## **Sacred Goodbyes Honoring And Healing Your Pain And Lob:**

*Sacred Goodbyes* Eileen Dunn, 2010 *Sacred Goodbyes* gently guides you through the stages of recovery from the devastating loss of a loved one. It offers compassion, hope, and support as you move through the pain and begin to realize that healing is possible. This simple yet powerful book is beneficial to anyone dealing with loss. Therapists and other health care professionals will find it meaningful for their clients. *Journeys of Goodbye* The Healing Pen Collective, 2025-05-27 There are moments in life that change us forever: moments when a diagnosis is given, when a final breath is taken, or when the weight of care becomes both a privilege and a burden. These are the sacred spaces of goodbye, often filled with sorrow but also with love, clarity, and even peace. *Journeys of Goodbye* was born from those spaces. This book is for anyone who has ever whispered goodbye to someone they loved far too soon, unsure of how to move forward. It is for the one sitting at the bedside of a parent, spouse, sibling, or friend, holding on tightly while slowly letting go. It is for the courageous souls living with life-limiting illnesses who find strength in each new sunrise. And it is for the clinicians, caregivers, and spiritual leaders who walk with grace through the shadows, offering compassion and comfort when it is needed most. In these pages, you will find real stories—raw, beautiful, and transformative—told by spiritual leaders, healthcare professionals, and ordinary people facing extraordinary moments. Some stories speak of pain; others of peace. All speak of the sacred journey toward the end of life and the mysterious threshold of what lies beyond. More than anything, this book is an offering of hope. It reminds us that even in the ache of loss, there is love. Even in the mystery of death, there is light. And even in goodbye, there is the promise of something more. May *Journeys of Goodbye* give you the courage to face what is ahead, the comfort to heal from what is behind, and the faith to believe in what cannot always be seen. *I'm Sorry, I Love You, Goodbye* Janet M. Bieschke, 2018-08-30

**Sacred Wounds** ASHLEY. BERGER, 2025-05-21 Your wound is not your weakness; it is the altar where your soul remembers its power. In *Sacred Wounds*, Ashley invites you on a journey through the depths of trauma, grief, and healing—a journey that is not about bypassing pain but honoring it as a sacred passage. Blending personal narrative with spiritual teachings and embodied practices, this book is more than a self-help guide; it is a soul map designed to help you reconnect with your deepest essence. If you have ever felt lost in the ruins of your past, uncertain of how to trust, feel, or move forward, know this: your healing is already underway. This book will walk beside you, offering tools to reclaim your energy, protect your spirit, and trust the wisdom within you. Each chapter is infused with reflection prompts, somatic healing techniques, and ancestral wisdom to help you step fully into your sacred power. This is not about fixing yourself because you were never broken. This is about remembering. *The 7 Sacred Images That Heal Emotional Pain* Angela Nolan, 2015-02-04 When Angela Nolan's father came back from the war, he gave her a mysterious book containing seven sacred images. These images have the power to heal emotional pain. It took 64 years for Angela to find the secret that powers these sacred images so they can heal your pain. Now she is sharing her father's discovery with the world. She says, "In this book, I will show you the

discoveries I have made about these magical images based on my father's notes. If you follow the instructions as written you can heal emotional pain. I have no qualification for making such a claim except that I know these images have worked for me and for others. I will not say the images can cure illness or physical pain because I would never want to give false hope. What I know is that if you suffer from grief, loss, guilt, anxiety, stress, or painful emotions and memories, you can ease your pain. The most wonderful discovery she made is that when you take away your pain, you become more open to receiving the gifts of the universe. After publishing the book in her local village, she said, "I can say without doubt that everybody who has used these images has found an increase in luck, with many of them finding more money, more love, and more happiness." Inside the book, you will find seven images that lead you to: Heal Emotional Pain, Ease Anxiety and Depression, Take Away Your Fears, Find Inner Peace, Improve Your Self Esteem, Increase Love, Uncover Your Happiness. Seventy years after they were first discovered, these sacred images are now available in a short, easy-to-use book that can ease your suffering.
