Smith's introspective musings cover matters both professional and personal, from the horror of battle and the almost equally terrible politics of war to his deepest longings and questions about love and spirituality. While some diarists wrote self-consciously anticipating eventual publication of their words, Smith's entries, as author Thomas Lowry explains, are of such a personal and self-revelatory nature that we can reasonably conclude that he wrote to himself alone as a sort of spiritual exercise of self-communication. **Blackwater Creek** Donna Brown, 2014-04-27 Ludie Blackwell grew up in the small Texas town of Blackwater in the midst of a loving circle of family and friends.
