My Old Codger Betty Harrison Hopewell, 2010-01-15 My Old Codger is a collection of stories written in poetry over a period of about 15 years given to me by someone I refer to as my old codger from another place and time The stories seem to be memories from his past that he is passing on to me I have come to believe over the years of receiving these stories that I possibly knew him in another life and these poems were given to me to reconnect our spirits I believe that I was Lillian

One Bullet More James Richard Langston, 2011-03-31 Hey saddle tramp said Vernon I dont think I like a bum like you coming in here to drink with us men Matt turned to face Guthry spread his feet shoulder wide with his gun hand thumb still hooked in his belt still three fingers from his 44 The men that stood along the bar drifted to one side out of the line of fire The room grew deadly quiet Ive had just about all the crap Im going to take from a local loudmouth like you Matt said There was a deadly chill to his voice and Vernon shivered slightly from the feel of it All of a sudden he realized that he might be biting off a little more than he could chew Being the braggart that he was he couldnt back down from the step he had taken He crouched and went for his pistol Realization that he didnt even have his gun half way out of leather and was already looking into the black hole of a barrel that looked three inches in diameter he froze and in no time at all he felt the sting of salty sweat in his eyes from the large beads that had popped out on his forehead and trickled down He swallowed hard his Adams apple moved up and down but the lump in his throat was just about to choke him and he couldnt swallow it He lost control of his bladder and pissed down his leg the warm fluid trickling into his left boot Dawning on him that he had just pissed in his own whiskey he sucked in a mountain of air and said with a high pitched fine toothed comb squeak Ohooo shit

Lawrence Tierney Burt Kearns, 2022-12-06 Lawrence Tierney 1919 2002 was the kind of actor whose natural swagger and gruff disposition made him the perfect fit for the Hollywood tough guy archetype Known for his erratic and oftentimes violent nature Tierney drew upon his bellicose reputation throughout his career a reputation that made him one of the most feared and mythologized characters in the industry Born in Brooklyn to Irish American parents Tierney worked in theater productions in New York before moving to Hollywood where he signed with RKO Radio Pictures in 1943 His biggest roles would come in Dillinger

1945 in which he played 1930s gangster and bank robber John Dillinger and Robert Wise's film noir classic *Born to Kill* 1947 Despite his natural talents Tierney was trouble from the start struggling with alcoholism and mental instability that emboldened him to start fights whenever and wherever he could The continued bouts of alcohol fueled rage his subsequent stints in jail and his continued attempts at rehabilitation curtailed his acting career Unable to find work throughout much of the 1960s he did a stint in Europe before eventually returning to New York where he took odd jobs as a construction worker bartender and hansom cab driver In the mid 1980s Tierney returned to acting With a somewhat cooler head he established himself again with recurring roles in shows such as *Seinfeld* and *Star Trek The Next Generation* He would take on his final projects as a septuagenarian in *Reservoir Dogs* 1992 and *Armageddon* 1998 where his on set behavior would once again draw the ire of his colleagues and studio representatives He would go down swinging just shy of his eighty third birthday his tough guy image solidly intact until the end In *Lawrence Tierney Hollywood's Real Life Tough Guy* author Burt Kearns traces Tierney's storied life from his days as Dillinger to his clash with Quentin Tarantino at the end of his film career to his final public appearances The first official biography of the late actor the book draws on the writings of Hollywood reporters and gossip columnists who first reported on Tierney's antics and exclusive interviews with surviving colleagues friends family members and victims Through their words and his research Kearns paints a portrait of Tierney's brutish behavior and the industry's reaction to the pugnacious star drawing parallels and the line between the man and the characters that made him a Hollywood legend

Coming In Ron Jordan,2007-01-24 A wind comes blowing bringing another new day with each breaking dawn Another day of toil and oftentimes tribulation mixed with affection for the land upon which he lives and works the cowhand's existence is a bond between nature and the folks he has come to know and respect His very existence is the epitome of a freedom that most folks will never know but merely dream of These are the heart rending tales of life in southeastern Wyoming living and working with ranchers and ranch hands cowboys and cowpokes and the occasional suburbanite in search of the real west The edge of civilization rises on a near horizon and with its arrival ushers the end of a western heritage and the cowboy culture that few outsiders will ever comprehend Written with truthfulness and candor the author weaves a tapestry of stories and personal experiences forever mindful of the fabric of life that holds this vanishing and fragile rural society together Provocative this is a perspective unlike any other ever presented Anguish coupled with brutal honesty and compassion for the working ranch hand in the American west this is a brotherhood of understanding

