens up about midlife and what it feels like to have outgrown those teenage jeans but finally grown into the shape of our souls I want to give Lisa Jo's book a standing ovation Aarti Sequeira chef and TV personality Do you ever wonder how you woke up one day with all the responsibilities of a grown up who secretly enjoys buying groceries in bulk can no longer recognize the tween celebrities on the magazines at checkout but is still surprised when a Starbucks barista calls you ma'am because your inside self is frozen in time to about twenty years ago So does Lisa Jo Baker In these intimate reflections on midlife Lisa Jo invites us to get a good look at our middles and gives us permission to embrace them beyond what the media the mirror or the magazines say Through gutsy beautiful storytelling she admits out loud what most of us are thinking about marriage parenting the bathroom scale and how badly we all want to buy those matching Magnolia Market mugs Her delicious stories come from not being afraid of who she is because Lisa Jo knows that the middle might be the best part of the love story of life kids faith doubt marriage failure wonder and the muffin top and that these are all good things She's not asking you to seize

the day just to make sure you actually see it for all its wildly ordinary glory Welcome to the middle Praise for The Middle Matters What a thought provoking collection of reflections and wisdom Through personal stories about love loss and life in the middle Lisa Jo invites us to take a long look inside our own mind s secret nooks and crannies which aren t nearly as dark scary or ordinary as we might think Layla Palmer The Lettered Cottage blog With captivating wit hard won wisdom and breathtaking honesty Lisa Jo has written a love letter to the delicious middle Mandy Arioto president and CEO of MOPS International and author of Have More Fun With Lisa Jo s guts as our unfettered guide may we finally learn the sumptuous truth of our years that a grilled cheese sandwich without the middle is just toast Erin Loechner founder of OtherGoose and author of Chasing Slow Thank you Lisa Jo for reminding women everywhere how important it is to find meaning in the midst of the confusing middle Joy Prouty artist and educator