Cajun Country Guide Macon Fry, Julie Posner, 1999-02-28 There s just nowhere else but South Louisiana to find real knee slapping crowd hooting Zydeco music Even the big city chefs can t cook up a Cajun meal the way they do at the roadside restaurants deep in the bayous of Acadiana Likewise no other guide matches the amount of in depth information presented in Cajun Country Guide It s a study of Cajuns that tells visitors how to find the sights sounds and flavors of one of America s most culturally unique regions Take a vacation to a part of our own country that in some places didn t even speak English until nearly fifty years ago While modern technology is weeding out some of the one of a kind qualities of this subculture not all of them are gone or even hard to find if you know how to hunt for them And there are no better hunters than authors Macon Fry and Julie Posner With the handy maps reviews and recommendations packed into the Cajun Country Guide a trip to the bayous won t leave one feeling like a visitor but more like a native who has come back home **Never**

Mountain Top Cowboy Church I have discovered that there is little material designed specifically for cowboy churches or cowboy ministries Although I have been in the ministry for 16 years I had never considered writing a book however the Lord had other plans In October of 2009 I broke my leg while competing at a 40 and over bull riding which required surgery I do not believe that it was Gods plan for me to ride a bull at the age of 46 but my books are an example that the Lord will use every situation we are in for good if we will allow Him to use us During my time of recovery I started writing poems and short stories about my rodeo days then it turned to cowboy poetry In the beginning it was a way to pass the time and deal with my

situation As I continued to write I began to relate my poems to scripture and it was then that the Lord truly began to use them to reach others After sharing a few with my church I discovered that they could be a useful tool in cowboy churches and ministries or those in the western culture My first book of poems and proverbs On The Trail was just another example of the Lords Grace and Mercy in my life He Holds The Reins is a continuation of that Grace and Mercy Now that I am On The Trail with Christ I allow Him to take the reins of my life while I ride toward heaven on the narrow trail

A Diamond in the Rough Lloyd Perry, 2011-12 Diamonds in the rough are cowboys of vitality who have displayed the inborn chevalier of honor and respect unwritten code of the West cowboys who are born with the God given ability of awareness positioning and timing who have been tried and tested in the fire of time and are ascribed the title of being a hand by other old time cowboys Every diamond in the rough has certain characteristics within his character that set him apart as a cut above the average Younger cowboys who have grown up under the influence of older cowboys are not taught the common sense or good manners These traits are expected to be lived out in every cowboy Just what makes a cowboy A Diamond in the Rough Lloyd Perry can tell you because he is one Lloyd has lived life by the code of the Old West and spent his days cowboying around In this entertaining and meaningful glimpse into the cowboy way of life Lloyd shares tales of hunting training dogs cowboy work ironic incidents and lessons that apply to any walk of life Through it all glory is given to God for His provision One of Lloyd s daughters said to him Dad I ve come to realize I don t know you None of your family knows you I don t believe anyone really knows you From that this intimate inspirational memoir came to be Sit down for a spell with a strong pot of coffee for you ll be caught up in these tales from start to finish You ll love this gem of a book A Diamond in the Rough

The Trail to Oregon Stan Mirel, 2010-11-04 When I started the Trail To Oregon the research and thousands of facts and depressing incidents was almost overpowering Getting into the wagons with them fording the Rivers and walking barefoot with them was a struggle They were sleeping in wagons laden with food and furniture children and clothing guns and forgotten belongings buried under blankets and animal feed Their lives were fragile and the perils from nature and other men cost the lives of ten percent of all the travelers as they struggled from Missouri to Oregon I wondered at first what kind of story I could extract from the bare facts from the perilous threat the pilgrims presented to each other But the courage of the men and women that walked across the states barefoot that starved and bled and struggled told me their stories as I searched their dark sunken eyes They were possibly the bravest Americans very much like the men that fought alongside General Washington except the bravery and courage was shared by the women that shouldered most of the work I was drawn into the struggle and felt the anguish when their children died when a woman was accidentally shot When mothers chewed leaves from the trees and fed the food to their husbands and children Their tattered clothes hung like potato sacks on gaunt bodies long before Oregon was in sight as they clutched their rifles and bibles praying for the strength and endurance to survive and keep the children alive Wooden crosses dotted the trail where weak sick and unfortunate souls succumbed to sickness
